EDITORIAL NOTES.

The Chicago Tribune nominates Edmunds of Vermont and Miller of California, as the Republican ticket for 1884. Edmunds says he does not want the nomination. We do not recollect of any prospective candidate over admitting that he did.

On the 5th inst., at the convention of the Protestant Episcopal Church, held in the Church of theHoly Trl nity, Phi a leiphia, the English Lord Bishop of Rochester, in an address, said: "A reproach sometimes cast is people of their possessions and pronot a just one, that the poor are not pristary rights. Thinking men to be found in our churches. The having no connection or sympathy poor have souls as well as the rich." with "Mormoniam," have enter-We wonder if the exalted priest tained this view, and have so exthought he was astoniahing his au- pressed in; clear terms, being able ditors with a new discovery when he made that announcement.

Glass is beginning to take the the "Mormons." place of wood and iron in making We certainly should have given raticoad bridges in England. The Governor Murray credit for more inventor makes blocks of glass, which he hardens by a special process. In solidity it is said they leave nothing to be desired. The experiments already made have given surprising results, and the cest is below that of bridges of wood or iron. Moreover, the glass cannot be injur- by some of the infigential journals, ed by insects like wood, nor rusted to whose representatives he has like iron.

way. England generally manages to make ends meet and show a trifling surplus of \$2,000,000 or \$3,000,-000, to be applied to the reduction of men several hundred years behind rested. its enormous national debt. The the times. The ostensible object of this measure is to enforce the laws United States, in spits of Congressional extravagance, puts by nearly in Utah. In opposition to this theory fifty times as much; and Holland we place the fact, easily susceptible and Belgium keep about even. With of proof, that the "Mormons" are these exceptions, every nation in the most law-abiding people in the the civilized world shows an annual United States.
