WARD ENTERTAINMENTS.

A reunion of the Twelfth ward was given last evening under the direction of Bishop Clawson and the ladies of the ward Relief Society in the ward meeting house. It was given in celebration of the fifty-ninth anniversary of the organization of the Relief Society by the women of the Twelfth ward, and was a most decided success.

A fine old-fashioned supper was first served to those present in the ante-room of the meeting house, and then an excellent program of musical and literary numbers. The first number on the program was a solo by Seymour B. Young, Jr., who was introduced by Thomas L. Woodbury, as master of ceremonies. The solo was finely rendered. Then followed George Margetts and Sidney Clawson in a comical duet, and Mrs. Burns, with the mandolin, and Thomas Woodbury at the piano, rendered beautifully the "Cavallera Rusticana" and other songs.

Mrs. G. S. Donaldson followed with a soprano selection, which was encored, and Mrs. Nellie Brown cleverly rendered two ragtime selections, the accompaniments on the banjo being played by herself. Miss Viola Swenson, a little girl of a few years, then gave a recitation, which was vigorously applauded and was a decided hit. The next number was a piano selection by Miss Xenia Druce, skillfully rendered, and which would have been much appreciated had it not been for the fact that a heavy set person of rather mature years persisted in trying on all the hats in the house that he could get hold of, much to the annoyance of those desiring to listen to the music. The building was crowded with people who came to enjoy the social and among those present were: Bishop Clawson, Governor Wells, Henry Dinwoody, Andrew J. Cannon and other members of the church. The solo was introduced by Mrs. Wm. Jennings, Mrs. E. B. Wells, Mr. and Mrs. James H. Moyle, Mr. Geo. A. Lowe, Dr. Beattie, Mrs. Martha Wells, Mrs. Julia Druce, president of the Relief Society of the Twelfth ward, and others.

BY RETURNS OF THE DAY FOR THE WORTHY BISHOP.

Bishop Elijah Fank Sheets was born in Charlestown township, Chester Co., Pennsylvania, March 23, 1821, became a member of the Church of Jesus Christ of Latter-day Saints July 1, 1849, being baptized by the late Apostle Erastus Snow. He came to Great Salt Lake valley in 1847, soon after the arrival of the first company of pioneers under President Brigham Young, and was ordained a High Priest and Bishop over the Eighth ward in 1856.

A grand kindness will be given in the Eleventh ward assembly hall on Thursday and Friday evenings, March 28th, and 29th. The affair is under the auspices of the young ladies of the ward, who are celebrated for their industry and industry in promoting such things. There will be the art and curio booth, conducted by Margaret Bassett, Emma McMaster and Emma Armstrong. In this booth there will be some copies of the best pictures in the world. There will be a flower booth in charge of Vera Feit and Laura Madsen; the candy booth in the hands of Rose Meyer, Louie Madsen and Louise Morris; the popcorn and peanut booth in charge of Emma Reed, Violet Nut and Lucile McMaster, and the fishing pond, where the suckers will be caught by Elita Feit, Agnes Bowman and Jessie Sears. Preparations for a unique little entertainment to be given in the Eleventh ward meeting house early in April is now well under way. The affair will be a little operetta by about forty juveniles, under the auspices of the Primary association of that ward, and will be conducted and carried through by Mrs. H. S. Essign, Mrs. Nellie Penrose Whitney, Miss Lulu Penrose and Miss Jessie Essign. There will be a special staging and costuming and besides the ones taking principal parts, some have been assigned to cute little singers and actors as well, the chorus work is pronounced by those who have been at the rehearsal, as being about as anything attempted in this line for some time. In all, a novel little entertainment and one that is deserving of much credit to the promoters is expected.

The new floor committee of the Tenth ward announces another dance to be given Thursday evening next. An up-to-date dancing floor has been provided and will be in readiness for the occasion. The first and only performance of Madam Pattrini and her company of minarets took place before an audience that crowded the Sugar ward meeting house to the doors last night. All of the artists were heartily applauded and a substantial sum of money was realized for the meeting house fund.

CURES MADE EVERYWHERE.

Every Form of Piles Will Cure It. In spite of the fact that the Pyramid Pile Cure is so well known as a certain cure for every form of piles, there are still many people who think a surgical operation the only sure cure.

Hundreds of thorough trials in the hands of physicians and patients have proven beyond a doubt, however, that surgical operations for piles are unnecessary, cruel, many times dangerous to life, and a relic of barbarism. The Pyramid Pile Cure will cure any form of piles effectually and without a particle of pain or inconvenience, at slight expense and no danger whatever, as is perfectly harmless. The way it effects patients who use it may be inferred from the following from Mr. E. Crook of Waterloo, Iowa: Gentleman—I have used the Pyramid Pile Cure and it is out of sight, the best thing I ever tried. I think it has entirely cured me. I have told Mr. Knapp, your druggist here, about it and he has ordered some. This remedy is a great thing for piles.

From Mrs. C. G. Spillman, Huntsville, Ala.: Not long since you sent my husband some of your Pyramid Pile Cure and it did him so much good that I want to write to you and tell you about it as he suffered very much and nothing seemed to reach his case until he tried the Pyramid Pile Cure. From J. D. Roberts, Mt. Moriah, Mo.: "I have used the Pyramid Pile Cure and results have been entirely satisfactory. There can be no question but that it is a certain and lasting cure for piles, at least it has so proven in my case. Miss Elmer Nantz, of Tracy City, Tenn., writes: "The Pyramid Pile Cure has done my sister more good than anything she has ever taken. I have nothing but words of warm commendation for it. The Pyramid Pile Cure has become recognized as the only standard pile cure strictly on its merits and what it has repeatedly done in obstinate cases both in private practice of reputable physicians and in individual cases. It is so cheap as to be within the grasp of all classes of people, and druggists everywhere state that it gives universal satisfaction which can hardly be otherwise when it is remembered that it is composed of the best remedies known to the medical profession in the treatment of rectal diseases. It is prepared by the Pyramid Drug Co., Marshall, Mich., and for sale by all druggists.
