performed a little work, returning to the cells again in about 15 minutes, when he was astonished to find Lyons hanging to the cell door cross bar. He called for help and quickly cut him down from where he had hanged himself with a leatner belt and handkerchief. Chief Browning quickly summoned Dr. Gordon who was at the jall in a few minutes, but all he could do was to pronounce him dead. Just after Guard Lever left the jall a fellow prisoner named Kennedy says Lyons called over to him and said, "Goodbye boys, I am going to commit suicide," but he thought it was only the talk of a drunken man and paid no attention to him. He heard no noise and supposed he had gone to sleep, which he had done, but it was the sleep that knows no awakening. performed a little work, returning to

sleep that knows no awakening.
Acting Coroner J. D. Murphy was notified and summoned a coroner's jury who viewed the remains and they were then removed to Larkin & Son's undertaking parlors and prepar-ed for shipment east, to his mother, brothers and sisters who live at Dor-

chester, Mass.
The coroner's jury, after hearing the testimony of the officers, and that of his wife, which was in keeping with the facts above mentioned, brought in a verdict that "he came to his death by hanging himself during tem-

porary aberation of mind."

Lyons and his wife came to Ogden about a month ago and have been living at the Gasberg place. He was an electrotype man by trade, was eduto the engine room and i cated and came from a wealthy fam- | machinery for their properties.

SKEEN AFTER BROWNING.

Wants Ogden's Chief of Police Removed.

Ogden, Dec. 12.—J. D. Skeen, who has been trying to reform the city and county government for considerable time, has decided to direct his attention to the police department. In a suit brought by him yesterday against Chief of Police T. E. Browning, he asks for the removal of that official because of his failure, according to the allegations, to stop gambling, running of slot machines and other devices of chance within the city limits. He also chance within the city limits. He also charges the chief with violating the law by letting parties go after having been arrested, on ball, before their arraignment before a justice of the peace or municipal judge. His complaint is lengthy and sets forth numerous alle-

WANTS COAL FOR ELY.

D. W. Ellis, Formerly of Ogden, Now

A Resident of Nevada. Ogden, Dec. 12.—Daniel W. Ellis, former county recorder of Weber county, but now a prominent mining man and real estate dealer at Ely, Nevada, is in Ogden for a few days in company with his partner. Lieut. Gov. Deckerson, and Thomas O'Neill. He states that Nevada is ablaze with mining and that the towns of Ely and Goldfield are having a land boom. In Ely land that could be bought for \$425 per lot a year ago, is now bringing from \$5,000 to \$6,000. Money is plentiful and everything is high. All kinds of fuel is very scarce at Eiy. Wood is bringing \$10 per cord and at the present time coal is out of the question, in fact one of Mr. Ellis' duties at Ogden is to endeavor to get two car loads of coal for the town at once. In company with his partner, he will go to Salt Lake City to buy an immense amount of mining

School delivered a splendid and scholactive delivered a splendid and scholarly lecture on, "What Can Be Done to Get Boys and Girls Between 18 and 18 Years of Age, Who are Now Idle in the Streets." She placed the blame on the parents and said that every boy should be given an opportunity to become a man, even at the sacrifice of a few pairry dollars. It would pay some man to spend \$1,500 or \$2,000 to establish a public library in Salina. The amount wasted in theater going in one year would build a structure and equip a library. How much money is spent for good reading matter? How much is spent for theatrical and other light

musements?

Prof. Paul occupied the remaining time of the session in an address on nature study, saying that his plan, new and untried as it is, had the sanction of all great educators and must succeed. A 45-minute session was held Saturday afternoon at which the professor appeared to good advantage in a continuation of his subject, showing the beautiful relationship between poetry and nature study.

ARE YOUR KIDNEYS WEAK?

Thousands of Men and Women Have Kidney Trouble and Never Suspect It.

To Prove What the Great Kidney Remedy, Swamp-Root, Will Do for YOU, Every Reader of the Deseret News May Have a Sample Bottle Sent Absolutely Free by Mail.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys begin to get better they will help all the other organs to health. A trial will convince anyone.

Didn't Know I Had Kidney Trouble

"I was out of health and run down generally; "I was out of health and run down generally; had no appetite, was dizzy and suffered with headache most of the time. I did not know that my kidneys were the cause of my trouble, but somehow felt they might be, and I began taking Swamp-Root. There is such a pleasant taste to Swamp-Root, and it goes right to the spot and drives the disease out of the system. It has cured me, making me stronger and better in every way, and I cheerfully recommend it to all ery way, and I cheerfully recommend it to all sufferers."

Mrs. A. L. Walker, 331 East Linden St. Atlan-

Weak and unrealthy kidneys are responsible for many kinds of diseases, and if permitted to continue much suffering and many fatal results are sure to follow. Kidney trouble irritates the nerves, makes you dizzy, restless, sleepless and irritable. Makes you pass water often during the day table. Makes you pass water often during the day and obliges you to get up many times during the night. Unhealthy kidneys cause rheumatism, gravel, catarrh of the bladder, pain or dull ache in the back, joints and muscles; make your head ache and back ache, cause indigestion, stomach and liver trouble, you get a sallow, yellow complexion, make you feel as though you had heart thouble; you may have plenty of ambition but now you may have plenty of ambition, but no strength; get weak and waste away.

To overcome these troubles take Dr. Kilmer's Swamp-Root,, the world-famous kidney remedy In taking Swamp-Root you afford natural help to Nature, for Swamp-Root is the most perfect healer and gentle aid to the kidneys that has

HOW TO FIND OUT

If there is any doubt in your mind as to your ondition, take from your urine on rising about four ounces, place in a glass or bottle and let it stand twenty-four hours. If on examination is is milky or cloudy, if there is a brick-dust set-tling or if small particles float about in it, your kidneys are in neeed of immediate attention.

(Swamp-Root is pleasant to take.)
