commercial basis on which our present universities are founded. Great instru-tors teach their students to get that out of their university career which will make for them the most money after their grad-uation.

To them the most maney after their grad-uation. "I am looking forward to the time when the universities of the country will be one great student body organized for the pur-pose of clearing the correspiton from our positical system. America is a land of opportunity, but along with that oppor-tunity there should be cartied the thought of obligation to our fellowmen. It is easy enough to get a man who is shart and bright, but the man we want is the one who can mix saintliness with the rest of his good qualities."

A WOMAN TELES HOW TO RE-LIEVE RHEUMATIC PAINS.

LIEVE RHEUMATIC PARS. I have been a very great sufferer from the dreadful disense, rheumatism, for a number of years. I have tried many medi-cines but never got much relief from any of them until two years ago, when I bought a bottle of Chamberiatn's Pain Bains. I fonne relief before I had used all of one bottle, but kept on applying it and soon felt like a different woman. Through my advice many of my friends have tried it and can tell you how won-derfully it has worked-Miss. Sarah A. Cite, 140 S. New St. Dover, Del. Cham-berlain's Pain Balm is a linimeat. Rev. J. H. Crooker Speaks at the University of Utah.

Rev. J. H. Crooker of Boston addressed the State University students yesterday

the State University students yesterday afterneon on "Students as I have known them." The speaker said is part: "The gratest contribution that could be made to the human spect to-day would be in doing something for the hetterment of the public service. In doing great things there is no element so large as character. These has been the most radical change in the universities of our land in the last 25 years, the tendency to-day is to put universities on a commercial basis. This is a money-making and crav-ing age, all of which can be traced to the

Hopes to Get Into Form to Stand Inspection on Wednesday.

A first drill will be held tomorrow night, at which an election of officers will be held, and full equipment provided. Next Monday even-ing in Ogden, Company B, the guard's finest infantry command, will be paraded under Capt. Kneass for inspection by reg-ular army officers. Tuesday and Wednes-day evenings Company G. Company H. the First battery, and the Signal corps. will be paraded for inspection, after which the officers will visit the southern com-panies. Upon their report depends the fu-ture of the guard's finances as large gov-ernment appropriations will be available in case the guard is found up to standard in both numbers and drill form. hopes to get into form to stand inspection ----

All the good qualities of Ely's Cream Balm, solid, are found in Liquid Cream Balm, which is intended for use in atomizers. That it is an unfall, ing cure for Nasal Catarrh is proved by an ever-increasing mass of testi-mony. It does not dry out nor rasp the tender air-passages. It allays the in-fiammation and goes straight to the root of the disease. Obstinate old cases have been cured in a few weeks. All druggists, 55c, including spraying tube, or mailed by Ely Bros., 56 War-ren Street, New York.

Assist Nature.

Assist Nature. You have been told to "hitch your wagon to a star"-that Nature will assist you. That's all right. There are times, however, when you should assist Nature, and the spring is one of these times. Nature is now undertaking to cleanse your system-if you take Hood's Sarsaparilla the undertaking will be successful and your complex-ion bright and clear.
