## DELEGATES COMING.

Transmississippi and International Exposition of 1898.

WILL ARRIVE HERE THURSDAY.

To Meet With the Legislators in the Interest of the Great Transmississippi Exposition.

A delegation representing the Transmississippi and International Exposition will leave Chicago, Wyoming, this evening for this city, and will probably arrive here at 10 tomorrow afternoon. The purpose of the visit is to present the views of the delegates on the subject of the Transmississippi Exposition, and they will meet with the joint session Thursday evening. The members of the delegation are accompanied by their wives.

The following communication was received today announcing the visit of the delegation:

CHICAGO, Neb., Feb. 16, 1897.

Dear Sir:—Tonight a delegation representing the Transmississippi and International Exposition, leaving Omaha to meet the western legislators, arrived at Chicago, Illinois, on Monday.

Colorado legislators (joint session) on Tuesday.

Wyoming legislators (joint session) on Wednesday.

Utah legislators on Friday.

In Utah I think we must have a joint committee of the two houses formed of the legislators themselves, unless it can be arranged that a joint session of both houses shall be held.

After we meet the Utah legislators the committee will continue its journey to Montana, Idaho, Nevada and the coast states. At the same time that our committee leaves Omaha for the West, another committee leaves for the North and takes in the Dakota and Minnesota. In a few days another committee will go to Illinois, Wisconsin and Iowa. Our committee is made up as follows:

Gordon W. Watson, vice president of the Transmississippi Exposition, Omaha, Neb.

John L. Webster, attorney at law, and police commissioner.

George F. Wright, attorney at law, Council Bluffs, Iowa.

Clarence Chase, director Omaha public library.

William F. Poppleton, attorney at law. Mr. Watson is president of the exposition. I am manager of the department of promotion, and Mr. Webster is one of the directors. Under separate cover I send you a prospectus of the exposition, and as a souvenir to the members of all the transmississippi state legislatures. It will furnish you with information concerning the exposition, and I trust you continue your interest in the great enterprise and will give us all possible assistance. We have it a special card and have Chicagoans Wednesday evening for Salt Lake so I suppose you arrive on Thursday. We bring our wives with us. I trust the business men and property owners of Salt Lake may receive in a strong interest in this project. We had thought it possible Mr. Bryan might accompany us, but he is very busy just

The census prospectus referred to has been received and it is a very appropriate work, being the prospectus of the great enterprise, together with a list of its officers and a roster of the members of the legislature of the Transmississippi Exposition, and territories which will be included, and set upon exposition legislation.

The population of the Transmississippi region in 1890 is given as 20,000,000; the value of real and personal property \$10,000,000,000; the value of manufactures, 2,500,000,000; the value of agriculture, 1,500,000,000; the value of stock, 1,500,000,000; the value of minerals, 2,500,000,000. The value of the Transmississippi region for the year 1890 is given as \$100,000,000. The prospectus says that the year 1898 will be the centennial of the Transmississippi Exposition, and that the Transmississippi Exposition of 1898 will be the centennial of the Transmississippi Exposition.

The exposition opens on the 1st of June and continues for six months. The Transmississippi Exposition of 1898 will be the centennial of the Transmississippi Exposition, and that the Transmississippi Exposition of 1898 will be the centennial of the Transmississippi Exposition.
