

SPECIAL BUSINESS NOTICES

What Might Have Been Heard.

Almost any day during the Centennial, a knot of physicians might have been seen gathered around the elegant glass case, standing in the main building, in which Benson's Capcine Plaster was exhibited. Discussing its merits and its efficacy over other porous plasters, and the doctor might have heard words of praise fall from their lips as they spoke of the revolution it would likely effect in the treatment of diseases treated externally, such as rheumatism, lame and weak back, sprains and bruises, and all kinds of swellings of a local nature. With these opinions the Centennial jurors, who were asked to award the plaster the only medal given to porous plasters. To avoid fraud, each plaster was placed in a separate case, and the word Capcine is cut through each plaster. Sold every where, Price 25 cents.

BENSON'S CAPCINE PLASTER

was invented to overcome the great objection ever found to the old style of porous plasters, that of slow action in curing. Benson's Capcine Plaster relieves pain at once and cures quickly. It imparts a sensation of gentleness and stimulating warmth and brings rest and comfort to the sufferer.

The scarcity of Diamonds, Gold and Silver, and the difficulties met with in securing them, is a sure indication of their value.

Thus it is with a valuable medicine: Dr. Aug. Kaiser's Celebrated German Pulmonic Elixir, through the jealousy of rivals, has met with the most bitter opposition, and apparently almost insurmountable obstacles have been thrown in its way, but its opponents might as well try to change the course of the sun, or sweep back the ocean with a broom, put out a candle with a feather.

For the cure of Throat and Lung diseases, such as Coughs, Colds, Consumption and Bronchial Affections, it is unequalled. Its cure is truly magical. Ask your Druggist for it. The genuine bears the Prussian Coat of Arms, the facsimile signature of Dr. Aug. Kaiser, and has its name blown on every 75 cent bottle. Trial bottle, 25 cents.

For sale, wholesale and retail, by the Z. C. M. I. Drug Department and by all first class Druggists.

Health Depends

in a great measure upon the soundness of the teeth and their freedom from impurities. The incomparable SOZODONT invigorates and purifies them, and is a safe and agreeable botanic preparation far preferable to any powder or ordinary wash.

A Touching Death-Defeat Scene.

"Oh, if I had only received it before, I am confident it would have cured me." These impressive words were spoken by a gentleman in the last stages of consumption, who, on his death-bed, had received one bottle of HALL'S HONEY OF SOOTHING AND TART, and had taken only a part of it, when he found he could breathe with almost perfect ease; he had left him, but not having commenced the article in time, his constitution was broken, and he had not sufficient strength left to overcome the disease. Therefore, the public will see the necessity of keeping this article constantly in use, as it is a certain cure for all Coughs, Colds, Hoarseness, Difficult Breathing, and all Affections of the Throat, Bronchial Tubes and Lungs, leading to consumption. Sold by all Druggists, and at CHITTENDEN'S Central Medicine Warehouse, 7 Sixth Avenue, New York City, at 50 cents and \$1. Great saving by purchasing large size.

PIKE'S TOOTHACHE DROPS cure in one minute.

REPLY TO "A CARD."

SALT LAKE CITY, March 18th, 1879.

Editors Deseret News:

In answer to Mr. J. H. Clemetshaw's Card, in last night's EVENING NEWS, I will say that it was as he stated. He was arrested and his place searched; and as none of the missing property was found on his premises, nor was there evidence to warrant his being held to bail, the case was dismissed. And if he is innocent and the law states that persons shall be considered as till proved to the contrary, no one will regret the arrest, annoyance and expense that he has been put to more than,

Yours respectfully,

JOHN C. CUTLER.

In the Who's History of Medicine.

No preparation has ever performed such marvelous cures, or maintained so wide a reputation as AYER'S CHERRY PECTORAL, which is recognized as the world's remedy for all diseases of the throat and lungs.

As long-continued series of wonderful cures in all climates has made it universally known as a safe and reliable agent to employ. Against ordinary colds, which are the forerunners of more serious disorders, it acts speedily and surely, always relieving suffering, and often saving life. The protection it affords, by its timely use in the throat and lung disorders of children, makes it an invaluable remedy to be kept always on hand in every home. No person can afford to be without it, and those who have once used it never will forget its knowledge of its composition and effects. Physicians use the CHERRY PECTORAL extensively in their practice, and Clergymen recommend it. It is absolutely certain in its remedial effects, and will always cure where cures are possible.

The Dry Bench.

According to the call made in last evening's News, the residents of the North Bench assembled on the Ellerbe block, in the 21st Ward, for the purpose of making a united effort to secure the usual supply of water this summer. The meeting was called to order at half-past 7 o'clock. About 150 persons assembled for the evening.

Upon motion, Mr. Henry Fuzey was chosen as chairman, and W. H. Culmer as secretary.

Mr. Herbert Foulger stated that the object of this meeting was to give the people to understand what was required of them as citizens. He accordingly read sections 9, 4 and 5 of the new ordinance, and urged all who considered themselves entitled to water to file their applications immediately, as but a few days' grace was granted. The gentleman considered that all were entitled to the use of water. The water had flowed from Red Butte for about 10 years and no protest had been made heretofore.

Bro. Henry Fuzey stated that the residents of the north bench could file applications for water, but the treasurer would not receive money or give receipts for water.

Mr. A. Isom moved that all residents of the 18th, 20th and 21st Wards, who considered themselves entitled to water, make application immediately. The motion was carried unanimously.

The sense of the meeting was that they were entitled to a portion of the water flowing into this city, as the city authorities had granted them water in previous years, and fumed the crossings and cobbled the ditch through the graveyard, supporting them in their rights, and as taxpayers they had equal rights with other citizens.

Thomas Goodman called attention to the fact that persons who settled upon the East Bench subsequent to those of this assembly had been provided with blank applications for water, while those on this bench had been neglected.

The meeting then adjourned sine die.
