James D. Blaine Nominated for Sen-Btop.

AUGUSTA, Maine, 4.-Hon. Jas. demagogues, who would threaten internecine war, with the ruin and G. Blaine was nominated by the desolation to the country which republican legislature in caucus would follow. It would be a great this evening for the short term in the United States Senate, and also for the full term of six years, be-ginning March 4, 1877. Both nom-that Congress and the country inations were made by acclama- should be diverted from their line tion and amid great display of en- of duty by a ravenous crowd of members present rising when the question was submitted. This is the first time a candidate for sena-tor in Maine was ever nominated by acclamation at his first election, and this exceptional method was can live, and, as I hope, prosper, un-selected as a special and emphatic der either Tilden or Hayes. It can-compliment. Blaine's name was not and must not be drawn to an presented to the caucus by General ordeal which all law-abiding citi-Hyde, President of the Senate, and zens would deprecate, and to arrest seconded by Mr. Neally, Speaker of which they must, and I know they the House. Several eulogistic will, stand together. In conclusion speeches were made in addition by leading members of both branches said they would submit to no comleading members of both branches of the legislature.

## The South Carolins Committee.

CHICAGO, 4 .- The Times Washington special says Sayler, chairsome of his jviews. The constituman of the South Carolina committion did not confer on the President tee, states their report will show of the Senate power to count the that the entire democratic State vote. He thought this was not the ticket and the majority of the members of the House of Representatives were elected by from two to though Sayler has some doubt of this. All decent republicans in South Carolina admit that Hamp-separated to decide the matter, the ton is elected, and favor his inaugu-
