SOME EXCURSIONS FOR JUNE.

Nearly Every Date Taken by Organiza-
tions Anxious for a Summer
outing Next Month.

Both the Salt Lake & Ogden and the
Salt Lake & Los Angeles have gangs of
men out getting the track into first-
class shape for the opening of Lagoon
and Saltair on Memorial Day. The first-
named has followed the pace set by the
big railroads and now has a gang of
Japs replacing rails and ties. Excursion
Agent Bean, in conjunction with
Hugh Rippey, is working up considerable
interest in the forthcoming road
race to Farmington, which has become
an institution during late years.

Saltair already has commenced to
run excursions to the beach although
the regular opening does not occur for
two weeks yet. Last night 200 people
went out to the beach to attend the L.
D. S. U. ball. Tonight a big crowd is
also expected.

The reduction of the fare to 25 cents,
together with the sale of refreshments
this year seems to have the effect of
filling up the dates outside the ordinary
Sunday school and state organizations
which patronize the resort. A committee
of the L. D. S. U. for the state this
morning endeavored to secure a date in
June when they were surprised to find
that the following bookings had been
already made for the month:

June 1—Brigham Young's Birthday.
June 2—University of Utah.
June 3—L. D. S. U.
June 4—Congress's Grand Concert
Orchestra.
June 5—Children's Day.
June 6—Woodmen of the World.

ROCK ISLAND DEAL.

Contract Signed for 99 Years for Track-
age Rights Into New Orleans.

New York, May 14.—After nearly a
year of negotiation, George J. Gould,
on behalf of the St. Louis and Iron
Mountain railroad and the Texas & Pa-
cific railroad, and B. F. Yoakum, on
behalf of the Rock Island-Prisco sys-
tem, have signed a contract by which
the Rock Island-Prisco system will
gain access to New Orleans by track-
age over the Gould system and the
Illinois Central. The contract is to run
99 years. This agreement, however,
between the interests which were last
winter at a point of disruption.

Use of the low grade Gould line will
be granted to the Rock Island-Prisco
system from a point opposite Memphis
to a point opposite Baton Rouge. By
this contract the Prisco will be re-
lieved from building about 35 miles
of road through territory already plen-
tifully supplied with railroads.

From Baton Rouge to New Orleans,
about 25 miles, the Illinois Central
will be used under a similar agreement
to that made with the Gould line.

At New Orleans the Prisco and the
Southern railway will jointly occupy
new terminals which will cost approx-
imately \$14,000,000.

Rock Island-Prisco trains will begin
running into New Orleans by the Mis-
sissippi river route Jan. 1, 1905.

NOVEL SNOW BREAKS.

Chicago, May 14.—The Chicago Great
Western railway company has adopted
a novel plan for protecting its right
of way from drifting snow, which so
frequently interrupts train operations.
The company has ordered several hundred
thousand evergreen trees from an Iowa
nursery and will plant them thickly
along the right of way on all of the
main tracks of the company. In time
the trees will take the place of the
board snow breaks which are continually
getting out of place, need almost constant
repairs and replacing at considerable expense.

"The Drawing Room Route."

C. R. Savage, official photographer
for the Oregon Short Line, who has
just returned from a business trip to
Southern California, has a name for the
San Pedro which could be used to ad-
vantage by the passenger department.
Owing to the handsome equipment of
the Clark road he refers to it as the
"drawing room route."

The Union Pacific main line was
blocked for a few hours yesterday owing
to three cars of a freight train being
derailed at a point a mile and a
half east of Castle Rock.

tered by Thieves Last Night.

Ben Lobbenberg, a tailor, whose rooms
are in the Eagle block on west Second
South, complained to the police today
that last night his place was broken
into and six pieces of blue uniform
cloth stolen. The police are investigat-
ing.

Mrs. James Kirk of 938 south Fifth
West street reported to the police last
night that her house had been entered
and a purse containing a few dollars in
silver stolen. She said she left the
place for only 10 minutes, and did not
take the precaution to lock the door,
believing it unnecessary. When she re-
turned, she missed the purse.

Alexander Winters, a butcher, was
arrested by Officer Evans this morn-
ing on the charge of killing beef with

LONE THUG HURLS ROCKS.

Vicious Attempt to Hold Up Two
Young Men in Ogden Last Night.

(Special to the "News.")
Ogden, May 14.—Tobe and Charles
Foster, two young men employed in
the Union Depot baggage department
in Ogden, were viciously assaulted at
midnight last night by a lone high-
wayman whose purpose was evidently ro-
bbery. The young men were going on
duty and were walking along the track
to the baggage room, when suddenly
they observed a man jump out from
behind a tree, with an oath,
hurling a large rock at them, striking
Tobe Foster a heavy blow. He felt to
the ground the blood flowing freely
from the wound. The robber hurled
another stone which struck Charles
Foster on the head, also cutting a se-
vere gash. The boys, screaming, which
attracted some of the railroad employ-
ees and the help, fled to the baggage
room before he could go through their pockets.

The injuries sustained by the boys
are quite severe. Dr. Conroy, who was
summoned having to put several stitches
in the wounds to close them up. The
boys' clothing was smeared with blood
which flowed freely from the wounds.
The police were notified and Sergeant
Pincock, with several officers, made a
thorough search of the depot grounds,
but were unable to locate the thug, al-
though a fairly good description was
furnished.

