previously done by two men. George Hicks, Carson's assistant at Watford, told the jury that he had seen orders canceled by marking them "busted," but was not sure that such orders as he had seen had been com-pleted and marked "O. K." "busted,"

# TO TRAIN MUNROE.

It is Said that Tommy Ryan May Take the Job.

A dispatch from Chicago says: Tommy Ryan, middleweight puglistic champion, today sent a telegram to Juck Monroe, the Butte miner credited with making a fine stand against Champion Jeffries, which contained an offer for Ryan to develop him to meet Jeffries for the championship.

"I hardly know what to think of that fight between Jeffries and Monroe," said Ryan today, "At first I thought it was an advertising scheme and that "he would be put up against Fitzsimmons and that Fitzsimmons would put him our in a hurry. As they didn't do that I hardly know how to look on the fight If I can get Monroe to lot me teach him science, how to fefnt and crouch and wait and make 'Jeff' do the lead-ing. I believe Til have the man that can beat the champion. 'Jeff' is so big and strong that there isn't anyone that can beat him on the principles that Fitzsimmons went at him. 'Fitz' is a rusher always. He can't help it. He forces the light all the time. I taught Jeffries to wait and make his opponent do the leading, and it was in this way he beat 'Fitz.' If anyone ever defeats him, it will be by making Jeffries do the leading, for then he is easy to get It will have to be a big man at that.
