AMERICAN.
The Empire State.
NEW YORK, 3.—The Garfield
States are estimated thus: Colorado,
25,000; Connecticut, 25,000; Illinois,
35,000 to 40,000; Indiana, 5,000; Iowa,
20,000; Kansas, 40,000; Massachusetts,
30,000 to 40,000; Maine, 4,500;
Minnesota, 25,000; Nebraska, 15,000;
New Hampshire, 3,000; New York,
5,000 (30,000); Ohio, 30,000; Oregon,
1,000; Pennsylvania, 35,000; Rhode
Island, 5,000; Vermont, 25,000; Wis-
consin, 15,000.
The total city vote gives Grace
2,904 majority for mayor. Dochow,
for register, has 8,200 majority.
State 25,000 republican.
The Next Congress.
CHICAGO, 3.—An *Inter-Ocean*'s
Washington special says: At the
headquarters of the Republican Con-
gressional Committee to-night they
claim a total of 150 republican mem-
bers in the next House, which is a
clear majority of 11, if it claims all
hold good of this, however, there is
great doubt. They claim a gain of
1 each in Massachusetts, Virginia,
North Carolina, Alabama, Louisiana,
Wisconsin, Illinois, West Vir-
ginia and Pennsylvania. Two each
in Iowa, Missouri and Kentucky,
and three in Tennessee. They con-
cede the loss of one each in Nevada
and California, and three in New
York. They also claim the Senate
by a majority of one. Leading re-
publicans claim to have positive in-
formation that Mahone will act with
them in the organization of the Senate.
At the headquarters of the Demo-
cratic Congressional Committee, they
do not concede the House to the re-
publicans, but claim it by a narrow
majority.
A dispatch received from Duncan
S. Walker, secretary of the com-
mittee from New York this afternoon
says: The republicans claim the
House, but have not got it. We
will have a fair voting majority.
The democrats also claim the Senate
by a majority of three. Notwith-
standing the democratic claims,
however, the republicans seem to
have the House beyond question by
a majority of at least eight. The
Senate, however, is in great doubt
and is so recognized by both parties.
Chicago.—Returns from 377 towns
or precincts outside of Chicago and
Cook County give net republican
gain of 3,229. Telling Cook County,
the net republican gain in the State so
far as heard from is over 14,000,
which majority in that section of
the State which has been heard
from and which tells the net republi-
can gain in the State is 34,000. At this
rate there will be in the neighborhood
of 45,000 majority in the State, and
it may be considered above that
figure.

Wright 10,000 in middle Tennessee,
but is far behind in east and west
Tennessee. The race for Governor
is really Wright, republican, democrat
and Hawkins, republican. The re-
publicans have elected 10 members
of the legislature from Shelby county,
and probably six in Davidson
county, and it is thought they will
have control of the legislature, thus
securing a United States Senator
and State officers. It is thought
Hawkins is elected.
Sound Talk.
ATLANTA, Ga., 3.—Commenting
on the election the *Constitution* says:
It is the culmination of a series of
blunders, beginning with the Potter
committee and ending with the sur-
render of the party to the selfish
whims of an element which has
control of the party, thus
general. It would appear that the line
of sectionalism has been sharply
drawn by the voters of the north,
but there is nothing depressing in
this. We are willing that the north
should draw a sectional line in poli-
tics if the south is permitted to
draw a line with respect to the pro-
gress and improvements of those
conditions and forces which make
people happy in their fields, their
workshops and their homes. We
have a prosperous future before us,
and to this end we should look in-
tently. We have the cause of pub-
lic education to promote and the
welfare of a great and growing sec-
tion to foster. The south expected a
little more from Gen. Hancock's ad-
ministration than it will ask from
