Watkins who is alleged to be one of the eleverest forgers in the northwest. and who blazed a track across the continent with worthless checks, was formally charged with obtaining money under false pretenses in an information aled today. Watkins, it is said mar-ried the daughter of a rich Omaha packer after three days' acquaintance in Nebraska City. San Francisco, Los Angeles, Portland and Spokane each want Watkins on charged sublast to want Watkins on charges similar to one he faces here. At this place Wat-kins, it is alleged, to settle his board bill with a worthless check which led to his arrest after he had baffled the de-tectives for a number of weeks. Alto-gether Watkins is said to have made about \$3,000 out of his fraudulent work.

To Impeach Judge Barney.

Helena, Mont., Jan. 4.-Steps were taken by the house of representatives teday to institute impeachment pro-ceedings against Edward W. Harney, judge of the Second judicial district court at Butte. By a vote of 29 to 28 a resolution introduced by Connor, Republican floor leader of the house was sent to the judiciary committee: "Resolved, That Edward W, Harney,

a judge of the district court of Silver Pow county, be impeached of high grimes and misdemeanors and of malformes and misdementors and of mar-formance in office, and that five man-agers be elected by the house of repre-sentatives to prepare articles of im-peachment and present them at the bar of the senate and prosecute the same." Five Republicans voted with the Silver Bow Democratic and Labor delega-tion whose seats are being contested

and 11 others to table the resolution which, however, was passed. Harney is the judge who instituted disbarment proceedings against A. J. Shores, leading counsel for the Amalgamated Copper company now pending in Judge McClernan's court at Butte. It was Harney who decided the Minnie Healy mining case and whose name was involved in sensational affidavits filed as part of records of the case,

Sunday School Books Denounced.

Chicago, Jan, 24 .-- Fervid denunciation of Sunday school books marked the address delivered by Dr. E. G. Hirsch last night in Temple Israel. His subject was "What Shall Children Read?" and in the course of his ad-dress he said that most of the literature for children should be labelled as pols-on. After telling of the importance of good reading for children, Dr. Hirsch referring to Sunday school stories said "There is not a single note in this trash that rings true to life or char acter of the child. In these books at sorts of impossibilities are caimly as sumed, and God is dragged into then in the role of a brutal and bungling peliceman. There are no words in the

Beecher Memorial Talk

New York, Jan. 24 .-- In connection with the plan to remove Henry Ward Beecher's body to Plymouth church, in Brooklyn, and erect a memorial building adjoining the church, it has been suggested that the entire half block to the west of the church be purchased, razed of its buildings, and converted into a breathing place for the poor along the water front, under the name of Beecher Park. It is thought that the property could be secured for about \$100,000 and the idea is receiving serlous consideration, although it is entirely apart from the original plans, for which the fund of \$150,000 is now being raised.
