DESERET EVENING NEWS.

THE DESERET NEWS COMPARY. OHAHLES W. PENROSE. - EDITOR Thursday. . Des

OUT OF THE FRYING PAN INTO THE FIRE.

Ar last the anthro of the whole-th falsehood that the People's rity in Toole County, in 1875, frathed the "Elberals" of one mared and fitty legal votes, has an compellet to acknowledge that such thing occurred. The "Elb-al" organ of Wednesday says it is a "misapprohension," and es to pai the fanit upon "a gentle-an from Toosie." It is not this on "a reliable old woman." or "a out of four, and would not appeln under any co

been compelled to acknowledge that no such thing occurred. The "Lab mas an "misapprehension," and thins "a "misapprehension," and thins "ta "misapprehension," and thins "ta "misapprehension," and thins "ta "misapprehension," and the sub-these of trational and groundless these of trational and groundless the sub-that they were "well thins with a substance" by These dors Bormester. We do not believe that Mr. Surmester ever committee this Mr. Surmester ever committee this Mr. Surmester ever committee this Mr. Surmester we committee this Mr. Surmester we committee this substance to any the as such thisse if to any such suff as that we happen to know something shout that gentieman's connection dore Burnester. We do not bellev: that Mr. Surnester wer committee himself to any such stuff as that. We happen to know somshing about that gentleman's connection with the election affairs of 1378 in and belief, but as such and recorded fasts that with the election affins of 1878 in Toucle which randers this story about his making such a statement next to impossible. "In substance" is the avving clause by which the, more clausey hand that forged the story about the one hundred and fity "Liberal" voice, on the alleges authority of "a reliable old woman" --no, not that, this time-"a gentle-man from Toocle"--seeks to protect himself lest he find he is under an-other "misappebension." npted to dispute them " and "scrubs" and "fluxe scora and black-

in the story, because the muchinery was all in the "Liberals" at that time ot at all likely that these officials would depriv ty of a hundred and fifty puty of a hundred and fifty votes, when they hung on to films which they had obtained and, and would not give them their legally elected successors facted to do so by sandate the Supreme Court of the Ta-bart His forte is me Even the reckless and utter rupulous writer of the false have less more that the stapid and

As to his blackguardism of the X rews, that is so stale that it does not count as all. He long age erhausted his stock of expletives. He could not "The belief that Christ has pon the earth to re-establish the I

stock of experives. He could not may anything wonse of us than some of his own party may of him. An-we repeat, that if all the lies tok-about the People's Party in Toosk were true, it would be no justifica-tion of the "Liberal" frauds, for which all his nonsense is a miserable archeve them originated, seconding to the be information I can gain, at Shoshon Agency, Wyoming. The first infor-mation I got in regard to it was frou-some of my Indiana, who had been i Dariington and had returned bringing the most that White Boffale a r m orig some of my indians, who had been to Daritington and had returned bringing the word that White Budfalo, a re-turned Carliele student, had been to visit the Northern Cheyenmes and had brought back the report that Jesus had come down upon the earth again and had appeared to the Indians; that He was discovered by two Indians; who had found Him by followings light in the sky during eighteen days travel over a country destinute of water, yet at each comping place they were supplied with water from a little pool that came out of the ground and farmished just enough for their needs, and no more.

AN INFANOUS DECISION.

spology.

furmissed just snough for their needs, and no more. "At the end of the sighteen days' journey they came to a secluided place nears mountain and there they saw Jesus, and asw where while mes had driven nails in His hands and where they had pierced His side. Jesus told them that He had come to aswe the white mes and they had exceided Him, and this time be had appeared to the Indiana, and they about do back and tell the Indiana what they had seen. "The two Indians were then borne up in a cloud and in a very about time they related what they had seen;

t their home, whe they remain the induce picked out three other Indians to go and unbeam-tize the report of the other two, as it was himted they ware not as reliable as they might be I have not heard whether the last party ware made a reculative ar entirely When White Buffs

The setting spectrature of characteristics IF certain events should occur, the members of the "Moreaou" Church MIGHT be told to practice polygamy. These conditions do not now exist, they may newst ex-ist, and if they should it does not follow that his theory would be realized. And because of these its and buts and maybes, he doesn men of good moral character from the privileges of naturalisation. He alminis that each applicant is "a man of good moral character," and that there is nothing against either of them, "except that he is a Morthe report that White Buffalo brought awakened a great deal of interest. It was talked over by old men, and we seen began to hear a very great deal about it. "At first it was claimed that the Josus that these Indiana asw was ex-

"At first it was claimed rans any Jesus that these Indians any was ex-scily like the pictures of him in the Bible. This assemed to establish the identity beyond a doubt. There was a great deal of stress put on the fact that he wore long hair. It soon be-came current that Christ would wips out the white people and bring the dead to life among the Indiana. "It is to be expected that Jesus will of them, "except that he is a Mor-"It is to be expected ather all the Indiana d that Jes

of lates, Those and the set of the mote." But Judge Anderson says: "The Mormon Church has souris of the Mormon Church has souris of the User of the Courts of the United States." We brand this statement as a judicial falsehood and the very hight of childish at-surdily. But suppose it was true. What has that to do with these the suppose it was true. What has that to do with these seven men who apply for naturalisa-tion? Do they claim or attempt to override any decres of a court? And he says. "Their members on re be is, and w to go to this pi ce if any wh to go to this place it any white man tries to stop blam they this white many will drop dead. Others claim that when they start to go where Jeams is, that if the soldiers hill them to pro-vent them from poing, it will not mat-ter, for their souls will go right on. "After a while it seems the source mis-hour a while it seems the source mis-ho about their empiric be source mis-ion about the second the White Burk." After a schore might be non-c about the report that Whit a brought back. There was tarn written making inquire the rennes and Are

letters written making inquires of the Northern Cheyennes and Arapaboss. Soon after I beard that letters had been received confirming the report. The following is a copy of one of middl of interne hostility and of of the
