MERCHANT'S PRINTING

Turned out on short nutice at the Descret News, A big shipment of new types and supplies just in. Our facilities for letter heads, bill heads, tags, en-velopes, pads, etc., sic., are unexcelled by any establishment in the West.

quent rallies were small and fiful and the undertone remained heavy. Sugar shot up to 125%, but the market con-tinued irregular, prices receding else-Cuincy. "Hardly a day passes," he said, "that some sort of a break down does not occur. The heavy thres come

Railroad stocks were down in the off or something else happens. To pre absence of any important news, Inter-national Pump scored a net loss of 2 points, Heavy buying of Manhattan de-veloped and it reached 140%, pulling vent too great impetus being attained Ly the ere wagons going down hill from the mine the wheels are locked in chains. These of course, under a wagon along Metropolitan Street Rallway to 165%, and rallying Brooklyn Transit containing several tons of ore, gouge out big grooves in the road which are a point from the lowest. The buoy-ancy of these stocks did not much bennot straight by any means. The wagons ollowing are thus tessed from side to efit the general market which was pretty much at a standstill at 2 dde in these grooves and tires and cheels can't stand the strain. We in-

tend putting on more wagons, immedi Realizing in Sugar and Manhattan tely so that a serious interference with turned these stocks downward and tired holders threw over stocks gener-Quincy shipments will not be possible other producers are not afally making the lowest prices of the day, Sugar reacted 34, Carrying it low-er than on the early dip. Manhattan and Metropalitan reacted about 2. Delaware and Hudson was carried 2¼ be low last night, St. Paul 2% and other Quincy Men Were Elected to the leading stocks, including the United States Steel stocks from 1 to 11/2. The At the annual meeting of the Calimarket steadled for a time but closed duil and weak at about the lowest. fornia Mining company in Park City yesterday, James Farrell, W. V. Rice, Henry Newell, W. I. Snyder and Thomas Roscamp were named direc-
