pects of a plentiful harvest were never seen to be as promising as they are now. Never before were so many rainfalls seen as in last April and May. The United Order now enters on attempts have been made to assas-sinate him, but his own accounts of both of the alleged attempts are "too thin" and show that he a new course in the way of run-ning business, which, in the opinion of your humble correspondent, will greatly tend to the facilities of business and general prosperity. It is simply to have each departmenr to take care of itself, independent of the others, and pay its own exconsiderable extent throughout the

penses, and a portion of their benefit to help in increasing its own capabilities, another portion to be used for the general good, or in starting a new line of industry and business. A few useless mem-bers have had the kindness to take themselves off from the United Order, so the balance will run all the Stiff Paper Covers, 25 ots. Cloth, 50 cent

better. The general feeling is pa-tience and hopefulness, and also a determination to carry on the prin-ciples of the Order. About eight families have united in living together in the same

house. Without any or but little help from the outside, they have, while fulfilling their duties to the United Order of Richfield, and amidst many difficulties, been able to erect a dining room and six sleeping rooms, and are prepared to build more as soon as time and means permit. So far as the experiment is concerned, it has been highly successful, and although our fare is humble, yet we all feel con-tented and happy, and feel the were mad because the Mormons tented and happy, and feel the spirit of love, order, and unity among us. We feel that we have been greatly blessed thus far, in having been, by the providence of our Heavenly Father, able to ac-complish so much with so little. Our little community numbers about forty-two souls, although not all as yet living together, on ac-count of want of room. There is also in Joseph City a few families living together on the same prin-ciple.

There is a disposition among many to carry on the principles of united living among the people of Sevier Valley, but as yet only that of ours in Richfield and that in

Joseph City have started on the path. Let me say for my own part, that, as in my youth, in the eld country, it was given to me, in answer to The Council decided adversely to the prayer of the Descret Base Ball W coal.
