

## PROSPECTUS.

## DESERET NEWS.

MOTTO—"TRUTH AND LIBERTY."

We propose to publish a small weekly sheet, as large as our local circumstances will permit, to be called "*Deseret News*," designed originally to record the passing events of our State, and in connexion, refer to the arts and sciences, embracing general education, medicine, law, divinity, domestic and political economy, and every thing that may fall under our observation, which may tend to promote the best interest, welfare, pleasure and amusement of our fellow citizens.

We hold ourselves responsible to the highest Court of truth for our intentions, and the highest Court of equity for our execution. When we speak, we shall speak freely, without regard to men or party; and when, like other men, we err, let him who has his eyes open, correct us in meekness, and he shall receive a disciple's reward.

We shall ever take pleasure in communicating foreign news as we have opportunity; in receiving communications from our friends, at home and abroad; and solicit ornaments for the "*News*" from our poets and poetesses.

The first number may be expected as early in June as subscriptions will warrant—waiting the action of 300 subscribers.

Terms, 6 months; \$2,50; *invariably in advance.*

Single copy, 15 cents.

Advertising, \$1,50 per square and 50 cents each succeeding insertion. \$1 for half square, or 8 lines.

TRAVELLERS AND EMIGRANTS, 25 cents per copy, with the insertion of their names, place of residence, time of arrival and leaving. Companies of 20, and upwards, entered at once, 20 cents each.

A paper that is worth printing, is worth preserving; if worth preserving, it is worth binding; for this purpose we issue in pamphlet form; and if every subscriber shall

preserve each copy of the "*News*," and bind it at the close of the volume, their children's children may read the doings of their fathers, which otherwise might have been forgotten; ages to come.

WANTED, at our office, flour, wheat, corn meal, butter, cheese, tallow and pork in exchange for the *News*.

Post Office open each Sabbath from 12 to 1 o'clock, P. M.

OFFICE OF DELIVERY.—The *News* will be delivered at the Post Office. Subscribers from distant parts of the valley to order, but, for their convenience, we propose to forward packages, as we may have opportunity, to ANSON CALL, North Canyon Ward; DANIEL MILLER, North Cottonwood; ISAAC CLARK, Brownsville; JOEL JOHNSON, Mill Creek; WILLIAM CROSBY, Cottonwood; ISAAC HIGBEE, Utah Valley; PHINEHAS RICHARDS, San Pete Valley; EZRA T. BENSON, Tooele Valley; and request them to act as our Agents. Subscribers will do well to inform us, or the above Agents, where they will receive their papers.

City Subscribers can have their papers delivered for an additional 50 cents for the term; provided enough wish it, to employ a carrier.

THE GOLD—GAMBLERS. The New York Tribune says, an intelligent friend, who enjoyed good opportunities for information in San Francisco, estimates the amount of gold in the hands of gamblers alone of that city on the 1st of January, (our latest date) at Fourteen Millions of Dollars.—These "sporting men," by the way, have done the largest business of any class of operators in California during the last year.

They subscribe liberally to new churches, and assume the character of public-spirited citizens.
