Prominent Speakers Will Respond

portance to West.

H. M. WELLS TOASTMASTER.

Club Issues Circular Letter Inviting
Commercial Bodies to Attend
"See America" Meeting.

The special committee of the Commercial club on the "See America First" movement completed last night their banquet toast list for next Friday night, as follows:

Hon. H. M. Wells, former governor, toastmaster.
"Possibilities of Publicity," Oscar H. Blackman, New York.
"The Columbia West," Hon. W. E. Borah, Idaho.
"Natural Effect of Western Development," Gov. Albert B. Alard, Washington.
"Interest of the West in Seeing America Movement," Emerson D. Fay, Iowa.
"The Great Republic," Hon. Alva Adams, Colorado.

LETTER SENT OUT.

The following circular letter has been sent out to heads of commercial bodies over the country:

"The special committee extends to you an earnest invitation to be present in this city Jan. 22, two days before the opening session of the 'See America' conference, which is called, as you know, on the 24th inst.

"This Commercial club has said that it would present a joint or procedure for the consideration of the conference of Jan. 22, 1906. The movement has now reached such unexpected proportions that, recognizing the wide area of country affected and the grave interests involved, the club is reluctant to assume the sole responsibility of the plan in question and in which all are equally interested. Indeed it would be manifestly unfair to the important organizations which have thus far rendered such generous and effective aid in advancing the interests of the conference, to ignore them in the preliminary consideration of this vast and important phase of the work.

"The general plan in contemplation will be, when completed, comprehensive and representative in character and easily possible for practical application, but that it can be carried out only by the experienced men named above admits of no question.

"Further, it would seem wise to have the plan presented to the conference with the understanding that it represented not only the best thought of the combined commercial bodies of the directly interested section, but had their sanction and endorsement.

"Such a presentation as is here indicated would also, it seems to the committee, move strongly for the accomplishment of the purposes of the conference.

THURSDAY'S FREE CONFERENCE.

High Class Banquet Event for the
"See America First" Delegates.

The concert at the Tabernacle Thursday next, in honor of the visiting delegates to the "See America First" conference, will be entirely free, the east end of the gallery only being reserved for the delegates, who are expected to number about 200. All other visitors will be admitted to their seats. While the desire is that the house should be filled in order that our visitors will gain a view of the great building at its best, ushers will be on hand to see that no objectionable characters are allowed admittance, and that no babies in arms, especially, are permitted to enter.

The object of the music committee will be to give a brief high-class entertainment, and as soon as the First Presidency have finished the singing to the Commercial club, Prof. Stephens and Prof. McCallan were interviewed regarding the choir and the organ. Both gave immediate consent and the plan now is to have two choir numbers, and three organ selections as the choir and the organ will, of course, be the great novel feature of the visitors. Aside from this the Orpheus club, 40 strong, will sing one selection. Mrs. Emma Ramsey Morris will render one solo, and if she can be released from the Orpheus, Prof. William Welch will give a violin solo. These eight numbers, with possible encores, it is estimated will not last more than one and one-quarter hours, which will form an ideal entertainment to the visiting delegates.

MEETING OF IRISHMEN.

Local Branch of United League Will
Hold Fourth on Wednesday.

On Wednesday night next, the United Irish League of America will hold a meeting in the Knights of Columbus hall in the Jennings block on First South street. A splendid program has been prepared for the occasion and it is the intention of the league to have every Irishman in this community present to enjoy it. The chief speaker will be Father W. K. Ryan, who recently came here from Ireland.

The local branch of the United Irish league was organized at the time William Redman, brother of the member of parliament from Ireland, visited this country. Joseph Geoghegan is at the head of the local organization, and many of the most prominent Irishmen of the state are active in the work. The real object of the organization is to assist in securing home rule for Ireland, and the main object of the meeting Wednesday night is to advance this work.

WARD FAIR A SUCCESS.

The Wilford ward fair which was mentioned in the "News" early last week, came to a very successful termination Friday evening. The crowning feature of the evening was the performance of the quartet, Miss Fattie Flowers, daughter of Mr. and Mrs. L. E. Flowers, and an excellent character ball were the closing features. From start to finish the affair has been a complete success, both socially and financially.

NO CHANGE IN POSTMASTERSHIP.

Gov. Thomas Will be Recommended
by Senator Sutherland
For Reappointment.

