LOOK OUT!
When you go to Market for NICE and TENDER MEATS, Look Out For No. 11, as I have removed from Stall No. 3 TO STALL NO. 11.

THE librarian of one of the public libraries in Berlin, who died recently, in his 80th year, had never been out of that city, and for forty years had never been in any other house but that containing the library and his own home.

JOY TO THE AFFLICTED!
LAUGHING GAS!

FOR the Million! I take pleasure in informing my numerous friends and the Public, that I have been to great expense and trouble in buying the Patent Right for Salt Lake City for the best Nitrous Oxide Gas Apparatus that is in existence, as is proved by its being used by the Royal Families of England, France and Belgium, also by Dr. Colton, in the Dental Institute, New York.

The Gas made by this Apparatus only is absolutely pure, and no unpleasant choking or strangling sensation is experienced, or any disgusting bag used in taking it, but you can breathe perfectly natural every way, and you would not suspect that you were breathing anything but the purest air. It is, in fact, the plus ultra of all methods for the painless extraction of Teeth.

I have a large supply of the same Teeth which took the First Premium in Paris last summer. Also five different kinds of Rubber for inserting Teeth, including the kinds used in England and France.

Particular attention given to preserving the natural Teeth. Terms moderate. Call and see.
Dr. Wm. H. GROVES, 2d South St., Snow's corner.

TO THE MUSICALLY INCLINED,
And to those desirous of Learning Music!

Mrs. WHITE, of Rochester,
TEACHES Robbins' American Method for the Pianoforte, which is so far superior to the old method of teaching the Pianoforte, Melodeon or Organ that its full importance can scarcely be estimated. It is a century ahead of all other methods for the Piano—Pupils acquiring a knowledge of Music in an almost incredibly short time.

References to and letters of recommendations from the most eminent Professors of Music in the East.

Mrs. WHITE is stopping at the TOWNSEND HOUSE for a limited time, where she can be found, and full particulars learned.

NOTICE.
At a meeting of the proprietors of the Five Acre Lots and City Blocks lying north of the Church Pasture, the subject of levying up the banks of the Jordan, and conducting the waters of Kanjon and Emigration Creeks direct to the Jordan River, was taken up and considered and a Committee, consisting of the following persons, was elected: Bryant Stringam, R. T. Burton, R. J. Goding, J. W. Fox, Isaac Groo, Royal Barney and Moses Thurston, to make an examination of the work required to accomplish the same, and estimate the cost to complete the same, and report at a meeting to be held at the 14th Ward School Room, on Saturday, February 15th, at 7 o'clock, P.M. All persons interested are requested to be present.
