

E. H. HARRIMAN IS COMING WEST

Railroad Magnate is Scheduled To Visit Utah in the Near Future.

TO LOOK OVER PROPOSITION.

Salt Lake Route Troubles, Salton Sen, Salt Lake Depot and Other Matters Claim Attention.

Advice from the east are to the effect that E. H. Harriman, magnate, is coming west on a visit to look over his various properties and interests extending from one coast to the other.

Why should Harriman come west? Well, it is quite generally known that he is interested in the well being and smooth running of the Salt Lake Route through the Meadow Valley Wash and further toward Los Angeles.

The last time Mr. Harriman came west was exactly a year ago, when he made his record trip across the continent following the San Francisco disaster.
