RESISTED EVICTION.

Sheriff Layne and Deputy Bailey had a lively time yesterday at No. 353 Twenty-eighth street. The officers went there to remove John B. Malan and family from their household goods from the premises. Since last April Malan has failed to pay his rent to the owner, Mr. Kennedy, and refused to get out of the house; he was notified by the sheriff that two weeks ago to get out and that if he did not he would be put out, but he failed to comply with the request, so, accordingly, was put out, but not until he had threatened the make trouble for the officers, and showed fight; the handcuffs were put on him and he was taken before Sheriff Layne, where he was arraigned on the charge of resisting an officer. He was released to appear later on his own recognizance. The officers say that had not taken Malan just as they did not doubt some blood would have been shed.

A civil service examination for the position of clerk and carrier in the Ogden postoffice will be held the 26th of this month, all information and application blanks can be had by calling upon Frank B. Clayton, secretary post office board.

CHARGED WITH SERIOUS OFFENSE.

County Attorney Halverson has filed the information charging Dick Keith, better known as "Nigger Dick the Boot Black," with assault with intent to kill. It will be remembered that Dick jumped on Guard McCord a few days ago and gave him a terrible beating and when taken off from McCord he had him by the throat. He is a bad negro and the officers think the best place for him is in the penitentiary.

INVADED Z. C. M. I.

There was an exciting runaway on Washington avenue at 11 o'clock this morning that caused a lively scattering among the pedestrians in the immediate vicinity. A pair of frantic horses attached to a light spring wagon belonging to William Evans, who resides at 1115 Twenty-second street.

Mr. Evans had occasion to step from the vehicle at the corner of Twenty-fifth street. Hardly had his feet touched the

ground when the animals started. The team ran for one block and then made straight for the swing doors of the Z. C. M. I., where the horses and wagon piled up in a heap, smashing the doors to matchwood. Here anyone could get at the frightened horses they were up again and had taken to the sidewalk in the direction from which they had started. Half way between Twenty-fourth and Twenty-fifth streets, however, the animals again fell, to be promptly caught. It was found that one of the horses had broken its leg so the poor brute was shot where it lay.

Fortunately no one was hurt, although one lady had a very narrow escape at the entrance to the Z. C. M. I.

PITTSBURG THE WINNING TEAM.

Fought a Hard Battle With Philadelphia and Won.

THE FINISH WAS EXCITING.

Victory Perched on the Banner of Pittsburgh in the Ninth Inning—Break for Chicago and New York.

The finish of the Philadelphia-Pittsburgh game in the Quaker City yesterday was, from all accounts, interesting. In the ninth inning Pittsburgh's ball players arose to the occasion and defeated the Phillies by one run.

Until almost the end the Pittsburghers were pumiled by Waddell. In the eighth the score was even, but in the ninth Pittsburgh scored and Philadelphia failed. The winning team refuse to be pulled down from second place, and at the end of the season there will be a hard battle between that team and the Brooklynites. Judging from the account of the Cincinnati-Brooklyn game, the former team has in its line-up a few Glimms. On account of "kicking" the contest was "long drawn out" and uninteresting.

LOCAL EVENTS.

Tomorrow Night's Races.

In addition to the fifty mile race tomorrow night between John M. Chapman and John Lawson, there will be a one mile handicap professional. The big race ought to be close and interesting as both Lawson and Chapman are in splendid condition. Chapman has not entered any sprint races for a long time and is in good condition to ride a high geared wheel. Every day for the last three weeks Chapman has "worked out" ten miles in the morning and fifteen miles in the afternoon.

SPORTING NOTES.

Next week there will be about three car loads of runnings horses shipped to this city to take part in the September meet at Calder's Park.

T. J. Montgomery has received word from the Doll brothers at Gypsum, Colo., that they have a car load ready for shipment.

Another load is expected from Chicago, and a big string will come down from Montana. The horses coming down from the north are at present racing at Billings, Mont., and will be sent here as soon as the meet there is over. Mr. Montgomery expects at least 100 horses here for the races.

John Chapman and John Lawson will try conclusions in another fifty mile race tomorrow night. These riders were matched for a fifty mile race last year and Lawson was defeated.

Hardy Downing and H. B. Freeman will be here next week from the Eastern circuits on their way to California. The riders are anxious to compete in motor races here.

Dahlis has done wonderful work at short for Brooklyn this season.

Cyrus Young has been getting his bumps with startling regularity of late. Chicago leads the league unofficially for long hits, with 515 extra bases.

Jack Powell has pitched some good, bad and indifferent ball this season. Pitcher Hustling, the new Pirate, is said to have an effective cross fire.

Boston leads the league teams in home-run hits, also in errorless games. Wagner and Flick both have made over 100 extra bases so far this season.

Manager Selee has about decided to remain in Boston at least one more year.

Larry Twitchell, the old-timer, is pitching odd games at Cleveland for local teams.

Catcher Migue Kahoe is tending a little charity-horse, the first he ever had.

Al Warner is again a league umpire, having been appointed in place of Terry.

Wagner ranks first in triples, Stahl second. Wagner has made most doubles, Beckley second.

Roger Bresnahan has been signed by Chicago for next year, as well as balance of this season.

Cincinnati critics have it that Latham's coaching has greatly improved the Reds' base running.

Algie McBride has shown excellent form in his fielding of late. He also has been hitting some.

Not Hanlon says the charge that Tom Daly threw dirt in Arlie Latham's eyes is absolutely untrue.

Up to August 22 the league's left-handed pitchers had, collectively, won 75 games and lost 81.

Gus Wehring has been knocked out of the box every time he has attempted to pitch for Brooklyn.

Tim Hurst is certainly one of the greatest wits that ever handled an indicator, and a good umpire, too.

"Harry Steinfield is one of the greatest youngsters in fast company today," says Wilbert Robinson.

Manager Loftus is afflicted with a good dose of hay fever, and that doesn't make him feel extra sprightly.—Sporting Life.

McFarland and Cooper, the American bicyclists, both won their preliminary races in Paris yesterday, and are eligible to start in the Exposition grand prix.

John Chapman and Iver Lawson have completed their arrangements to leave for Australia next month. They will begin their return journey early in May.
