maintain the open shop.

Among the buildings on which work will be delayed until other men can be secured is the handsome \$80,000 opera house on Capitol avenue. It is said the grand lodge, carpenters' unlog, refused to sanction the action of the local lodge in ordering a strike, holding that their demands for an increase are not warranted.

LABOR DAY GATHERING.

Celebrated at Sa'tair by Socialist Party of Utah.

The old custom of observing "May day" which has fallen into disrepute in recent years, was revived yesterday by the local Socialists in its original form. Instead of going under the

form. Instead of going under the name of "May day" the celebration was styled that of "The International Labor day." which it is claimed "May day" was meant to be in former decades.

The celebration at Saltair consisted of a program in the afterneon, and speeches and dancing in the evening. In the afterneon "The Marseillaise" was rendered by the Gilbert orchestra, followed by a solo by Mrs. George Fox, a recitation by Mary Watkins, a song and female impersonation by W. L. Aylet, a recitation in negro dialect by George Fox, violin solo by Jeannette Whittick, solo by Martha Coleman, and a cornet solo by H. Hilger.

Terrific Race With Death

"Death was fast approaching," writes Raiph F. Fernandez, of Tampa, Fla., describing his fearful race with death, "as a result of liver trouble and heart disease, which had robbed me of sleep and of all interest in life. I had tried many different doctors and several medicines, but got no benefit, until I began to use Electric Bitters. So won-derful was their effect, that in three days I felt like a new man, and today am cured of all my troubles." Guaranteed at Z. C. M. I. Drug Dept. Price 50c

Sudden Demise of Mrs. Caroline Stoddard at Her Hem: In Milford.

SUFFERED PARALYTIC STROKE

Came to Utah in 1847, and for 32 Years Has Been a Resident Of Beaver County.

(Special to the "News.") Milford, Utah, May 2.-The many friends and relatives of Mrs. Caroline Stoddard, wife of Arvin M. Stoddard of this place, will be shocked to learn of her sudden death, which occurred this morning at her home in Milford Death was due to a severe paralytic stroke, from which she never regained consciousness, her illness being of less than 36 hours' duration. There were present at her bedside when she passed away, several members of the family including Mrs. J. F. Grant of Sait Lake; but the ending was saddened by the absence of four devoted daughters, who are hurrying hither from their respective homes, viz., Mrs. George A. Snow of Chicago, Mrs. James Fennemore of San Diego, Cal., Mrs. Leonard Rice of Parker, Ida., and Mrs. M. L. Stoddard of Cardston, Canada.

The deceased was one of the earliest

The deceased was one of the earliest pioneers to Utah, arriving here July 28, 147. For the past 32 years she has resided in Beaver county, where she was greatly beloved and regarded as a woman of exceptional charm of per-sonality and generous impulse. In sickness and sorrow she was a mother, in-deed, to all, and her passing will co-casion much regret among those who knew her. She died at the ripe age of 79 years and is survived by her husand, now 80 years of age, five daugh-ers and two sons. The funeral will take place Thursday

at 2 p. m. from the old homestead in Milford.

Saved by Dynamite.

Sometimes, a flaming city is saved by dynamiting a space that the fire can't cross. Sometimes, a cough hangs on so long, you feel as if nothing but dyna-mite would cure it. Z. T. Gray, of Cal-houn, Ga., writes: "My wife had a very aggravated cough, which kept her awake nights. Two physicians could not help her; so she took Dr. King's New Discovery for Consumption, Coughs and Colds, which eased her cough, gave her sleep, and finally cured her." Strictly scientific cure for bronchitis and La Grippe. At Z. C. M. I. Drug Dept. Price 50c and \$1.09; guaranteed. Trial bottle free.

STUDENT ELECTION.

Factional Fight at University Growing As Date Approaches.

The factional fight for control of the University of Utah political world commenced yesterday when the engineers followed the combined arts and normals into the field, with a complete ticket. Campaign committees from bethfactions are now at work, and the dis-cussion will be the leading topic of in-terest until after the May elections. The following were named to compos-the ticket: President, Louis Seckels vice president, Allen Spencer; editor of Chronicie, R. A. Hart; secretary, Mr. ginia Bush; treasurer, Earl Havenor student representative on the athleti-council, Fred Scranton.

The presence of the fourth-year mal students as members of the University with power to vote, has made a large difference in the class of men placed on the tickets. Upperclassmen are conspicuous by their absence, while are conspicuous by their absence, while freshmen, who rank with the normals are given prominent places. This situa-tion is unique among colleges, for the freshman is usually debarred from any freshman is usually debarred from any position, and the faction at the University working for senior and junior supremacy is opposed to allowing the normals to longer figure in their fourthyear as college students. Consequently a move will be inaugurated Wednesday next to climisate them. At a student meeting an amendment to the constitution will be proposed excluding all but candidates for the B. A. or B. S. degree from being rated as University students. Any other arrangement, the backers of the move claim, seriously retards the growth of college life, and the securing of a university atmosphere for the campus. Opponents of the move for the campus. Opponents of the move claim that it will give the engineers a balance of power which will place the college life entirely in their hands,

JUDGMENT FOR TAXES. County Attorney Will Test the Law

On This Point. A request has been made upon Couny Clerk Eldredge by County Atty, Christensen to enter judgment against

the Romney Shoe company for \$654.28 alleged to be due the county as taxes for the year 1904. The claim is that un-der section 2595 of the Revised Statutes der section 2595 of the itevised Statutes of 1898, every tax lien has the effect of a judgment. The section under which the county attorney makes the request is as follows:
"Every tax has the effect of a judgment against the person, and every lien created by this title has the force and effect of an execution duly levied

against all personal property of the delinquent. The judgment is not satis-fied nor the lien removed until the taxes are paid or the property sold for the payment thereof." is expected that the matter will be tested in the courts as Clerk Eddredge will refuse to enter the judgment

and the county attorney will bring loandamus proceedings against him and make a test case of it.
