Mr. P. A. Schettler said he felt greatly interested in what had been said, and felt encouraged in what had already been done, which was proof that all we needed was for the people to take hold of this en-terprize to make it a success; te plant out trees and raise the co-coons, and thus be giving em-ployment to a great many people. As soon as his trees could be remov-ed he would advertise in the papers.
members. Last Wednesday we had a visit from Brothers Clayton and Hull, missionaries from the Central Com-mittee, who gave us some very good instructions, encouraged the youth to keep on in well doing, ad-vised them to refrain from all bad habits, and showed the evil results of not so doing. We had a good meeting, I can assure you, a large and attentive audience, both young and old, who expressed themselves highly edi-fied.
