the other side is the class whose aim is the destruction of society. The wicked will also make attempts to destroy the people, of God in which aim they will never be successful, no matter how tained from the following, which was or trodden under foot, for all His pro-

au appropriate occasion for its repro-

sion among the people; and the wicked will He destroy; and He will spare His people: yes, even if it be so that He must destroy the wicked by fire."

Speaking upon the subject of secret combinations at the time the Ohio organization of darkness was formed, the News said: "Such movements by the power of the Prince of Darkness Let the nation beware. It should take warning at once and suppress organizations instituted for illegal, coldblooded and barbarous purposes. If they are suffered to spread over the land, the sword of the justice of the Almighty will descend upon the nation and cries of woe shall ascend from one end of land to the other, for the voic of ()mnipotence hath spoken it."

We can only reiterate the note of warning then sounded, for more or less rapidly developing events are sustaining the solemn advice. One of the advance signals of the threatened danfinal endeavors be made to obliter- ger comes from the very city in which the secret society for the suppression the secret society for the suppression of "Mormonism" was formulated a year ago last November. It comes in the shape of intelligence of the existence of five companies of Anarchists in that city, ready for a riot, and accompanied by a threat that, "Unless times And tor, Sentine, and Executive improve the greatest regulation the world has ever seen will be inauguattrans. Letters were read world has ever seen will be inauguing, This is my bet all men in Chalinnath, Columnia rated." The news from Pittsburg and I am well pleased.