Governor Heber M. Wells has been
invited to visit Ogden Decoration day
and speak at the U. of U. services to
be held in Lester Park. The G. A. R.
held a meeting yesterday afternoon at
their hall and decided that they will
not have any special parade, but will
meet at their hall on the morning of
May 20, and march to Lester Park,
where they will hold memorial exer-
cises. They are preparing a good program
of speeches and music. The band may
take part in the day's exercises.

After the services at the park in the
morning, details will be sent to the
cemeteries to decorate the graves.
Postmaster Thomas Davis has re-
ceived a letter from Assistant Postmas-
ter General Bristow informing him that
unless some of the people in the dis-
trict where rural free delivery is now
in vogue make certain improvements,
such as placing numbers on their
streets, boxes and improving the roads,
they may lose the service.

The occasion of writing the letter was
the visit here of two inspectors who
went over the carriers' routes and no-
ticed that the free delivery service had
been extended to territory which was
not complied with the rule of the depart-
ment requiring good roads, sidewalks
and numbers on the houses.

Postmaster Davis was advised that
for the present the carrier service might
be maintained in these districts, but
that in future the service must not be
extended, however slightly, unless per-
mission be first had from the depart-
ment.

The putting on of the two new car-
riers and the general restricting of the
city carrier system may be made the
occasion for enforcing the rules unless
improvements are speedily made.

Even with these districts lopped off
and two new carriers added the office
could find plenty of work for its clerks
in giving more frequent service to lo-
calities that comply with the require-
ments.

The Elfreed Stock company, which
appears at the Grand Opera House next
week, has some good attractions for the
public. They will present Monday "A
Lion's Mouth," Tuesday "Shamandoh,"
Wednesday "Kidnapped," Thursday "A
Woman's Sacrifice," Friday "The En-
sign," Saturday matinee, "Cinderella,"
and Saturday night, "Day by Day."

MINISTERS TO PREACH PEACE.

Are Asked to Present This Sub-
ject to Their Congregations,
Sunday May 22

LETTER FROM MRS. SEWALL.

Recommendation is Endorsed by Young
Ladies' National Mutual Improve-
ment Association.

The following letter relative to peace
meetings in this state, has just been
received by Mrs. Ruth M. Fox from
Mrs. May Wright Sewall, chairman of
the National Council of Women.

My Dear Coworker—You may remem-
ber that at the executive of the Na-
tional Council in February, I notified
the executive that on account of the
pressure of work which I was under
in preparation for the quinquennial at
Berlin, it would be quite impossible for
me to do the work necessary for the
organization of the annual demonstra-
tion in behalf of peace and arbitration.
On May 18, and I asked that you should
elect some one to attend to this work
in my stead, and that you should appoint
a committee of three to become respon-
sible for the arrangements. Although my
report was approved, no action was
taken, and as I gave notice, my own
time has been preoccupied which ren-
dered the annual demonstration an im-
possibility.

After serious consideration, I have
decided to recommend to you the post-
ponement of the demonstration until
October. Besides the reason which I
have already given, there is another
which I wish to mention. The Thirtieth
International congress in behalf of
peace and arbitration is to be held
in Boston the first week of Octo-
ber. It is intended to make of this
a great event. The most distinguished
peace workers from abroad will be
brought over to speak at this congress.
I am one of the committee of arrange-
ments, and at the first meeting of the
committee held in New York on Feb.
13, it was decided to arrange for sub-
sidiary congresses to follow this con-
gress in various parts of our country.
There will at that time be so many
of the most distinguished workers in
behalf of the cause here, that we shall
be able to obtain speakers who will
arouse a great interest, and it seems
to me that if we can organize the
demonstration so that in all parts of
the country on the day that the peace
congress opens in Boston there may be
a demonstration in behalf of peace and
arbitration all over the land, it will be
very effective.

Do not at all recommend
that this demonstration shall be
subject to a change of date from year
to year, and I advise
the change of date so far as I now see
for this year only; and I am not willing
to cut loose from the tradition which
we have already established which will
preserve May 18 as a day sacred to this
cause. I therefore, also recommend
that throughout the country clergymen
shall be asked to present the subject of
peace and arbitration to their congrega-
tions either on the Sunday preceding
on that following May 18, which this
year falls on a Wednesday.

I therefore write to you as a mem-
ber of the committee asking you to take
whatever steps you think proper to se-
cure this service from clergymen not
only of your own community, but in all
of the communities where the organiza-
tion which you represent may have any
workers through whom you may reach
the clergy. I should then like to have
you announce in the organ of your as-
sociation also through whatever
avenues are open to you by means of
the press, the substance of this com-
munication with the reasons for sug-
gesting the change. Not only is my
own work in behalf of the approaching
quinquennial so heavy that I cannot
undertake it, but many of the women
upon whom we rely every year to help
exceedingly heavy plans that are formed
by our committee, will also be going over
to Berlin. Trusting that you may ap-
prove this suggestion, and be active in
helping to carry out the plan with re-
spect to both the work in May and in
October, I am, with kindest regards,
Very sincerely yours,
MAY WRIGHT SEWALL.

We heartily endorse the recommen-
dation proposed by Mrs. May Wright
Sewall in the foregoing, and take great
pleasure in inviting all ministers of
