FLOATING FRAGMENTS.

City Council in regular session to-night.

Judge P. H. Emerson is down from Ogden.

The Fair in the Theatre is so far a splendid success. It will last through the week.

Calder's opening, at the new music store on First South Street, last evening, was a splendid affair.

A man was shot at Frisco on Saturday night. The trouble grew out of evidence given at the Mahoney murder trial.

Mass meeting at the Twentieth Ward Meeting-house on Friday night. "Rock Railroad" will be up for discussion.

It is not probable that the City Council will decide upon the matter of right of way for the "Rock Railroad" this evening.

A party of Salt Lakers left this morning on a three days' hunt in Cedar Valley via, the Salt Lake and Western Railway.

A variety entertainment, for the benefit of the people, will take place in the 10th Ward hall, on Monday night, Dec. 20, under the auspices of the Deacon's Quorum. A fine programme.

The *Busy Bee* is the title of a little journal, the first number of which is just out. It is "dedicated to the workers in the human hive of Deseret and elsewhere," and will be published gratuitously and occasionally by C. R. Savage.

LOCAL AND OTHER MATTERS.

Installed.—Mr. John C. Cutler is duly installed in the office of County Clerk of Salt Lake County, to which he was elected last August.

Seventies' General Meeting.—The Seventies will please take notice that a meeting will be held at the Social Hall, to-morrow evening, at 7 o'clock.

ROBERT CAMPBELL, Clerk.
On behalf of the First Presidents of Seventies.
Salt Lake City, Dec. 18, 1883.

The Continental Hotel Suit Ended.—The case of Elizabeth M. Townsend vs. W. H. Hooper and W. Jennings, involving the title to the Continental Hotel, was decided yesterday in the Supreme Court of the United States, the decision of the lower courts being sustained. The case has gone in favor of the respondents, Messrs. Hooper and Jennings, all the way through the courts.

Wood Army—A Nephi correspondent informs us that about two weeks ago the Young Ladies' Association of that place offered to get up a dinner and dance, for all young men who would haul wood for the poor and aged and also to the Tabernacle. Accordingly a regiment of one hundred, mostly Deacons and members of the lesser Priesthood, hauled fifty loads of wood and distributed it under the direction of the Bishops of the several Wards. On Thursday, December 13th, the ladies performed their part of the contract by getting up a splendid feast, followed by a dance in the evening.

Christmas Theatricals.—The dramatic combination, including Carrie Cogswell, A. Adams, Lizzie Platt, and McKenzie, Margetts and Lindsay, with a well selected company, will appear at the Salt Lake Theatre on Christmas in two performances of H. J. Byron's powerful melodrama, entitled "The Lancashire Lass. This is the piece in which the tragedian Mr. John McCullough created so profound a sensation during his first engagement in this city. In the hands of the combination, with good auxiliaries, we are safe in predicting a fine entertainment.

Robbers Caught.—Bitten by a Dog.—The Butte *Miner* of the 16th inst. has the following:

The parties who robbed Eddy, Hammond & Co's store in Stevensville, were captured last night on the Rock Creek trail leading to Phillipsburg. They showed fight, and one of them named Clark was killed, the other two were brought into town to-night and are now in jail. One of them is Martin Fitschen, formerly of Butte; the other one is named Beck. The preliminary examination takes place to-morrow.

On Friday afternoon as little Addie Schlessinger was returning home from school, when at the corner of West Broadway and Montana street, a large dog, belonging to George P. Bretherton, attacked her, throwing her to the ground and biting her face and eye. The lid of the eye was terribly lacerated, and it is feared the child will bear the marks of the dog's teeth through life.

Obsequies.—The funeral services over the remains of Elder Alex. Neibaur, were held in the 13th Ward Assembly Rooms at 11 a.m. to-day, Elder Francis Platt presiding, in the absence of Bishop Atwood, who was out of town. There were the usual singing exercises and prayer was offered by Elder C. V. Spencer.

