HEARINGS IN THE DISTRICT COURT.

Mrs. Lillie V. Halsted Congratulated by Many Friends on Receiving Divorce

BABCOCK RECITAL TONIGHT.

Talented Lady Appears in Tabernacle At 8:15—Three Couples Made Happy—\$1,000 Damages Awarded.

Ogden, Utah, May 3.—The divorce suit of Lillie V. Halsted against Edson O. Halsted was completed last evening before Judge Howell and a decree entered in favor of the plaintiff. Few divorce suits have been heard in the district court here that have attracted so many ladies to the trial as the one just ended. At the conclusion of the hearing last evening and the rendering of the judge's decision in the case an unusual scene took place. About 25 of the ladies who had been sitting in the body of the hall listening attentively to the testimony, rushed to the front of the courtroom, and in language most profuse, congratulated Mrs. Halsted on being divorced just as heartily as though she had just been wedded, and a number of them asked for Judge Howell, who is a single man, desiring to congratulate him on deciding the case in favor of the fair sex.

Mrs. Halsted was given a decree of divorce and as permanent alimony the equity in the homestead was awarded to her and all the household furnishings excepting a bedroom suit. The little girl, Miss Beatie Halsted, who is 15 years of age, was given the privilege of choosing between her mother and her father. Mrs. Halsted chose her mother and the couple were married at Oakland, California, March 24, 1888. The grounds on which the divorce was secured were cruelty. Mr. Halsted is an engineer on the Oregon short line.

MRS. LILLIE V. HALSTED CONGRATULATED BY MANY FRIENDS ON RECEIVING DIVORCE.

The jury who heard the case of Carl J. Grandin against the Southern Pacific railway company returned a verdict in favor of the plaintiff at 5 o'clock last evening after having been out a little over an hour. The suit was brought by Grandin against the railroad company to recover \$1,500 alleged to be due for injuries sustained by him last year while assisting in the unloading of a car. The evidence went to show that the accident was caused by the carelessness of the company's employees.

Petitions were also filed by S. Matsui praying for his appointment as administrator of the estates of Keichi Nakamura, Totoru Kajikawa, deceased, and both men have families in Japan.

THREE COUPLES WED.

Marriage licenses were granted by the county clerk to the following couples: Peter Almon, Jr., 23, and Miss Sarah E. Emery, 21, both of Ogden City; Walter C. Hayes, 31, and Miss Mary Potter, 20, both of West Weber, Weber county; Elias E. Stokes, 22, of Perry, Boxelder county, and Miss Flora E. Wheeler, 21, of Monticello, Weber county.

MAY BABCOCK TONIGHT.

Tonight Maud May Babcock will be heard at the Ogden Tabernacle in a dramatic recital. Miss Babcock needs no introduction to Ogdenites, her talent and ability is well known here. Her appearance here tonight will be under the auspices of the Weber Stake academy lecture course. The recital will begin at 8:15 p. m.
