An impressive funeral service was held in the Waterloo ward assembly rooms at 1 o'clock Sunday afternoon over the remains of Cuthbert S. Stoker, an energetic and ambitious Latter-day over the remains of Culmert S. Stoker, an energetic and ambibous Latter-day Saint in that ward. Mr. Stoker was born Jan. 28, 1875, at Walker, Northumberland, England. He emigrated to Salt Lake City in 1890; was born a member of the Church and died in South Cottonwood ward, at the former home of his wife, Friday, March 22, 1807; was married Sept. 14, 1898, to Rhoda Boam, and at the time of his death left his wife and four childred, three of them being boys and one girl, the eldest 7 years and the youngest 3 months. The cause of his death was enlargement of the heart. The funeral services were presided over by the ward bishoppic, and con-vened at 1 o'clock. Speakers of the oc-casion were Jedadiah Ashton, James Barton, James Moss, Asa Renolds, Hy-rum A. Silver, Joseph A. Silver, Bishop Joseph A. Cornwall and Bishop A. H. Woodruff. Appropriate musical num-bers for the occasion were rendered by the ward choir and others.

### SAVED HER SON'S LIFE.

SAVED HER SON'S LIFE. The happiest mother in the little town of Ava, Mo., is Mrs. S. Ruppee. She writes: "One year ago my son was down with such serious lung trouble that our physician was unable to help him: when, by our druggist's advice I began giving him Dr. King's New Dis-covery, and I soon noticed improve-ment. I kept this treatment up for a few weeks when he was perfectly well. He has worked steadily since at car-penter work. Dr. King's New Discov-ery saved his life." Six Inches of Snow-The storm that had been threatening the city for two days, broke early last evening, when great masses of clouds swept across the valley from the southwest, beat up the valley from the southwest, beat up against the unountainous wall to the cast and then rolled northward over Sait Lake. The precipitation was at first rain and half which in the course of an hour changed to snow. This fell most of the night, the precipita-tion being .61 inches or a little over six inches of snow, as registered at the local weather office. The snow was wet, making walking disagreeable. It local weather office. The show white wet, making walking disagreeable. It caused electric complications, and in-terferred with street car operations at midnight, when the power went off, due to failure of the feeder lines be-tween this city and Ogden. The snow due to failure of the feeder lines be-tween this city and Ogden. The snow fell much deeper in the mountains than down in the valley, thus materi-ally increasing the water supply for the coming summer. As the sun came out this morning, warm and bright, the snow melted rapidly, and slush was the order of the day.

### Strength and Endurance

Are factors of the greatest success. No person can do full justice to him-self without them. In no season of the year are they more easily exhausted than in the spring. We need not discuss the reason for this here. It's enough to say there is one, and that Hood's Sarsaparilla gives strength and endurance, as thousands annually testify.
