T IS A MATTER OF GENERAL KNOWLEDGE I that many houses have relied for their reputation, in their several lines of business, upon the obtaining and advertising of medals, diplomas and testimonials, and that the obtaining of the same has become an af-fair of management, intrigue and often of downright bribery, rather than a question of intrinsic merit, is well understand by those who have had even the smallest amount of personal experience in competitive con-tests; and the fact that the awards obtained are made the subject of the

Grossest Misrepresentation

can but be apparent to the general public, the thinking portion of whom understand and appreciate these mat-ters at their true value. The many direct and indirect charges of fraud, favoritism and collusion in reference to the awards at our late

CENTENNIAL EXIBITION.

and the very general method pursued by the majority of exhibitors, successful and unsuccessful alike, in re-gard to the value of awards distributed, afford only fur-ther corroboration of the views long held by many of our most advanced thinkers, that the whole system of competitive awards is radically wrong, and that instead of its being a fair test of the merits or qualities of the articles in competition, it is tut a source of

JEALOUSY, CORRUPTION AND FALSEHOOD

This principle now so generally understood has been recognized and acted upon by GEORGE Woods & Com-PARY from the beginning of their business career; and they have

NEVER EXHIBITED THEIR INSTRUMENTS TO COMPETE FOR PREMIUMS,

and for similar reasons have never solicited or published a testimonial from professional musicians. That they have acquired such an enviable reputation without the aid of such efforts as many of their competitors have found necessary to adopt, can but be considered as not only an indication of the superiority of these instru-ments, but of the