President Joseph F. Smith was the first speaker. His remarks were consoling and instructive to all who listened to them, the integrity of the deceased being specially dwelt upon, and the blessings he had secured through faithfulness eloquently portrayed.

President George Q. Cannon next addressed the congregation in a similar strain, holding the assemblage in almost breathless attention.

The benediction was offered by Bishop L. D. Young.

The singing exercises were ably conducted by Brother C. J. Thomas.

Music Hall Dedication.—The dedication of the Salt Lake Music Hall took place, as announced, last evening. There was a large number present by invitation, and the services were of a very interesting character. The opening feature was an instrumental selection by Professor Thomas' Theatre Orchestra, followed by a hymn from the Fifteenth Ward choir, after which Brother T. C. Griggs, one of the proprietors, made a few remarks explaining the object for which the building had been erected, i. e., music, social parties, etc., stated that no liquor would be allowed on the premises, and that the entertainments presented there would be under the superintendence of the Ward Bishopric.

President A. M. Cannon offered up the dedicatory prayer. Speeches were then made by Bishop Joseph Pollard, Bishop R. T. Burton, President A. M. Cannon and Elder C. W. Penrose. The programme which followed included a recitation (composed by President John Taylor many years ago) by Counselor Jos. E. Taylor; a violin solo by W. C. Clive, a cornet solo by J. Keddington, a piccolo solo by J. H. Smith, a song by Mrs. M. C. Hull and renditions by the Glee Club, and the Giles Orchestra. The exercises commenced a[illegible] before 8 p. m., and were through with a few minutes after 10 o'clock.

"Iolanthe."—A very enjoyable entertainment was given last evening at the Opera House, in the presentation for the first time in this city of the comic fairy opera "Iolanthe," one of the most eminent successes of the prolific author W. S. Gilbert, Esq., and the no less fruitful composer, Sir Arthur Sullivan. The audience, while not immense, was large and appreciative, neither of which is a matter of surprise in view of the excellent quality of the entertainment.

"Iolanthe" is a satire on English parliamentary customs, and sparkles with wit and overflows with melody. The Chicago Church Choir Company are, as a body, fine singers, the chorus especially being strong, full and capable. With two or three exceptions they are not first-class actors, but one almost forgets this in the interest afforded by the libretto, the excellence of the music and the really fine manner in which it is rendered by the Orchestra no less than the vocal portion of the company. The best sustained characters were Phillis, the Fairy Queen, the Lord Chancelor, Lord Mt. Ararat, and Private Willis, although the singing of some others was quite as good where they had opportunity, and they only fell below in dramatic ability. The "Pirates of Penzance," a favorite here, will be produced this evening.

Right of Way.—At a session of the County Court of Davis County, held at Farmington yesterday, C. F. Annette, Esq., the General Manager of the Rocky Mountain Bell Telephone Company, through Mr. Charles E. Pearson, attorney for the company in Davis County, presented a petition for the right of way through and over the public roads of Davis County.

The petition was referred to a committee consisting of Selectmen Rouche and Knowlton, and Joseph Barton, Esq., County Engineer.

There has been a great deal of complaint that the poles of the Telephone Company, erected in Davis County, are placed on the highway running through the county, in such a manner as to make it dangerous for persons traveling with teams along the road after dark.

Mr. Pearson informs us that it is Mr. Annette's intention, upon the granting by the court of the right of way petitioned for, to remove all poles that may be found to interfere with the travel, as near to the side of the road as safety to the line will permit, and thus obviate all cause of complaint by the traveling public. This will also protect the company from a repetition of such suits for damage as the one lately settled by them in Davis County.

Not Allowed to Disagree.—The Beaver *Record* says that the jury in the Callahan murder case came into court at noon on Wednesday last and reported that they were unable to agree, and requested that they be discharged from the case, they having been out something over 20 hours. This request Judge Twiss sternly and very properly rejected, and after delivering his written instructions, previously given orally, to the foreman, sent them back, with the information that if only questions of law had arisen, the court would answer them at any time. The jury retired, and in a short period came into court again, this time with a verdict against Patrick Calishan for murder in the second degree. Pending the hearing of arguments on a motion for a new trial, sentence was deferred until some time in February.

