

## OGDEN.

OAKS CLOTH, 100 YARDS.

## The Iron First.

Manager A. Davis Jr. of the Ogden Foundry came to the east yesterday. He stated that he had purchased a modern power furnace built by the western Co. of Indiana Co. The engine has a capacity of 1000 horse power and will run at an average of 1000 tons per day. This is being loaded and on the way to Ogden. The pipe factory which was purchased by Ogden Foundry Co. has been sold to Ogden Foundry Co. It is reported that Ogden has a large amount of machinery and tools which will be used in manufacturing cast iron water pipes and gas pipe, architectural iron work and stamp and machinery work to the end of August.
