For all fresh cuts or wounds, either an the haman subject or on animals, BALLARD'S SNOW LINIMENT is excellent; while for corn-huskers' sprained wrists, barbed-wire cuts and sores on working horses, it cannot be too highly commended. Price, 50 cents. Z. C. M. I. Drug Dept. Manager Weir of the Ajax went out to the property last night.

many of the producers, it is safe to say that in the lead industry this is not likely to occur in the near future. In the old days the rule was that over production resulted in the end in indus-trial crises, with a recovery of normal conditions carried on under a slow and pairful process painful process. "The other two methods are restric-tion and shipments abroad. "Should over production be found to exist," said Mr. Guggenheim, "or threatened in the near future, it is possible to regulate the matter by an agreement among the producers to restrict their output to a certain extent, either agreeing upon a reduced percent-age compared with previous output or arranging for a suspension for a cer-tain number of days during the month." GOVERNING BOARD ACTS. Office Deals Not Prohibited in the

and steadied the market. Covering by the short interest caused a sharp rise in all the principal rall-roads and specialties, but earlier high prices were not reached except in Union Pacific, Manhattan and Sugar. Man-hattan later yielded to 129 and carried other tractions lower. Buffalo, Roches-ter & Pittsburg declined. 5%. Ameri-can Linseeel Oll improved 3 points. The cancellation of \$1,000,000 of the gold engagement was followed by a rally, led by Union Pacific with an ad-vance of 1½ over yesterday, and St. Paul got above 173. There were gains of 1 to 5 points for the Pressed Steel Car stocks, Republic Steel preferred, Glucose preferred, American Linseed New Rule. The governing board of the Salt Lake Mining exchange acted on the resolution passed at yesterday morning's call and promulgated the following rules: Resolved, that commencing Nov. 13th, business dealings in the purchase and

business dealings in the purchase and sale of stocks on the part of the mem-bers of the Salt Lake stock and min-ing exchange, shall be confined to the regular sessions of the exchange, and an additional half hour for open board dealings at the conclusion of each regu-lar morning session of the exchange, and the exchange. and to office trading between members prior to the conclusion of regular ex-change hours. Any infraction of this rule shall subject the violator to a line of not less than \$25 for each of-

fense, or of suspension, in the discre-tion of the governing board, or either or both. Be it further resolved that tickets of

Be it further resolved that therets of all transactions on the open board shall be properly signed and filed. Adopted unanimously at a meeting of the governing board, Nov. 12, 1901.

Red Wing Ores.

The Red Wing is shipping some fine ores these days. The last shipment which was taken from the old workings ran 31 per cent lead, 11 ounces silver and \$5.50 in gold. They have our 5550 tone of million

They have now 3,500 tons of milling ore on the dump which will be run through the Dewey mill in the near future.

Accident in Daly West.

The gailows frame of the Daly West The galows frame of the Daly West holsting plant broke last night just af-ter the men had gone off shft at 5:30, Owing to the fact that no men were in the cage, loss of life was avoided. The mine will be closed down for sev-eral days to make repairs. States Steel, 4314.

eral days to make repairs. Gold in Oregon. The Baker City Herald in speaking of the Sumpter Electric road, says that it will open up the richest mining country on the continent. Speaking of the Cracker Creek ledge it says: "With the exception of one in South Afflica, it is the longest ledge in the world. For five miles it runs unbroken and with gold in immense paying quan- tities all the way. Furthermore there are good outcroppings for an additional distance of thirteen miles. On this ledge ure good outcroppings for an additional	days; posted rates 4.84%@4.85 and 4.8. Commercial bills, 4.83%@4.83%. Bar Silver, 57%. Mexican dollars, 45%.
