

GIVE ATTENTION IN TIME TO SAVE COST.

BY an unanimous vote of the people assembled at the Bowery, it was decided that the Red Butte Canyon should be given to Knowlton & Co., in consideration of their engaging in the business of lime burning, and furnishing lime for the public.

Now it may be possible that some people are not acquainted with these facts, and that may be the reason why they insist upon trespassing upon our rights.—We have therefore thought proper to give this public notice to all, that we expect to abide by the requirements made of us, and we also expect that others will do the same. This being the case, it will not be expected that we will be run over with impunity any longer.
