## LOCAL BRIEFS.

Tomorrow at noon the real estate men will take luncheon together at the Commercial club.

The useless elevator cage in the Jennings block has been removed and the haliway is much improved thereby.

The dancing party to have been given by company H this evening at the Ar mory is postponed for one week, March 1, owing to the death of Jesse A. Shafer, a member of the company.

East bound tourists from southern California report that Landlord Holmes of the Angelus has all he can attend to in looking after crowds of guests that keep his hotel full all of the time.

A young man who went east from this city several weeks ago, and who is a capable mechanic, was unable to find work at his trade because of the numerous strikes, and has had to enlist in the army in order to live.

Local lumbar dealers report an uncertain market, and say it is hard to pre-dict just what the spring will bring forth. People with money to invest in buildings appear to be waiting largely see what the labor unions propose doing.

Heck Tetford, a lineman employed by the Bell Telephone company, yesterday fell from the barn of F. L. Parker, 824 cast South Temple street, sustaining a bad fracture of the leg. He was re-moved to his home, 38 east Fourth South street, where Dr. Benedict is looking after his injuries.

Services over the remains of Ellas A Sloat, a well known phrenologist, who died at his home in Sugar ward Sun-day night of pneumonia, will be held tomorrow at 3 p. m. from the under-taking parlors of S. D. Evans. Mr. Bloat was born in New York City, Dec. 2, 1822, and was therefore in his eighty second year.

Letter carriers say that the amount of mail delivered in the business cen-ter of the city is now about 10 per cent eavier than it was a year ago at this me. With the increase in the delivery time. service, there is a decrease in the call for postoffice boxes, as business men find it more convenient to have their mail matter brought to them by frequent delivery than to bother with running to the postoflice themselves.

The Finch cafe was the scene last evening of a banquet given by members of Jordan lodge No. 3, I. O. O. F., in honor of fellow members residing at Fort Douglas, who will shortly leave for service in the Philippines. There were 45 guests present, and all were seated at one long table, where they partook of a sumptuous repast, made spicy by informal toasts. H. F. Evans acted as toastmaster and Rev. P. A. Simpkin and John Buckle were among the speakers.

The principals and teachers in the city schools are invited to attend tomorrow lecture in the Flist Congrega. tional church by George B. Hodge, national church by George B. Houge, ha-tional specialist on educational work with the Y. M. C. A. The lecture will be free and illustrated by a stereopti-con. The Y. M. C. A. is making a spe-cialty of educational work among men and boys in its evening schools, and it is proposed to make a specialty of this class of endeavor in Salt Lake as soon as the new building is up.

The Utah Automobile company building a 45x100-foot, two-story livery stable and barn on Market street, of pressed brick and cut stone, to cost \$7,000. The building will be completed by April 1. The president and mana-ger of the company is L. C. Snow, and W. L. Pickard, Jr. in the W. L. Pickard, Jr., is the secretary and treasurer. Mr. Pickard remarked today, in commenting on the automobile situation in this city, that there were now nearly 40 machines here, and that his company has 18 or 20 more sold lar we orders yet to be filled. He holds that extra.

scenery were of the highest degree of magnificence, and the color schemes of the various sets were alone studies. There is no doubt that "A Chinese Honeymoon" will continue to do tremendous business for the remainder of its engagement. . . .

Yesterday's matinee was not given at the Theater after all. At the boxoffice, the "News" was assured after 2 o'clock, that the curtain would rise at a quan ter to 3 and notice was given accordingly. Later it was decided that the performance could not be put on in per-fect shape if attempted, and Mr. Pyper, therefore, decided not to give it at all. Between \$500 and \$600 was re-funded to those who had purchased tickets for the afternoon performance. The Wednesday matinee will be given as advertised. . . .

The Gus Sun Minstrels played to two "crush" audiences at the Grand yester-day afternoon and night. And right well did they please their auditors. Considering how thoroughly threshed is the field of minstraley a semarkably the field of minstrelsy a remarkably fresh and crisp program was given. The bewhiskered jokes and "gags" of a decade ago were conspicuous by their infrequency and an air of up-to-dated-ness pervaded the whole bill of fare, which was served in appreciative fash-ion. There were no notable voices, but most of them had in them the elements that please, and please immensely, Mr. W. C. Stonaker was a successful interlocutor, whose work was made easier by end men who understood their business. Of these, Fred P. Russell clearly surpassed his brother minstrels. Rusell is a capital entertainer and would attract attention in the biggest burnt cork aggregation in the land. Heiler, the bounding wire artist, is a top notch. er, and John Goss is probably the clev-

erest bone manipulator that has ever been seen in Salt Lake. There were other specialists who were strong in in their respective lines and altogether the Sun Minstreis have made a pleasing pleasing impression. They will be at the Grand up to and including Wednesday of this week, with the usual midweek matinee.

The sale of seats for Florence Roberts at the Theater the latter half of this week, opened this morning and the indications are that the favorite star will be greeted by very large and fashionable audiences at every perform-ance. "The Frisky Mrs. Johnson," a clever and witty society play by Clyde Fitch, will be the bill for Thursday and Friday nights, and the powerful emo-tional drama, "Zaza," is announced for Saturday matinee and night.

#### When You Have a Cold.

The first action when you have a cold should be to relieve the lungs. This best accomplished by the free use of Chamberlain's Cough Remedy. This Remedy liquefies the tough mucus and causes its expulsion from the air cells of the lungs, produces a free expectoration, and opens the secretions. A com-plete cure soon follows. This remedy will cure a severe cold in less time than any other treatment and it leaves the system n a natural and healthy con-dition. It counteracts any tendency toward pneumonia. For sale by all druggists.

having in recent years been under the active management of Mr. A. L. Thomas, whose judgment on advertising mat-ters is considered as authoritative by the vast body of publicity users. Mr. Thomas has succeeded Mr. Lord to the presidency and will continue at the head of the firm.

Mr. C. R. Erwin, the new vice president, has been connected with the com-pany for 20 years and is therefore a veteran in the field; associated with him and Mr. Thomas is Mr. A. D. Lasker, the secretary and treasurer.

To give some idea to the public of the growth of advertising as a whole, it might be stated that in two years the business of Lord & Thomas alone has increased one million dollars in the billing, and in the one month of Janu-ary in 1994 this house has booked \$750,000.00 in advertising contracts from the following contacts not the following concerns, whose names household words in the United tes: Anheuser-Busch Brewing States: Ass'n, St. Louis; Siegel, Cooper Com-pany, New York; Woolson Spice Com-pany (Lion Coffee) Toledo, Ohio; Hamliton-Brown Shoe Company, St. Louis, Mo.; Sterling Remedy Company, (Cas-carets), Chicago and New York; the Woman's Magazine, St. Louis, Mo.; Armour & Co., Chicago; Michigan Stove Co., Detroit and Chicago: Union Pacific Railroad Co., Omaha; Chicago, Milwaukee & St. Paul Ry., Chlcago; Rock Island R. #### Cured Cancer.

Mr. W. W. Prickett, Smithfleid, Ills. writes, Sept. 10th, 1901: "I had been suf-fering several years with a carcer on my face, which gave me great annoy-ance and unbearable itcinng. I was using Bailard's Snow Liniment for a sore leg, and through an accident, I rubbed some of the liniment on the cancer, and as it gave me almost instant relief. I decided to continue to use the liniment on the cancer. In a short time the can-cer came out, my face healed up and there is not the slightest scar left. I have implicit faith in the merits of this preparation, and it cannot be too highly recommended." 25c, 56c and \$1.00. For sale by Z. C. M. I. Drug Dent.
