Cross-Examined by Counsel for the Contractors and Manufacturers. Government.

By Mr. Root-Gen. Grant, what was TIYLOR, BOMMEY & ARMSTRONG, the hour at which you were accustomed to reach your your office in the morn-Branch in the summer of 1883? Answer -Ten o'clock was about my arriving

Q.-Did you observe in the letter which you received from Mr. Fish, and to which the letter that has been identified by you, and which is entirely in your handwriting was an answer, any reference to a government contract? A .- No, there was not. I had told Mr. Ward, when it was mentioned, there never must be any government con-tracts there. There is nothing wrong in being engaged in government con-tracts more than in anything else, unless made wrong by the acts of indi-viduals; but I had been President of the United States, and I did not think and DISORDERED LIVER. From these sources arise three fourths of the diseases of the human race. These it advisable for to have my name connected with government contracts, and knew there was no large profit in them, except by dishonest measures. There are some men who get governntoms indicate their existence : Loss of Appetite, Bowels costive, Sick Headache, fullness after cating, avernent contracts year in and year out, and whether they manage their affairs dishonestly to make profits or not, sion to excrtion of body or mind, Eructation of food, Irritability of temper, Low spirits, a feeling of havthey are sometimes supposed to, and 1 Flattering at the Heart, Dizziness, Flattering at the Heart, Dots before the eyes, highly colored Urine, CON-STIPATION, and demand the use of a remedy that acts directly on the Liver. As a Liver medicine TUTT'S PHLLS have no equal. Their action on the Kiddid not think it was any place for me. Q.-And you did not find in that letter you received any reference to any-thing of that sort? A.-I did not find any thing of that sort, or I should have

stopped it; but, as a matter of lact, may never have seen that letter. Mr Ward may have just simply given me a statement of the contents of that let-ter, when at his office.

Ward to the Marine Bank? A .- Well, I knew Ward was a director there and seemed to have a great deal to do with it, but I never suspected there being

Ward had engaged in government con-tracts, or in furnishing money to be used in carrying out government contracts? A .- I never knew of but one contract; that is, where he said there to be purchased in Chicago, to be de-livered; he told me the date when it was to be delivered, and that the contractor hadn't the money to do it with, and that he was doing it for a certain amount, a stipulated amount, but the contract was to other parties, and I said that I did not see that there was anything the matter with that. The man had a contract from the govern-ment for a quantity of oats, and oats was an article that could be purchased very easily on the Chicago market, and I said I didn't see anything wrong in that as we had no contract Theorem that, as we had no contract. Then, af-terwards, I began to hear-and that SALT LAKE CITY BREWERY

the time I went into the firm I had a that Ward said on the Sunday before the leaders of both factions have the failure, in respect to the securities constantly asserted that the President of the firm in the Marine Bank? $\Delta_{\rm eff}$ had promised to recognize the claims He didn't say he had any securities in of their respective sides, it is known Marine Bank; he spoke of our own that no such assurances were even private securities; that is the way I given. It is certain, too, that until the understood it, that we had \$1,300,000 in differences between the two factions our vault, and we had seven hundred are settied, no appointments will be and odd thousand dollars of money in made. Both factions have been repeatedly urged by interested democrats the Marine Bank. Q.-That was Mr. Ward's statement o you Sunday? A.-Yes, sir. peacedly diverte to some to some sort of agreement, and give the party a chance to you Sunday? A .- Yes, sir.

mand and General Sota of Costa Rica will probably take the third place. Washington, 27. - 1aformation has been received in this city that on the tracts? A.—I never knew of but one contract; that is, where he said there were transactions of that kind, and I questioned him about it, and he said he had just been out and bought 350,000 bushels of oats, I think it was, and there was quite a large quantity more to be purchasad in Chicago, to be depouncement of President Barrios' protity of supplies there stored. They ject of confederation, but the details were met by some hundreds of rebels, of a plan of action for mutual defense

troops, who are now in Nicaragua en

where the Guatemalans will seek to

The number of rebels killed is not from the border line of San Salvador, known. The police and civilians acted

Beardy's Heserve, and endeavered to surround Major Crozier's force of police and civilians. The rebels fired first, when the firing became general. Major Crozier, owing to the disadvan-tage at which he was taken, retreated in good order, arriving at the fort at the same time as my narts the same time as my party. Ten civillans of Prince Albert and two policemen were killed, and four civil-aid to the alliance in money, rather lans and seven constables wounded. than troops, because of her distance

who had an advantageous position at were not agreed upon until the 25th,
