

## TO THE MERCHANTS OF UTAH!

**A. T. GREEN,**

Successor to

**JAMES LINFORTH,****Commission Merchant,**

3 FRONT STREET, near Market,

**SAN FRANCISCO, CAL.**

**MERCHANDISE and MACHINERY** of all descriptions purchased or imported for UTAH TRADERS on the most favorable terms and at lowest current rates.

The near approach of the CENTRAL PACIFIC RAILROAD to the principal business points in Utah, affords an opportunity to merchants to quickly and frequently replenish their stocks at any season of the year.

Many articles of general consumption, both of Foreign production and California manufacture, can be obtained at less cost from San Francisco than elsewhere.

California and Oregon-made Woolen Goods, Blankets, Cassimeres and Clothing, such as underwear and Hosiery, are superior to anything imported and intrinsically cheaper.

Making

**SAN FRANCISCO**

Unquestionably

**The Market for Utah!**

And ahead of all others in the advantages offered.

Actual market quotations and all necessary information furnished to merchants on application.

Having been for the last sixteen years engaged in the Wholesale Trade of this city, and acquired a general knowledge of this Market, and the wants of the Country Merchants, through direct intercourse with them, I feel justified in saying that all orders for Goods, of any description, or any other business intrusted to my care will be attended to with satisfaction to my patrons.

Respectfully soliciting a continuance of the business, as heretofore confided to Mr. Linforth, I beg to refer (by permission) to the following gentlemen.

**IRON  
WARE**

**WE ARE NOW MANUFACTURING, IN CONNECTION WITH THE  
ST. LOUIS STAMPING COMPANY,**

A new line of  
TINNED and POLISHED WROUGHT IRON  
WARE, suitable alike for

**HOUSEHOLD,  
MINERS' OR CAMP USE.**

And take pleasure in calling the attention of Stove, Hardware and general dealers to the many desirable qualities of this NEW WARE, not only as an article of trade, but of UTILITY, combining as it does, NEATNESS, CONVENIENCE and LABOR SAVING in the care of utensils that are in every day use, in the most important of all HOUSEHOLD DEPARTMENTS. We desire and request every housekeeper to see our Tea Kettles, Sauce Pans, Dippers, Dish Pans, Wash Basins, Polished Stew and Fry Pans, as we are sure they have only to be seen to be appreciated.

Many of the articles are made entirely of one piece of wrought iron which, during the process of manufacture, receives several coatings of black tin; this leaves a surface, when finished, perfectly smooth, easily kept clean and entirely protected against rust. The cost is but little more than common tin ware, and every article will do ten times the service. The shape enables us to pack the various sizes in nests so as to occupy but little space, and being but a little heavier than tinware, the cost of transportation is very small. At present our assortment consists in part of

Tea Kettles, Camp Kettles,  
Mess Pans, Dish Pans, Sauce Pans,  
Dish Kettles, Fry Pans,  
Fadles, Dippers, &c., &c.

We are now preparing a new Catalogue and Price List, and we believe Stove and Hardware Dealers will find it to their interest to send for a copy of each before purchasing elsewhere. Address

For the Desert Evening News.

**By Telegraph.****GENERAL.**

Boston.—The Republicans of the fifth Massachusetts district, to-day, nominated Ben. F. Butler for Congress. He received 175 votes, four scattering; the nomination was subsequently made unanimous.

New York.—Advices through army sources, from Marshall, Texas, say the State, in that neighborhood, is overrun by robbers, and that all the roads are unsafe except for considerable armed bodies. A band of freebooters, numbering 110 men, well armed and mounted, are roaming through the country. About the 5th inst., they captured forty government wagons, loaded with supplies. The commanding officer at Sulphur Spring, Texas, which is garrisoned by a small company of the 26th infantry, had sent an express to Gen. Hayden, commanding at Marshall, stating, that if not reinforced, his garrison, which was surrounded, would be slaughtered. A company was sent to his assistance.

The *Avalanche's* Helena letter gives an account of an attempt made by the Sheriff and posse to arrest a negro desperado in that vicinity, who made a desperate resistance, severely wounding the Sheriff and several others, and then escaped to the woods. Soon, fully a hundred men assembled, and scouring the woods, succeeded in finding the negro, whom they hung to a tree.

General C. Hindman, formerly of the Confederate army, was assassinated while sitting in his own house in the midst of his own family, at Helena, last night. Hindman was smoking his pipe, his left hand, which was holding the pipe, being carried away by the charge of buck-shot. A man who formerly served under Hindman, has been arrested on suspicion of committing the deed.

Pittsburg.—An immense democratic mass meeting is being held to-night; Frank Blair is addressing the masses, and German speakers are also addressing the people. There is great enthusiasm, fireworks, &c.

Salem, Mass.—Ben Butler made a speech to the Republican Convention to-day, accepting the nomination. He referred to those who opposed his nomination, classing them with Lee, Forrest, Beauregard and Booth, charging them with raising \$40,000 to defeat his nomination, which he considered equivalent to his election. He recommended these malcontents to send their money into some doubtful State. He considered those who opposed him as deserters from the Republican party; he said the party should be managed as an army, and should welcome recruits and shoot deserters. He denied the rumor that Grant opposed his election. He spoke at some length on the finance question.

Richmond.—A train on the Central Railroad, with three hundred of the 29th infantry aboard, bound for Tennessee, from Washington, ran off the track near Gordonsville, killing four and wounding a large number.

At the Democratic meeting on Saturday night, Gen. Gordon said the south longed for peace, and whatever might be the result of the coming election the south was acquiescent in the will of the United States, expressed through the ballot box, and proposed to submit peaceably to all laws imposed by authority of the government.

Augusta.—Returns from all the towns and cities of the State, mostly official, give the following as the result: for Chamberlin 75,627; Pillsbury 55,455. The aggregate vote is 131,082; Chamberlin's majority 20,172.

Chicago, 29.—General Hubbard, and Mr. Donnelly the opposing Republican candidates for Congress in the second Minnesota district, each claim to have received the regular nomination, and submit their claims to a committee to abide their decision.

Philadelphia, 28.—During the political parade to-day, as the rear of the invincibles was turning the corner of Leveret and Chestnut streets, a collision occurred with the Keystone Democratic Club, in which pistols were freely used, and several persons injured.

New Orleans, 29.—When the vote was taken yesterday on the Governor's veto of the Equality Bill, seven whites voted to pass the bill over the veto, and five negroes voted to sustain the veto.

New York.—A Washington special to-day says that Jeff Davis will certainly be brought to trial next term of the Circuit Court at Richmond. Attorney General Evarts is busy pushing the matter.

Washington, 29.—Dispatches have been received from General Sherman, transmitting official dispatches from
