THE SILVER PEAK.

Camp Near Goldfield Shows Good Values In Gold and Copper.

The Goldfield News says that 17 miles northwest of Goldfield, in the Silver Peak mining district, W. F. Bond & Co., J. H. Allen and J. G. Brown have n group of five claims-the American Boy, Last Chance, Silver King No. 1, Silver King No. 2 and Silver King Fraction. The ledge on the American Boy opened up by a series of open cuts, nbows ore for a distance of 500 feet on the surface. The ore goes from \$40 to \$160, the values being in gold, sil-ver and copper. On the Silver King fore land one has been seried on the fine lead ore has been opened up, two pssays showing 68 per cent and 75 per cent lead. A force of men, under Supt. Al¹en, will start work immediately, and the owners expect to extract enough ore in sadulon to what is on the dump, to a shipment within a week or 10 days

The Gold Bond Mining company has teen incorporated to operate the Tin-horn group of five claims, favorable mention of the development of which nave been made several times in these columns. The officers are: R. L. May-field, banker of Shreveport, La., presi-dent; W. H. Clark, capitalist of Salt Lake City, vice president; W. F. Bond, broker of Goldfield, secretary and treas-

day consisted of four cars of ore from Tintic, two from American Fork and pao from Alta.

The stamps at the Mammoth mill have been hung up, pending a more satisfactory solution of the milling problem.

Senator William M. Stewart of Ne vada is becoming interested in Tono-pah, where he proposes to locate and open law offices.

Samples of ore from the Butler-Liberal mine at Bingham, show the presence of 14 per cent copper and 18 ounces silver to the ton.

Wabash of Park City, which yester-day created a mild sensation in the exchange, is said to be in the midst of important development.

Col. W. L. Wiswall of the Greene Reduction Co., came in yesterday with the first clean-up at the Geyser-Marion, with which he is very much pleased.

Manager H. S. Joseph of the Carisa, reports that property in splendid con-dition, and says that a shipment of high-grade ore from the recent strike

will be on the market in a few days. James W. Nelli, general manager of the Heinze interests in Montana, ar-When pressed for news Mr. O'Nelli said he had none, but that everything north

was running smoothly. John Dern, president of the Con. Mer-Cur Mining company, left today for Fremont, Neb., for the purpose of ac-companying Mrs. Dern to this city. The latter has been ill there for some past, but has now recovered cufficlently to be brought home.

President Charles M. MacNeill and 'reasurer Spencer Penrose of the Utah 'opper company, are at present in Singham examing the holdings of that It is understood that as a company. It is understood that as a result of their visit more extensive development will be inaugurated, and addition to the mill may also be decided upon.

Tonopah Sun: Ore worth 50 cents a bound was recently sent to the Reno sampler from the Jump Up Jos mine in the new Masonic district near Bodle. The Bridgeport Chronicle-Union states that there were just 1.650 pounds of the rock, in twenty-eight sacks, and it proved to he worth \$850. The property is likely to be sold to Denver parties as an option has been given.

ORE AND BULLION SOLD FOR \$522,600.

The settlements for ore and bulllon through McCornick & Co. during the week aggregated the sum of \$522,600, as follows:

Ore and Base Gold Concentrates. Bullion, Bullion Nov. 12...\$ 22,000 \$ 29,100 \$..... Nov. 14... 106,700 35,500 9,809 Nov. 15... 29,300 Nov. 16... 41,500 $\frac{40,200}{38,600}$ 3,100 35,900 48.500 Nov. 18... 43,300 _ 39,700

Totals ...\$291,300 \$218,400 \$12,900 The coppor smelters at Murray and Bingham Junction produced close to 1,000,000 pounds of copper this week, the exact figures being 989,537 pounds. The Ulah Consolidated was away in the lead, while Bingham Consolidated came second in the list, as follows: Pounds.
