SPOKANE, WASHINGTON.

Death of Little Myrtle, Daughter of James Casey.

Special Correspondence. Spokane, Wash., Aug. 12 .- We regret to announce the passing away of our young sister Mrytle, only daughter of Brother James and the late Mrs. Casey. of Dartford, Wash., a native of Walla Walla, aged 7 years. All the love and care which could be bestowed by so-licitous friends, were lavished on the little sufferer, but it seemed as if the thinda E. Moench, are in Payson, Utah, Mrs. Gunda Anderson and family, of Ogden, are spending a week with rela-tives and friends in Cache county. Lord had designed higher and better things for her future; so she was laid to rest in the Dartford cemetery on Saturday, August 10, the funeral being A marriage license was granied to Henry Blaylock, 19, and Miss Ethel Marble, 18, both of North Ogden, Weattended by sorrowing friends, among Deputy Sheriff Wild, of Summit counwhom were the "Mormon" Elders, rep-

ty is in Ogien on the lookout for a band resenting the Church of Jesus Christ of horses stolen from that county a Latter-day Saints in Spokane. The services were conducted by Elder N. C. Jorgensen, assisted by Elder Sewall, Elder Walker, Elder Stephen-son, Elder Toyn and Elder Spackman.

who joined in fervent and touching prayer and speech in the memory of Mesdames C. H. Wells and W. D. Beck, of Chicago, were Ogden visitors today, the guests of their cousin Hyrum their dearly loved sister. The brethren spared no pains in striving to assuage the grief of the

stricken relatives, especially the almost inconsolable father, our esteemed Maggie and Edna Hull, of Salt brother, Mr. James Casey, with whom we all most deeply sympathize.

> Mrs. S. H. Allport, Johnstown, Pa. says: 'Our little girl almost strangled to death with croup. The doctors said she couldn't live but she was in-stantly relieved by One Minute Cough Cure.-F. C. Schramm, Prescription Druggist, McCornick building, corner Main and First South streets.

> SCIENTIFIC MISCELLANY.

The heliograph and the wireless telegraph would have an astounding devel-

opment on Mars if the surmises of some credulous people were true. A bait of fat is placed on an elec-trical wire, which is so connected with a camera that when the bait is re-DEPOSITS \$2,715,718.09. noved the camera shutter is released, giving an instantaneous exposure of a sensitive plate. An excellent portrait of the song thrush is among the inter-esting results that have been shown.

The arangement may be used with other timid creatures, and for getting sictures of noctural animals the electrical wire can be made to ignite a little magnesium as it releases the shut ter, giving a strong light at the instant

A curious observation has been made

by a German bacteriologist in a study of the micro-organisms of a constantly

used swimming bath. The number of bacteria was found to increase reg-

ularly during the first day after the bath was newly filled with water, and

then to decrease constantly. There was evidence that the decrease could not be

due to the action of light, nor to sedi-mentation, nor to the lack of food. The conclusion reached was that it re-

sulted from struggle of bacteria with each other, many being destroyed.
