## FALL AND WINTER '07 '08'

**Are Now  
On Show**

And it is of great importance to every man in Salt Lake City to visit our store in the near future and see what the most artistic designers have presented as the correct styles for this season.

**Chesterfield  
Clothes**

are conspicuous for their deviation from ordinary ready made clothes. They are in a class by themselves and are superior in tailoring and style to any other line of so-called high grade, ready-to-wear clothes, or clothes made by any tailor in Salt Lake City. And we courteously solicit direct comparison.

Our salesmen are desirous of showing you the correct styles for every occasion and giving you any information regarding proper dress.