SPRY NAMED FOR MARSHAL.

Nominations Will Probably be Acted
Upon by the Senate Some Time
During the Week.

(Special to the "News.")
Washington, D. C., Jan. 22.—Senator Sutherland has decided to recommend the reappointment of Governor Arthur L. Thomas as postmaster at Salt Lake. The nomination will probably be sent to the senate some time this week.

William Spry, chairman of the Republican state committee, has been nominated by President Roosevelt for the position of United States marshal for Utah, to succeed B. B. Heywood, the present incumbent, whose term expires in a few days. The senate will act on the appointment probably during the week.

EUREKA POSTMASTER.

James P. Driscoll has been appointed postmaster at Eureka, Utah.

CLOSE VOTE EXPECTED ON PHILIPPINE BILL.

(Special to the "News.")
Washington, Jan. 22.—The senate committee on the Philippines tariff measure will give a full week to the hearing and it is expected that Utah, Idaho and Colorado will have representatives here to oppose the house measure. Any report as to how the vote in the senate committee will stand is unauthorized and premature. The best opinion obtainable here is that the vote in the committee will be close, but that the house bill will be favorably reported, with a chance of several amendments, increasing the duties on sugar, tobacco and rice to 10 per cent of the Dingley rates instead of 25, as passed by the house.

TO GET ACQUAINTED.

Many Citizens Will go North With
Manufacturers' Association.

The names of those who intend to take the "get acquainted" excursion to Cache county Wednesday next, are beginning to be received at the office of the Manufacturers & Merchants' association. The prospects now are that 250 or more will take the trip, and it will be a thorough success. Over 150 tickets are now reported as sold. Ogden has promised over a hundred from the Weber club, and other towns on the north will send delegations. The train is scheduled to leave Salt Lake at 8 o'clock, and to arrive back at 11:30 p. m., or just in time to catch the last home train. At Ogden a two-hour stop on the return trip will give everyone a chance to carry out the "get acquainted" idea to the limit of his desires.

RESUMPTION OF WOMACK HEARING

Eye-Witness to Shooting of Frank
Mathews Relates What
Occurred.

HAD WARNED THE DEFENDANT

Expected Trouble But Did Nothing to
Prevent It—Mathews Quarreled
With Wife.

The trial of the case of the State of Utah against Frank Womack, charged with the murder of Joseph Mathews on the night of Oct. 22, 1905, was resumed this morning in Judge Armstrong's court. The only witness on the stand was C. A. Fisher. He said that he was at the Mathews residence when the shooting occurred, and saw the defendant. He went into the kitchen and saw Womack and said to him: "You've killed him, haven't you?" Womack then replied: "Well, he started it."

Witness said that he had talked with Womack about staying at the Mathews house several weeks before the shooting. He said that he told him that Mathews and his wife had trouble over him staying there, and that he ought to get out. He told Womack that Mathews had mistreated him on his account. Womack told the witness that if he ever went after Mathews he would get him. Fisher said that Womack and Mrs. Mathews appeared at the very first and called out to him other by their given names. Witness said that he knew Womack had a gun as he had seen it in his trunk.

On cross-examination he testified that he had had trouble with Womack once over a woman at Liberty park. He stated that he would never interfere when a man and his wife were quarreling for fear of being called a meddler. He saw Womack put the gun in his pocket and go out of the room on the night of the shooting and expected trouble, but yet he took no men to prevent it. He stated that Mathews quarreled with his wife on that night before Womack was called out of bed.

Witness saw a bunch of Womack's hair on the floor after the shooting. He denied that he had ever said he wanted to see Womack convicted.

WITNESS ENTERS DENIAL.

Tells of His Connection With So-Called
Fraudulent Land Deal.

L. V. Withee today filed in the district court a general denial to the complaint made against him by H. T. Schaeffer, who charges fraud in connection with a certain land deal, and so far as I am concerned the person's rights shall be protected. Presumption and doubt should be in favor of the accused, and I do not propose to make a man a criminal on the basis of which he has not been proved guilty of beyond a reasonable doubt. An accused person, whether the charge be perjury or burglary, is entitled to the same rights as though he were charged with murder, and I do not propose to do any 'stretching' in order to punish a defendant.

NEWTON AFTER EVANS.

