BREAK IN WATER MAINS.

Occurred Saturday Night on Thirteenth East and First South.

Caused by Digging of the Sewer Trench from the University Buildings.

A break in the water main on Thirteenth East and First South streets occurred last Saturday night, which had the effect of badly frightening the people living in that neighborhood. The first thing noticed was the shooting up of a huge jet of water into the air, accompanied by a terrific roar. Investigation showed that the eight-inch water main, which leads down from the relief tank on the reservation, had parted at one of the joints. Word was sent the waterworks department, and the water was shut off, but not before the stream had reached as far as Ninth East, where it was afterwards an abundance of mud.

The accident was caused by the digging of the sewer trench from the university buildings. Eight men were at work from 11 o'clock Saturday night until 6 o'clock last evening. About 120 feet of pipe was thrown out, and the cost of the work will probably amount to about \$50, which will fall upon the sewer contractor, Mr. A. G. Glaque.

The latter says he notified the city engineer last Friday of the danger but got no satisfaction. Superintendent Hines is reported as having been looking for a break and there is a disposition on the part of the superintendent of waterworks and sewer contractor to place the entire responsibility for the bursting of the water main upon Engineer Kelsey.

CONCLUSION OF THE JUBILEE.

Scandinavians Hold Sunday Afternoon Services in Tabernacle.

LARGE ATTENDANCE THERE

Addresses by President George G. Cannon, Anthony H. Lund, C. D. Fjeldsted and a Lady from Chicago.

The services in the Tabernacle yesterday afternoon were conducted by the Scandinavians, and were presided over by Apostle Anthony H. Lund.

The choir sang the opening hymn, commencing, "All hail the glorious day." Prayer was offered by Elder J. M. Sjodahl.

Continued by singing the hymn, "Prayer is the soul's sincere desire." Elder C. D. Fjeldsted, of the First Council of Seventies, was the first speaker. His sermon was in the Danish language.

At the close of Elder Fjeldsted's remarks, Miss Ida Peterson, daughter of the first missionary to Sweden now living, sang "Ave Maria" very sweetly. Elder Brigham Young next addressed the congregation. He was pleased in being privileged to be present and to mingle with those who were once strangers, but who were now of the same fold as himself. He spoke of Asia and Europe are gathered together in these valleys. Their languages are different, they have ideas that are dissimilar and the education which they have is very much unlike; but when the Spirit of God came to them, they were united and were brought together as one. Although different languages are spoken by the Saints in many cases, great harmony exists in the country; but when foreigners come to Zion and mingle with the people here in the valleys of the mountains, the identity of their nationality is soon lost.

The great work commenced by Erastus Snow in taking the Gospel to Scandinavia was spoken of by Elder Young. The result of the sowing of the Gospel seed in Sweden and other European countries was manifest at the present time. Hundreds of thousands of foreigners have gathered to Zion and have remained faithful to the Gospel.

The honest heart exist in all countries and are fast being found and the Gospel truths are taught them by the missionaries who go out year after year, possessed of the same spirit that prompted Erastus Snow when he first preached Christ to the Scandinavian people fifty years ago.

Anthony H. Lund, son of Apostle Lund, then rendered a vocal solo, his splendid voice being heard to advantage, after which Elder Lund addressed the congregation in the Danish language.

Mrs. Agnes Olsen-Thomas followed Elder Lund with a vocal solo. President George G. Cannon was the next speaker. He was greatly interested in the conference of the Scandinavians, which he termed a happy occasion. He commented upon the wonderful work which had taken place during the last fifty years among the Scandinavians. The speaker stated that, as a rule, he did not approve of the different nationalities holding their meetings separately, but he favored the Scandinavian people, who he termed a happy occasion. NEW BISHOP FOR SUGAR.

Elder Millen F. Atwood Chosen to Succeed Bishop Driggs.

Elder Millen F. Atwood was last evening chosen to succeed Elder Apolos G. Driggs as Bishop of Sugar House ward. Elder Atwood was Bishop Driggs' first counselor. Bishop Atwood's counselors, also named last night, are Elders Edward J. Wood and John M. Whittaker.

The meeting at which these changes were made, was attended by Apostle Heber J. Grant and the presidency of the Granite Stake. Apostle Grant explained that Bishop Driggs had been released from his labors as Bishop simply as a missionary was released from his duty, and that there was no degradation or humiliation connected with it in any way whatever; that Bishop Driggs had done a good work; that he had been consulted and had been agreeable to the change and that the High Council had passed favorably upon the names of the new Bishop.

CLAIM OF MRS. M. JUDGE.

It Has Been Sustained by the Board of Equalization.

Four Profits are Exempt, as the Mines Have Already Been Taxed Outside of This County.

The county board of equalization has made a ruling on the claim of Mrs. Mary Judge that is of general importance.

The lady pays taxes on a large amount of valuable real estate. It seems that nine-tenths of her income is represented by Silver King dividends and the county attorney held that these dividends could not be assessed because they are the net proceeds of a mine already taxed, but not in this county.

Assessor Quinn had charged her up with \$10,000 cash on hand, and the ruling of the county attorney, which was adopted by the board of equalization exempts \$9,000 of this amount.
