"NEWS" WAS RIGHT

In Statement That "Bob" Fitzsimmon Would Go to Paris.

The "News" was right in the statement that "Runaway Ruby Robert" Fitzsimmons would soon go to Paris to see his wife. Bob could not bear to be away from his actress-wife so long, so he has announced his intention of going to her. The following is from George Siler:

Although Bob Fitzsimmons has not announced his retirement from the ring, it is doubtful if he ever will fight again, at least not until he has dropped into the 45 year notch. Fitz took a flying trip to Chicago on Tuesday to attend the wedding of Prof. George Dawson, and told the writer that he would sail for France on Saturday (yesterday), and after a two weeks' stay in Paris would return and prepare to take his theatrical company on the road before Sept. 1. Bob's theatrical tour will carry him into next spring, and as he will celebrate his forty-fifth birthday next June he undoubtedly will be too old to again engage in the game of wallops. His recent fiasco with Mike Schreck soured the old mat magnate on the game and everything pertaining to it.

BARRY LEAVES TODAY.

Accompanied by Manager Greggains He Goes to the Coast.

Dave Barry and Alec Greggains left for the coast this morning. They expected to go yesterday but missed the train and had to wait until today.

Sammy McClintic and his little boxer, "Fighting Dick" Hyland, are still in the city, and will remain here for a few days in the hope of securing a match with either Young Corbett or Eddie Hanlon. The bout will not take place in Salt Lake as there will probably be no more contests of the kind until fall.

McClintic is figuring on a match for Hyland with Eddie Toy, to take place in Ogden during the present month.

Manager Willard Bean said: "I think we can now give the game a rest. The fight fans are all pleased with Monday night's affair, and when we get another match, especially if it is between Schreck and Hart, the saucer will not be large enough to hold the crowd."

AMATEUR BOXING.

Great Interest Manifested in the Events At Fair.

Portland, Or., July 6.—Great interest is manifested in the amateur boxing contests to take place in the baseball grounds tomorow under the auspices of the Lewis & Clark exposition. The entries are many and comprise some of the best boxers in this state and California.

The Multnomah Athletic club boxers have been training faithfully for the past two weeks and are reported in splendid shape.

The Olympic club boxers are in fine fettle for the contests. DeWitt Van Court, the boxing instructor of the Olympic Athletic of San Francisco, will coach his boys. Willie Dwyer is looked upon as a likely winner in the 225-pound class. He is a two-handed fighter and likes the game. That he anticipates a hard fight is evidenced by the manner of his training.

Bobby Lundie will wear the winged "O" in the lightweight division. He has also trained hard and is nearly down to weight.

It is to be regretted that no heavyweight boxer has been found to give battle to Al Kauffman, the Olympic club champion, who came here for a contest. Manager Kerrigan has sought high and low for a boxer to beat Kauffman, but they all shirk.

LOGAN BEATS PARK CITY.

Farmers Took the Final Game from the Miners Yesterday.

Logan, 17; Park City, 10.

That tells part of the story of the final game at Park City yesterday afternoon between the Logan and Park City nines. The game was anything but thrilling. It was exceedingly slow and uninteresting. Mead started in to pitch for the Miners, but was hammered out of the box in the seventh. Spillman took his place. Errors were plentiful. Park City made six, and Logan five. The score follows:

GREAT RACE PROPOSED

Turfmen Want Match Between Sysonby And Cicero.

New York, July 6.—Since Sysonby's victory in the Lawrence realization stakes, enthusiastic admirers of the Keen horse, accepted as the greatest three-year-old of the American turf have expressed the hope that a meeting might be arranged between the colt and Cicero winner of the Epsom derby and star of his age in England. However, racing men assert that that is little likelihood of such a race as Sysonby undoubtedly will be kept busy in this country this summer, and fall with the prospect of being able to earn vastly more money than he could possibly earn in England in any stakes in which he might be entered now.

New Non-Stop Record.

New York, July 6.—At 2 a. m. today G. Wridgway, former holder of the 1,000 mile record, left here in his 24 horsepower automobile in an attempt to make a new non-stop record between this city and Cleveland. Wridgway in this same car recently covered 1,000 miles at the Brighton Beach track in 25 hours 50 minutes which stood as a record until Gus Vaughan's record breaking flight at the empire City track 10 days ago.

AMERICANS BEATEN.

English Tennis Experts Were Too Much For Them in Doubles.

London, July 5.—Beals C. Wright and Holcombe Ward retired today from the all-England double tennis championship, only after what was conceded to be the most magnificent exhibition of lawn tennis ever seen at Wimbledon. S. H. Smith, the Welsh champion, and Frank L. Riseley, one of the best exponents of tennis in England. Their opponents played at top form, Smith's driving being especially brilliant.

In the first set the Americans simply smothered the Britishers, but the effort seemed to tire them, and they lost the second and third sets by indifferent play. The "Brewerks" began in the fourth set, when Wright commenced to play the game of his life, ably assisted by Ward. The Americans won the first four games with the Britishers contesting every point, but in the fast play which continued to the end the Britishers finally got the upper hand and took the set, 9-7.

The summary: S. H. Smith and Frank L. Riseley beat Holcombe Ward and Beals C. Wright, 2-6, 6-3, 6-2, 9-7.