Atty. William Newton is hot after the scalp of Officer Charles Evans. This morning at 10:30 a. m. Newton, after being arrested by Judge Diehl charged with contempt of court, and asked the court to punish the officer. Newton declared that the court's order was not a law, and that he would not obey it. Judge Diehl took the matter under advisement.

CARVING OF FOREST DALE.

Hon. George M. Cannon Says He Believes Agitation Will Fail.

Concerning the effort on the part of some residents of Forest Dale to secure an order from the district court to have all of the town east of Ninth East street disconnected from the township corporation, George M. Cannon today expressed himself as being of the opinion that their effort will be futile.

"This matter was brought up some time ago," he said, "and was decided by popular vote in Forest Dale. The outcome was that practically one-sixth of the voting population voted to be severed from the municipality, the other five-sixths electing to remain. This matter has been up in the courts before and the case was decided against the petitioners. Those who are agitating the matter reside on the extreme eastern edge of Forest Dale. Should this action be taken, and I do not think it will, it would involve our water supply, as it is in this district where the water originates. Compared to the city of Salt Lake the taxation is considerably lower. Last year taxes in Salt Lake amounted to 34.2 mills, while Forest Dale property holders paid 28.2 mills, this amount including a special rate of 5 mills which was voted by the residents of Forest Dale. I do not think that the present agitation on the part of a few will amount to anything."

Mr. Cannon is generally looked upon as being the "father" of Forest Dale, as he was one of the first Salt Lake residents to move there and boom that section.

POLICE TRIBUNAL OVER BAD MAN.

His Discharge Causes Friction
Between Arresting and Com-
mitting Officials.

IS IMMEDIATELY RE-ARRESTED

Whereupon His Attorney Files Affidavit
of Contempt Against Police-
man Evans.

The case of Joseph Die, the young man accused of vagrancy in Judge Diehl's court on Saturday, discharged on the grounds that the prosecution had failed to prove the allegations set forth in the complaint, and re-arrested by Officer Charles Evans, is attracting considerable attention in police circles. The man was represented by Attorney William Newton. The complaint set out that Die was guilty of roaming about the streets at late and unusual hours of the night, etc. When it came to a question of proof it was found that the accused had been seen on the streets at late only as 9 o'clock at night. Attorney Newton made a motion to have the accused discharged, on the ground of insufficient evidence. The motion was granted.

That the man is a vagrant, under the ordinance, there seems to be no doubt. After the case was closed, Assistant City Attorney Daly learned that the man had been the associate of known thieves, but that was not embodied in the complaint, it was useless to introduce such testimony. Mr. Daly readily recognized the lack of evidence against the man, and stated that under the circumstances Judge Diehl could do nothing else. But Mr. Daly is determined to see that the man is punished, if possible. The main reason for his determination is that the man had taken his 17-year-old wife and placed her in a house of ill fame, and then demanded money from her. There is no doubt of this because the woman called at the house mentioned, and sent notes in order to get money. The police, it was also proved that the man called at the house mentioned, and sent notes in order to get money. The police, it was also proved that the man called at the house mentioned, and sent notes in order to get money.

When asked for a list of the new patrolmen, Chief Sheets said that at this time he could only give the names of four men. The others, said he, have not been decided upon. The names of the lucky ones are: C. E. Staines, Sam T. Vickery, Tom Cassidy and Harry Jones.

Yesterday afternoon the chief summoned the men slated for decapitation, and asked for their resignations. The men declined to resign, stating that they would prefer to be removed—removed they will be. The list follows:

John Cummeck, George Watson, F. A. Clark, W. H. Leaver, G. Brown, J. D. Brown and Frank Brown.

A glance at the list should convince one that it looks decidedly blue for the Browns, J. D. Brown has been in the force for several years. For some time he has had charge of the chain gang. He is the officer who prevented the escape of the colored burglar, Willie Ross, by shooting the latter in the hip.

Chief Sheets Formally Notifies Seven
Old Officers That They Will be
Dismissed Tonight.

More new policemen—C. E. Staines, Sam T. Vickery, Tom Cassidy and Harry Jones.

According to the "American" party "reform" program, seven police officers will lose their official heads when the big axe swings in the council chamber tonight.

Yesterday afternoon the council met on police and prison, met with Chief Sheets in the latter's private office. They went over the list of those whose heads must fall to make room for the hungry and the faithful. They agreed who should go, but up to a late hour this afternoon, only four names were decided upon for appointment, according to a statement made by Chief Sheets.
