GETS OFF WITH LIGHT FINE.

Alma P. Hassell Assessed \$90 For Brutal Assault on Peter Wanggaard.

Ogden, April 20.—Alma P. Hassell was convicted of assault by Judge Murphy and fined \$90, the limit, and in passing sentence the court stated that he regretted that a more severe punishment could not be meted out to Hassell. He is the man who on Sunday without cause assaulted Peter Wanggaard in Ogden canyon simply because he took the party to Ogden and back. The charge is that he was assaulting Wanggaard and his companions were mistreating them. They broke Wanggaard's jaw in two places and beat him up terribly. Had the court not been so lenient, a heavier punishment might have been inflicted. Two more charges will be preferred against Hassell for assault and battery on other persons that same day. Similar charges will be preferred against Frank Mitchell and Charles Richards, who attacked Hassell to beat Wanggaard. The evidence at the hearing showed the acts of the men to be most brutal and unprovoked.

WYOMING SHERIFF GETS OFFENDERS.

At the request of Sheriff Jones of Evanston, Wyo., the local law enforcement officers have been directed to place under arrest last evening a man named Charles H. Morris as he stepped from the Union Pacific train at the union depot in this city. He is wanted at Evanston on the charge of grand larceny, having stolen from his room a quantity of clothing. Sheriff Jones is said to have taken him back to Evanston to answer to the charge. The sheriff was accompanied to Ogden by two Japs who positively identify the goods taken from Charles Wilson and G. J. Watson who were arrested here Thursday as their property. The Japs occupied a car at Evanston and were sent to the Aspen tunnel 10 days ago to work. On their return they found that their car had been burglarized and a quantity of clothing stolen, a part of which was found on the two men. They will also be taken back to Evanston to answer to the charge of larceny.

MORE HABEAS CORPUS WRITS.

The Cheapest Form of Health Insurance

YOU can buy Health Insurance now.

Several good "Accident" Companies sell it.

Sixty dollars per year will bring you \$25.00 per week, for every week you are sick.

But, your time alone may be worth far more than that.

And \$200 per week might not pay for your suffering.

That's why "Cascares" Insurance, which prevents sickness, is worth ten times as much money as other "Health" Insurance.

Yet "Cascares" Insurance will cost you less than Ten Cents a week.

That gives you a "Vest Pocket" Box to carry constantly.

One tablet taken whenever you suspect you need it will insure you against 90 per cent of all other ills likely to attack you.

Because 90 per cent of these ills begin in the Bowels, or exist through poor Nutrition.

Cascares don't purge, don't weaken, don't irritate, nor upset your stomach.

No, — they act like Exercise on the Bowels, instead.

They stimulate the Bowel-Muscles to contract and propel the Food naturally past the little valves that mix Digestive Juices with Food.

The time to take a Cascares is the very minute you suspect you need one.

—When you have a touch of Heart-burn, Gas-belching, Acid-tang-in-the-throat, or a Coming-on-Cold.

Carry the "Vest Pocket" Box ready for business where it belongs, just as you would your Watch, Pocket-knife or Lead-pencil.

It costs only 10 cents. At any drugstore.

Be sure you get the genuine, made only by the Sterling Remedy Company, and never sold in bulk. Every tablet stamped "CCC."

FOUR DIVORCES GRANTED.

Judge Howell heard four divorce suits yesterday afternoon in the district court. In each of the cases the defendant permitted the suit to go by default.

The first suit tried was that of Joel Clifford against Mattie C. Clifford. The couple were married Jan. 16, 1899, at North Ogden, Weber county.

Ada M. Draper was granted a divorce from Charles W. Draper on the testimony of plaintiff and Dr. D. G. Taplin concerning the desertion of defendant and his failure to provide.

The bonds of matrimony existing between Sarah Jones and Van W. Jones were ordered dissolved, the defendant having left his wife and failed to provide for her.

The court heard the testimony of Mary A. Smith and Mrs. Elizabeth Parker, that William E. Smith deserted his wife and family months ago and has not contributed anything to their support for months past. The judge ordered the decree entered in favor of plaintiff as prayed for.