"PENNY" GOSSIP.

Jinks—Can't you always tell a beginner in automobiling?

Spinks—Well, as a rule, you can't tell him much.

Jack Munroe has bobbed up into the ring again. It seems impossible to get him to go back to work.

Patsy Marley, Utah's oldest fighter, is quit ill with the inflammatory rheumatism at his mine east of Lagoon. His old time friends will render him some assistance as he is alone and without funds.

With a gas scandal and two good ball teams Philadelphia has taken its place among the modern and aggressive cities of the country.

Roy Castleton, to local southpaw pitcher, has secured a berth in the Nebraska State league, and will leave here soon for Grand Island. Castleton has been doing good twirling this season, and it is hoped he will more than make good in his new position.

Portland, Or., July 5.—Tommy Burns and Hugo Kelly of Detroit, Mich., have signed articles to fight at Los Angeles on July 25. They will fight at 158 pounds at 2 o'clock the day of the fight. Burns and Kelly fought to a draw at Detroit.

There were no ball games nor golf games nor yacht races one hundred and twenty-nine years ago in America. And for that matter there were no firecrackers or fireworks. But there was a decision rendered in Philadelphia which is more than is done nowadays.

The feature of tomorrow evening's bike races at the Salt Palace track will be a five-mile motor paced race between Iver Redman and Hardy Downing for a purse and a side bet of $100. There will be a three-mile open lap professional, one-mile consolation handicap professional, one-half mile open amateur and an unlimited Australian pursuit race, amateur.

An inventor who devised a folding bicycle but never could make a commercial success of it while the bicycle craze was at its height, is now selling quite a few of them to owners of touring cars. They are carried on back or top of the car, and provide for the emergency of being stalled on a lonely country road. With the bicycle, the chauffeur can go quickly for supplies, or help, which ever is needed.

After winning every race and hill-climbing contest in which he has started, Eddie Bald had a rare opportunity at the recent race meet at Hartford, of living up to his reputation and showing that he is a good loser under "hard luck" conditions. He did it, too. In the final of the club handicap, Eddie was beaten by a stripped car of 30 horsepower, that had been given its heat by a walkover and yet was allowed seven seconds start over Bald, with his 35-40 Columbia, which he drove in full touring form. In another race he won, but was disqualified on a technicality that caused much criticism. He won a five-mile free-for-all and lost the closest race of the day by less than a length. In spite of the luck, Bald's driving was commented on as the real brand. After the races Eddie said: "I was too anxious to win in that passenger race when I was disqualified; but it is time I scored a second. It's poor fun to win every time."

OLD SORES
ROOTED IN THE BLOOD

Old Sores are the result of a deeply polluted, foul blood supply. The blood is filled with poisons, and as it finds an outlet through the ulcer, the surrounding parts become diseased and the sore eats deeper into the tissues and flesh and becomes a permanent trouble.

Some years ago while at work, I fell over a truck and severely injured both of my shins. My blood became poisoned as a result, and the doctor told me I would have running sores for life, and that if they were closed up the result would be fatal. Under this discouraging report I left off their treatment and resorted to the use of S. S. S. Its effects were prompt and gratifying. It took only a short while for the medicine to entirely cure up the sores, and I am not dead as the doctors intimated I would be, neither have the sores ever broken out again, and some twelve years have elapsed since what I have described occurred. Having been so signally benefited by its use I can heartily recommend it as the one great blood purifier.

Salves, powders, plasters, etc., do no good, and the sufferer gets disgusted and often despairs of curing an old sore. The trouble is in the blood and until the poisonous matter that is keeping up the ulcer is driven out the place cannot heal. S. S. S. reaches these old sores through the blood by removing every particle of poison or impurity from the circulation and building up the system. It makes the blood healthy so that as it circulates to the diseased parts the tissues are strengthened and the sore can heal naturally and permanently. If you have an old sore or ulcer do not waste time with salves, powders, plasters, etc., but write for our book and ask for any medical advice you wish. We make no charge for either.

Suffering

Will Not Help Your Disease, but Will Weaken Your Nerves.

Folks who think it is better to bear pain than soothe it—are wrong.

Old-fashioned doctors used to say it was better, because they had nothing with which to ease pain but dangerous, heart-paralyzing drugs.

But now, that a safe remedy has been found, Dr. Miles' Anti-Pain Pills, it is wrong to suffer, for nothing can be gained but weakened nerves.

A safe rule to remember is: When in pain, take an Anti-Pain Pill.

This will soothe your quivering nerves.

Dr. Miles' Anti-Pain Pills relieve pain by restoring the natural secretions, in which they differ from opium and similar narcotic drugs, which relieve pain by checking the action of the glands.

They are sure and harmless, and are the latest medical treatment for the cure of Headache, Neuralgia, Backache, Rheumatism, Dizziness, Toothache, Stomachache, Menstrual (Monthly) Pains. Also nerve irritations like Sea-Sickness, Car-Sickness, Sleeplessness, Indigestion, etc.

Pleasant to take, quick in results.

"I have used Dr. Miles' Anti-Pain Pills for sick, nervous headache, and have received the best results. I heartily recommend their curative properties, for they are successful."—REV. RAY A. WATROS, D. D., Iowa City, Ia.
