

CONTRACT FOR SCHOOL BUILDING

Awarded by Board of Education To Asper, Noall & Company.

NEXT TO LOWEST BIDDER.

Supt. Bridwell Gets Increase of Salary of From \$1,800 to \$2,000 Per Annum.

At the regular monthly meeting of the board of education last evening, Vice President H. P. Henderson in the chair, the firm of Asper, Noall & Co. was awarded the contract for the construction of the new school building...

After considerable discussion of the matter, during which many questions were asked and answered, by various members, it was unanimously agreed that the contract should be given to Asper, Noall & Co. Mr. Giauque urged the necessity of proceeding without delay to the construction of the proposed building...

RECOMMENDATIONS ADOPTED.

The following recommendations were made by the committee on buildings, the same being adopted: "That the board purchase from the Hubbard Investment company certain lots in Wilkinson subdivision for \$1,320."

It will cost only one dollar and is much cheaper than sickness. Write to Dr. David Kennedy's Sons, Rondout, N. Y., for a free sample bottle.

HIGHWAYMEN AT WORK

Two held up and robbed a Saloon Man Last Night. Two highwaymen held up and robbed Frank Herceg, a west South Temple street saloonkeeper, shortly after midnight last night. The man was alone in the place at the time, and was relieved of \$20 found upon his person. No attempt was made to interfere with the safe or cash register.

FALSE REPORT OUT

As an illustration of how false impressions arise and are circulated in the east concerning Utah, Gov. Cutler, in a communication to his secretary, N. P. Nelson, states that while he was en route to Los Angeles an eastern man informed him that the papers in the east were full of stories to the effect that Utah was the only state in the Union which had refused to aid the California sufferers. The governor informed the gentleman that Utah had the first call of provisions into San Francisco after the earthquake and that the people of the state had subscribed most liberally to the various benefits and are still working away raising funds and food clothing for the needy ones. No doubt the report gained circulation through the fact that the state nor Salt Lake City have neither as yet donated to the fund.

BIDS FOR PAVING

Work on Second South to Tenth East Street. The city engineer was instructed by the board of public works at its meeting last night to advertise for the grading, curbing, guttering and paving of Second South street from Third to Tenth East. He was also instructed to advertise for bids for the construction of a band stand at Liberty Park at a cost of \$2,000.

TREASURER'S REPORT

A report was read from the treasurer, showing that the cash on hand on May 1, was \$105,920.40. An increase from \$1,800 to \$2,000 per annum was made in the salary of George B. Bridwell, superintendent of school buildings.

REPORTER FIRED OUT

This decision was demurred to by a Herald reporter who was present. He claimed that such a proceeding was without warrant, and was about to back up his assertions with argument, when Mr. Thomas reminded the chairman that none but members could speak at a meeting of the board, without unanimous consent. All reporters, except the one referred to, withdrew upon first request, and it was only after an officer had been called for by the chairman to elect him that he made up his mind to leave also. The incident occasioned quite an excitement for a time.

Dyspepsia is Often Caused by Catarrh of the Stomach—Peruna Relieves Catarrh of the Stomach and is Therefore a Remedy For Dyspepsia.

Hon. M. C. Butler, Ex-U. S. Senator from South Carolina for two terms, in a letter from Washington, D. C., writes to the Peruna Medicine Co., as follows:

I can recommend Peruna for dyspepsia and stomach trouble. I have been using your medicine for a short period and I feel very much relieved. It is indeed a wonderful medicine, besides a good tonic.

CATARRH of the stomach is the correct name for most cases of dyspepsia. In order to cure catarrh of the stomach the catarrh must be eradicated. Only an internal catarrh remedy, such as Peruna, is available.

Peruna exactly meets the indications. Revised Formula.—For a number of years requests have come to me from a multitude of grateful friends, urging that Peruna be given a slight laxative quality. I have been experimenting with a laxative addition for quite a length of time, and now feel gratified to announce to the friends of Peruna that I have incorporated such a quality in the medicine which, in my opinion, can only enhance its well-known beneficial character.
