LOGAN, Cache Co.,
March 2d, 1887.

Editor Deseret News:—Dear brother, Since receiving the appointment of Superintendent of Sunday Schools in Cache county, I have visited as many of the schools as possible, including Paradise, Hyrum, Millville, Providence, Logan, Smithfield and Richmond. Every school possesses some particularly commendable feature, though better order, discipline and attention are exhibited in some than in others; principally owing to the greater interest manifested by parents, teachers and other influential persons in those places. The progress, however, being made by the children of this county, generally, in the knowledge of the principles of the gospel, the life of Jesus, the history of the Church, and its present organization, as well as the life of the Prophet Joseph Smith is very gratifying and encouraging. One of the greatest difficulties superintendents and teachers have to contend with at present, is a want of tickets and books; this, however, will be remedied in time.

A few of the teachers of the Logan Sunday Schools, including two or three of the Logan Dramatic Association, performed the drama of the "Golden Farmer," and farce of "The New Footman," for the purpose of raising funds to increase their library, and, notwithstanding the hard times, they cleared upwards of \$50. They feel very thankful for the interest manifested by the public.

Other schools are taking various steps for the same object, and we hope to have a little means to send to you, for the purpose of buying books for us east this year.

As it may not be generally understood, I would like to say to the various superintendents throughout the county, that it is our wish to obtain all books, rewards, tickets, etc., through the Sunday School Union for the Territory, and if they will forward their orders and money to me, I will receipt to them, and give them every aid in my power freely and with pleasure.

Praying for your success in every enterprise for the advancement of the Kingdom of God and the happiness of the human family.

Your Brother,

W. H. SHEARMAN.

SALT LAKE CITY, March 11, '88.

Editor Deseret News:—On the 5th instant, in company with Elder N. T. Porter and others, I arrived at Porterville, Morgan county, we bearing with us the remains of C. W. Porter, who died in Centerville at the residence of his brother N. T. Porter, on the 3d inst. We encountered a severe snowstorm by the way, with a considerable quantity of mud.

On the 6th, attended the funeral of brother Porter. The double log meeting house was filled at his obsequies, and the services were conducted by Bishop W. G. Smith, Elders E. Stevenson, J. Leaman and N. T. Porter. Ten sleighs and wagons and a number on horse and foot followed his remains to the grave, a high point overlooking the valley. The snow was ten inches deep. The body was consigned to the earth, and some remarks were made and prayer was offered by Elder Thos. Rich, which ended the ceremony.

On the 7th, held meeting in Porterville in the morning with Elder N. T. Porter, and one in the evening at Richville. On Sunday, the 8th, at 11 a. m., we held meeting at Morgan City, and in the evening at Weber City, enjoying good times at each place. Preparations are being made to sow a greater breadth of land in grain.

The DESERET NEWS keeps growing in popularity.

I returned to the City on Tuesday the 10th.

Truly yours,

EDWARD STEVENSON.

FARMINGTON, DAVIS Co.,
March 9th, 1888.

DEAR BROTHER CAMPBELL:—We had the pleasure during the past week of a visit from brother Robert L. Campbell, Territorial Superintendent of Common Schools who visited several of the schools in Davis county, with the most of which he expressed great satisfaction, as may be judged from his remarks at the schools which he addressed in a most kindly and fatherly manner. He has the spirit of school visiting, and the interest which he feels for the schools makes his presence pleasurable and appreciated. He perceives the necessity

of an increase of educational interest in Davis county, as in other parts of the Territory, and feels that although the spirit is on the increase, yet there is plenty of room for improvement.

Brother Campbell also preached to the people at Farmington on Sunday morning, giving some very excellent instructions which were very interesting and well received; he was followed by bro. A. P. Rockwood, with whose company we were also favored. He also delivered a lecture at Centerville on Sunday evening, on the subject of education.

Not the least pleasurable association that one experienced with bro. Campbell was at our Leap-year party, to which he was invited by one of our fair sisters, and at which he appeared to enjoy himself in a manner no doubt deeply gratifying to his partner and his immediate friends. He expressed himself very much pleased with his visit, and felt renewed in his health. All who have had the pleasure of associating with bro. Campbell hope he will come again.