Anti-Railroad Mass Meeting.—The following has been handed in with a request to publish it:

"Residents of the 18th, 20th and 21st Wards who are interested in the question of the construction through said Wards of the proposed Salt Lake City and Camp Douglas Railroad are respectfully invited to attend a mass meeting to be held at the Twentieth Ward School-house, on Friday evening next at 7:30 o'clock.

HENRY C. FOWLER,
HADLEY D. JOHNSON,
WM. SALMON,
GEO. REYNOLDS,
B. H. SCHNEITLER."

The Catholic Fair.—The Fair at the Theatre for the benefit of the Catholic Hospital was opened last evening, the Fort Douglas band being in attendance. It is a brilliant affair. To-night, Mr. T. A. Lyne, the veteran actor, gives a recitation, and also the young ladies of St. Mary's Academy.

J. W. Burnham et al., vs. A. W. Cooley, et al.; demurrer to complaint, confessed and ten days to answer.

Wm. Brown vs. J. J. Burnwood; motion to place case on trial calendar for trial. Submitted. Court adjourned till Wednesday at 10 o'clock a.m.

A Caving Bank.—Two men named respectively Thomas Lawson and John H. Smith, members of the city road gang, were seriously injured about 9 o'clock this morning, while working at a gravel bank in 11th Ward. They were under the bank digging when a mass of the bank fell from above, a distance of about [illegible] feet, a portion of it striking Lawson on the back and the other part falling upon Smith's head. The former was severely injured in the chest, and the latter badly cut about the face and crown. A conveyance was called and they were taken to the Deseret Hospital, where they were attended to by Dr. M. P. Hughes.

Last Night's Thieveries.—Sneak thieves were out in force last night. The town is full of them. Mrs. Bishop Tuttle's clothes line, 12th Ward, suffered to the extent of eleven articles of ladies' wear and other items of children's apparel, and Mrs. Dix, next door to the Episcopal Church, also had her clothes line robbed.

Mrs. Benites, of the California House, last evening rented a room in her house to three men. This morning the chamber-maid entered the room to make up the bed, when it was discovered that the bedding was gone and the men as well.

A Druggist's Story.

Mr. Isaac C. Chapman, Druggist, Newburg, N.Y., writes us:" I have for the past ten years sold several gross of Dr. William Hall's Balsam for the Lungs. I can say of it what I cannot say of any other medicine. I have never heard a customer speak of it but to praise its virtues in the highest manner. I have recommended it in a great many cases of Whooping Cough, with the happiest effects. I have used it in my own family for many years; in fact, always have a bottle in the medicine closet ready for use." d & w.

A healthy body is indispensable to a vigorous mind. A bilious and dyspeptic man, whose blood drags sluggishly in his veins; can neither think clearly nor act wisely. Ayer's Pills will stir up the liver, excite the stomach and bowels to activity, open the pores of the system, renovate the blood, and restore a healthy tenement for the mind.

An effectual purifier of the blood, as well as of the entire system. Physicians in this section very often recommend it." d&w.

A GENUINE AFFAIR.

Our readers can rely upon it that if they have any rheumatism in the system, they can by using Britannia become entirely cured. This is no fiction. A great many persons have tried it in Salt Lake City and Ogden, and other parts of Utah whose testimony can be privately obtained, and who say that no remedy ever reached the disease before. It removes pain at once. It conquers the cause of the pain, and removes, it builds up the general health. It acts mildly on the bowels, and strengthens the kidneys. It gives an appetite and a relish for food, and prevents its souring on the stomach. Just try a bottle, and you will never want to be without it in the house as a family medicine. Sold at Z. C. M. I.
