JACOB S. BOREMAN,
Commissioner of Schools.

Heretofore the school fund has been allowed to overdraw the amount realized from school tax at the expense of the Territory; for this reason I have only reported \$270,000.00. As soon as I get a full report of the rebates and compensation of the counties, I think there will be about \$30,000.00 more school fund to apportion.

THE BOARD OF EDUCATION.

The Board of Education met in regular session February 5th. In the absence of President George M. Scott, Vice-President Nelson presided. The members present were Messrs. Pyper, Young, Pike, Armstrong, Newman, Colbath, Johnson and Snow.

A warrant for \$151 from the school trustees of Tooele for school fixtures was presented and filed.

A bill for \$1000 was submitted by P. L. Williams for legal advice.

In the matter of the claim of Hanion & Benson for \$700, for alleged damages caused by the cancelling of a contract on the Fifteenth District school building, the bill was ordered paid on the recommendation of the attorney for the Board.

Treasurer Walden submitted the following report:

Amount in treasury January 1, 1890.....\$21,901 93
Received of L. G. Hardy..... 15,000 00
J. B. Moreton, credit Fourteenth district..... 257 25

The committee on general supplies reported in favor of appointing John Lamont as janitor for the Allen building, in the Sixth district, at \$15 per month; James R. Hall in the Whitney building, in the Fifteenth district, at \$15 per month; also that extra work required of the janitors in the Second and Third districts merits a raise of salary from \$15 to \$20 per month. The report was adopted.

Superintendent Millsbaugh reported that Prof. Stephens had resigned his position as music teacher on account of ill health, and the superintendent recommended the employment of Prof. Wolf, late of Indiana. Mr. Stephens was satisfied that Prof. Wolf was competent for the position.

The resignation of Prof. Stephens was accepted, and the application of Prof. Wolf was referred to the committee on teachers with power to act, and the superintendent was instructed to advertise for other applications.

Superintendent Millsbaugh recommended that the following persons be employed as teachers at the monthly salary set opposite their names.

W. F. Chase, Twentieth school.....\$65
S. G. Watson, Hunter building..... 65
Hannah Mott, Fourth school..... 65
H. P. Burt, Fourteenth school..... 65
Mrs. Wolfe, Sixth school..... 60
Alice Conlthurst, Hooper building..... 65
Margaret Ward, Fifteenth school..... 65

Adopted.

The committee on school work recommended the purchase of a microscope for the Fourteenth District school. Adopted.

Mr. Young stated that the steam heating apparatus put in the Fourteenth school by P. J. Moran was an excellent piece of work and was entirely satisfactory to the board. The reason for the previous adverse report was the ignorance of the janitor, who did not understand the apparatus, and his report misled the committee. He felt that this statement was due to Mr. Moran.

The following report of receipts and disbursements was submitted by Secretary Moreton:

SALT LAKE CITY, January 10, 1891.

To the President and Honorable Members of the Board of Education:

Gentlemen—I have the honor to submit my first semi annual report of the receipts and disbursements on account of the public schools of Salt Lake City, for the six months ending December 31, 1890:

RECEIPTS.
