Muracerous Mattiny.

New York, 19.—The ship Free to do was killed by the Chinese steward.

The chief mate of the ship reports that while he was steward of the was killed by the Chinese steward of the stables of Sawin- Express Company, and it was lost.

Pirea (Clar rules and pass the bill facilitating the trial of contested election cases by providing machinery for submitting machinery for submitting the most of contested election cases by providing machinery for submitting the trial of contested election cases by providing machinery for submitting the trial of contested election cases by providing machinery for submitting the trial submitting the trial of contested election cases by providing machinery for submitting the submitting the trial submitted of contested election cases the list of losses for Grinnell: I. Worcester, total, \$1,000; C. Hobart, \$2,000; Mrs. A. Boott, p. rital, \$2,000; Rev. J. W. Chamberlin, total \$6,000; College buildings, \$60,000; College buildings, \$60,000

ings of the lowa college were blown flat to the ground.

A special train with physicians was sent out from here. The Register reporter sends the following: Thirty-two people are dead and about 100 more are wounded. List of fatal casualties: Deacon Ford and wife, Mr. Lawis and wife, Deacon Clement's two children, Mrs. Eva Murton, of Chicago; Henry Pithman's two children. Hattie and Harry and Mr. Pitman were probably fatally injured; Miss Abble A. Gard, a photographic artist; Cornelius Chase, of Storm Lake, is the only student killed; Susle Bager, interview of the city to hand the first of the fatal casualties. The sky was aglow constantly for two hours. At Mount Pleasant, and the wind and sea met over town at half past 11, and the ground.

SAN FRANCISCO, 19.—About five o'clock this afternoon, the British steamer Escambia, loaded with wheat, put to sea, bound for St. Vincent, Portugal. Information from the signal station at Point Lobos is now received that, when about five miles off the heads, the steamer capsized and sank, and, so far as is known, all hands are lost. The tugs with the slegge. Wizard and Rescue have gone out. Meantime it is impossible to account for the catastrophe, as the weather that the wind and sea moderate. The only thing at present assignable is that a quantity of coal, carried on deek, rendered the lius Chase, of Storm Lake, is the only student killed; Susle Bager, also his accompanied by hail and rain broke and mother, Mrs. Bager, also his son were injured; Mrs. Griswold, Mrs. Toten, Mrs. Callison and her Mrs. Toten, Mrs. Callison and her high in the air and inverted; the provided the ship lighter for the car.

J. Bourbon, of Chicago: a hired girl of trees, which are all down. The cambia was about only two persons reported killed are came here from Ho malcome, which is entirely leveled a mother and son, named Scott, who Chinese passengers. Others were extricated more or lived near the city. None were seriously injured in town. The in-

the railroad track once stood a two story house in which Miss Abbie Agard was killed. There is hardly a sign left of it. Among the acres of roins in the vicinity was a block of roins in the vicini

and oats are also affected.

Treasury Thieves.

WASHINGTON, 19,-The Sunday Gasette saye: It is known that papers preliminary to a criminal procecution of a well known manufac- ed to avoid being interviewed. Wheeler, old Mrs. Myers, Mrs. O. several specific a legations of fraud, At South Brookly a barn was de- against the persons who will appear

a hospital, some of the most danger-ous cases being carried there. Treatury ring, and one of the strong-est. We might go into particulars

There is a prospect of a lively discussion of the matter of political assessments, and incidentally of Not far away was the residence of civil service reform, in the Senate to-morrow. Senator Pendleton has given notice of his intention to call From here the storm pursued a zig-zag direction to the north of the city when, after wiping out the finest residence portion of the city, it turned toward the college. The west building was dumped into a heap of lath and plaster and broken timber, burying beneath it eight students, all of whom were after-students, all of whom were after-students. They had evident-students are the students and the students are the students and the storm pursued a purpose of the government by the national republican congressional committee, and says he will use every effort to press it to a vote. He has delayed urging the consideration of the resolution because of a resolution because of a resolution directing an in-quiry into the recent demand for contributions, made upon employees of the government by the national republican congressional committee, and says he will use every effort to press it to a vote. He has delayed urging the consideration of the resolution because of a resolution because of a resolution to the north of the recent demand for contributions, made upon employees of the government by the national republican congressional committee, and says he will use every effort to press it to a vote. He down into Chichua, Mexico. They have been after-solution because of a resolution because of a resolution demand for quiry into the recent demand for quiry into the recent demand for the contributions, made upon employees of the government by the national republican congressional committee, and says he will use the remain of the renegate Apaches, who left two months ago has returned. The ranges trailed the remain of the renegate and the remain of the renegate and the remain of the resolution demand of

Messra. Townshend, of Hilmois, Knott of Kentucky, Payson, or Hilmois, and Culberson, of Texas, the minerity of the House Judiciary committee, completed a supplementary report, recommending that the lands granted to the Northern Pacific he declared forfetted, and their view in support of it is to be submitted to the House as soon as practicable. erature for King Kalakan's Car

The best posted men at Grinnell yesterday estimated the death roll to furnish his palace, having some six deaths yesterday. It is now estimated that 143 dwellings were destroyed by the tornado in the olif of Grinnell. It is estimated that this entails a loss of half a bill authorizing the Secretary of the Treasury, until July 1st, 1884, to receive trade dollars upon presentation and give therefor standard ard silver dollars, and repealing all laws authorizing the coinage of trade dollars.

The best posted men at Grinnell pondent adds: King Kalakau is about to furnish his palace, having some \$1,000,000 loose in his pocket, and wonderful bravery, each one meethed in his representative has given continued that 143 dwellings were destroyed by the tornado in the olose of Bradestroyed by the tornado in the olose of half a million dollars which is nearly a sisting of 12 imposing-looking high total loss as hardly any of them are lossured against anything but fire.

Mr. J. B. Grinnell states that 50 of the people losing their homes, lose vivid red, and every inch of wood all that they had in this world. Outside of Grinnell, at Malcolm and in the surrounding counties there
