

MOTHER OF TEN CHILDREN FREE

Hattie Higham Testifies to Cruelty of Her Husband.

THIRD ATTEMPT ALSO FAILS.

Edith Coult Tells of Three Weeks in Her Married Life and Receives Some Alimony.

Mrs. Hattie D. Higham, a middle-aged woman and the mother of 10 children, introduced a black eye and a discolored face as mute evidence of the cruelty of her husband, Archibald Higham, yesterday afternoon and obtained an interlocutory decree of divorce in Judge Morse's court. Before any alimony will be granted four of the 10 children, who are over 10 and under 21 years of age, will be brought into a court of record to choose the parent they want to live with. Four of the children who are under 10 years of age were awarded to the custody of the mother and two are married.

The action for divorce was brought about a month ago by Mrs. Higham, who charged that her husband had been convicted of a felony and was out on parole. Since he was paroled last February, Higham has lived with his family and assisted in their support. Last Wednesday night Higham attacked his wife for remaining away from home until 9 o'clock at night. He accused her of being drunk, but she testified that she only had two glasses of beer.

SHE WOULD HAVE KILLED HIM.
"If I could have got a revolver," Mrs. Higham declared on the witness stand, "I would have killed him when he attacked me and beat me with his fists."

Then she told of their troubles before he was convicted of forgery and sentenced to three years. She said that she had considerable property when they were married but that she had lost the money in business enterprises. They were married on Oct. 14, 1882.

Mrs. Edith H. Coult, whose husband, Joseph Coult, turned her out of his house and thus compelled her to become a county charge, was granted \$20 a month temporary alimony by Judge Morse pending the trial of her case in which she charged him with non-support. She established her evidence that Coult was the owner of 40 acres of land in Sandy and with his team earned \$3 a day.

HER THIRD VENTURE.

This was her third marriage and she had two minor children by a former marriage. Coult is the father of five children by a former marriage, his wife having died six months before he married again.

Mrs. Coult's first husband, J. E. Comstock, was drowned, she believes. Before she married G. E. Griffin she secured a divorce from her first husband to make sure that the ceremony was legal. After living with Griffin for three years she secured a divorce on the ground of non-support. She was married to Coult on July 23, 1908.

WOULDN'T ANSWER LETTERS.

Conrad Whiting secured an interlocutory decree of divorce from Aurora Whiting on the charge of desertion. Mrs. Whiting was apparently happy until one day about a year ago when her husband went to Park City to take a position which had been offered him. The position had been filled and he returned to Salt Lake the same day and told his home deserted. He heard from her several months later in Springfield, Ill., where her family lives. He begged her to come back in a number of letters but she refused to answer them. They were married on April 28, 1903.

HAPPY SIX WEEKS.

Deserted six weeks after her marriage, Mrs. Elizabeth Atkinson was granted a divorce yesterday from her husband, Philip Atkinson. He is now in Bingham, where he has been living for a year. She has lived with her parents in Union and was restored to her maiden name, Elizabeth Wilson. They were married April 25, 1908.

PLAINTIFF GRAY HAIR.

Mrs. Ella Barton, a gray-haired woman, was given an interlocutory decree of divorce from Eugene Barton, who has failed to support her for two years. Barton is in Bingham canyon working in the mines and Mrs. Barton will now make her home with her daughter. They were married on Feb. 2, 1882.

TOOK MONEY AND LEFT.

Mrs. Evelyn Thomas, who conducts a roominghouse in this city, was given an interlocutory decree of divorce from Frank Thomas on the ground of desertion. He is now in Canyon City, Colo., where he has been for the last two years. According to her statement, Thomas drew all his money, about \$3,

FOR FIVE YEARS HAD KIDNEY TROUBLE

Was Finally Relieved by Peruna. Other Cases Cited.

"I had kidney trouble for five years. Your Peruna was recommended to me and I tried two bottles. I have not used it since, nor have felt a pain. I believe that I am well. I therefore give my highest recommendation to the curative qualities of Peruna." So says Mr. Alexander Morin, Box 9, Newport, Michigan.

Mrs. Maria Gongoll, Mayer, Minn., says: "I recovered my health after using your valuable medicine, Peruna. I had suffered with catarrh of the kidneys and bowels, but now I am much better and feel real strong."

Mrs. C. B. Fizer, Mt. Sterling, Ky., says: "I have suffered with kidney and bladder trouble for ten years past. Last March I commenced using your Peruna and continued for three months. I believe that I am well and I therefore give my highest commendation to the curative qualities of Peruna."

A THRILLING RESCUE.

How Bert R. Lean, of Cheney, Wash., was saved from a frightful death is a story to thrill the world. "A hard cold," he writes, "brought on a desperate lung trouble that baffled an expert doctor here. Then I paid \$10 to \$15 a visit to a lung specialist in Spokane, who did not help me. Then I went to California, but without benefit. At last I used Dr. King's New Discovery, which completely cured me and now I am as well as ever." For lung trouble, bronchitis, coughs, and colds, asthma, croup and whooping cough his supreme, 50c and \$1.00, trial bottle free. Guaranteed by Z. C. M. I. Drug Dept., 112-114 S. LITTLE CHILD DIES FROM SEVERE BURNS

Lucile Beatrice Lundquist, Three Years of Age, Victim of Distressing Accident.

Lucile Beatrice Lundquist, the 3-year-old daughter of Emanuel Lundquist, No. 57 Fifth avenue, died at 11 o'clock last night from the effects of an accident occurring yesterday morning, in which the little child was the victim of serious burns.

The accident occurred through the desire of the little girl to build a fire, after she had seen her father start the fire in the kitchen stove. Securing some paper and matches, she had gone out into the yard to start her fire. The blaze of the paper caught the girl's dress and in almost an instant she was enveloped in flames. Her terrified screams brought the father rushing out of doors and the burning dress was smothered as quickly as possible. Physicians were summoned, and spent the day in the endeavor to allay the suffering of the unfortunate girl. Night, however, she succumbed to the shock of the accident and the terrible burns she had received.

CHURCH FREE OF DEBT.

Members of First Presbyterian Church Congratulating Themselves.

The members of the First Presbyterian church are congratulating themselves on the final subscription eliminating the church debt of \$55,000, which has been considerable of a burden for several years. It was intended originally that the church should cost \$30,000, but the plans were changed as an enlargement was found advisable, the presence of water in the excavation necessitated much larger footings, prices of labor and material were large-

ly enhanced, and other unexpected expenses were encountered, which ran the total cost of the church up to \$175,000. Then the advent of hard times made meeting the interest account somewhat burdensome. However, everybody connected with the church worked and worked hard to cut down the church debt and through the continued exertions of Thomas Weir, E. F. Colton, J. C. Lynde and H. G. McMillan, the special committee, the total amount necessary to wipe out the debts has been subscribed. There is to be a mortgage burning service later on.
