

Cincinnati, 14.—The total vote of Cincinnati is between 65,000 and 70,000. Republican gains are reported in nearly all the precincts heard from, 50 in one, 116 in another and 124 in another. Small democratic gains are shown in one democratic ward. The republicans claim the election of both Congressmen Butterworth and Brown, and the entire county ticket by 10,000 majority.

The election in Cincinnati has been the most memorable in its history. Party feeling had grown to its intensest heat, and this resulted in bringing out the largest vote ever polled. In a number of wards here the democrats are the strongest in force, and the deputy marshals were intimidated or driven away and the presence of colored men was the signal for assault. In one of these precincts a single deputy marshal was present in the afternoon, but he bore testimony by a black eye, to the rough treatment received in the early part of the day. In many voting places there was a large assembly of voters before the polls opened, for the purpose of seeing that the opposing party took no undue advantage in the election of judges and clerks. This gave rise to some trouble in some wards but the common source of disagreement was when challengers were arrested by deputy marshals for obstructing voters. It was then in order for deputy sheriffs and policemen who represented the law on the democratic side to rescue the challengers, and thus the conflict of authority occurred. The deputy marshals were armed with policemen's clubs, as well as 44 calibre revolvers. The deputy sheriffs in many cases were armed with hickory sticks, probably made from dray pins. At one of the strongest democratic precincts a colored deputy sheriff was conspicuous with a stout hickory club in his hands. It was not an uncommon sight to see officers of both sides in custody. Deputy marshals found themselves arrested by policemen. In the Sixth ward, where many negroes vote, one large policeman was arrested by colored deputy marshals. The republicans and democrats each had lawyers employed to attend to getting their men released as fast as possible after arrest. Altogether it has been a day of deep excitement, and its comparatively peaceable termination is a matter of congratulation.

COLUMBUS, 14.—One hundred and seventy-eight wards and precincts show a net republican gain of 178 over the vote for Secretary of State in 1880. The same wards show a net republican gain of 2,484 over the vote for Governor in 1883. This includes six wards and precincts out of 27 in the city of Columbus which show a net republican gain of 107.

Dayton, 14.—The election in this city was quiet. Very few illegal votes were cast. Everybody was orderly, and a full vote was out. The indications are that Dayton will give 300 democratic majority. The Soldiers' Home cast a full vote, with probably 100 republican majority.

Canton, 14.—The returns are unofficial, but such as we have give not less than 1,000 majority. Mr. McKinley was re-elected by the present Congress, and his election is a republican gain.

Benjamin Butterworth (Rep.) is elected in the First District by about 2,500 majority.

Columbus, 14.—Three hundred and twenty-four wards and precincts show a net Democratic gain of 550 over the vote for Secretary of State in 1880. The same wards and precincts show a net republican gain of 4,890 over the vote for governor in 1883. The correspondent of a Cincinnati democratic paper telegraphed the editor that Columbus had gone republican hell bent.

Three hundred and sixty-six wards and precincts showed a net democratic gain of 785 over the vote for Secretary of State in 1880. The same wards and precincts showed a net republican gain of 5,729 over the vote for governor in 1883. Geo. E. Sewey, democrat, is re-elected to Congress in the Seventh District.

Columbus, 14.—The noise of the enthusiastic republicans on the street is becoming almost infernal. The democrats are hoping for favorable returns from Butler, Mercer, Monroe, Lynch and other strong democratic counties, so as to keep the republican majority below 20,000. Seven hundred and sixty-five wards and precincts show a net democratic gain of 756 over the vote for Secretary of State in 1880. The same wards show a net republican gain of 11,969 over the vote for governor in 1883. Eight hundred and twenty-eight wards and precincts show a net democratic gain of 1,245 over the vote for the secretary of State in 1880. The same wards and precincts show a net republican gain of 12,629 over the vote for governor in 1883. W. D. Hill, democrat, for Congress in the Sixth District is probably elected.

Cincinnati, 14.—A bulletin at 12:45 a.m. says: Late returns show increased republican gains. We have heard from a little over one-third of the State. If the remaining two-thirds are correspondingly republican, the indications are that the majority will exceed 17,900, and probably reach 20,000.

A later bulletin—828 wards and precincts in Ohio show a net republican gain of 12,629. The same ratio of gain throughout the remainder of the State will give the republicans a majority of 16,500.

Toledo, 17.—There is nothing definite from the outside counties of this district in reference to Congressmen. It will be several hours before we can report with any certainty as to the fate of Mr. Hurd.

In the Fourth ward, the home of all

the worst criminals in the city four or five fights occurred, but no one was seriously hurt. Both the republicans and democrats had made preparations to prevent fraudulent voting, and the result has been satisfactory beyond their most sanguine hopes. At noon, two-thirds of the vote had been cast, and it was evident that every voter was working. One feature was the large number of "vest pocket" votes cast. These were mostly polled by the democrats, and in consequence the republicans were happy. The effect of this was counteracted by the knowledge that Robinson and Johnson were falling behind the vote. Many Germans were supposed to be cutting the head of the ticket, on account of the action of the saloon keepers. Throughout the day the democrats have been confident of success, and even up to 9 o'clock in the evening predicted Robinson's defeat. The Congressional fight has been paramount in interest to the State ticket with many, and the result promises even more of a surprise than the results on the rest of the ticket, the vote for Romeis (rep.) for Congress being larger than anticipated by his most sanguine friends.

Youngstown, 14.—Mahoning county is republican by about 1,100, a net republican gain of 550.

Cincinnati, 14.—The Commercial Gazette specials indicate the election of Hodges for Congress in Mansfield district by 800 majority, a gain of one Congressman.

Springfield, 24.—An enormous vote was polled with indications of a 2,000 republican majority.

London, 14.—The republicans elected their entire county ticket. In the Hooking and Tuscarawas valleys large republican gains are reported.

Dayton, 14.—Returns for the city of Dayton are all in. One precinct, the Soldiers' Home, the republican gain is 118.

HALIFAX, 14.—The steamer City of Mexico to-day from St. John, N. F., brought among her passengers Lieut. Gordon, who sailed from Halifax nearly three months ago on the Neptune, bound for Hudson's Bay, with men and appliances for establishing stations for the proposed scientific observations. With Lieut. Gordon there returned Dr. R. Bell, W. W. Fox and C. R. Tuttle, Secretary of the expedition. The last named was compelled to return on account of ill-health.

An interesting account is given of the voyage on the Neptune. The vessel struck sunken rocks twice while trying to make a landing on Resolution Island. At Diggs' Island the party amused themselves chasing Polar bears, three of which were shot and their skins are in the possession of Dr. Bell. An ordinary marine compass was found of no use to the party. Places where stations for scientific observations were placed abound in most kinds of game, including wild geese and ducks and reindeer, and in some places the water teems with trout, salmon, cod and other fish.

CINCINNATI, 14.—S. S. Davis, the banker who assigned yesterday, gives as the cause of his trouble the default of \$10,000 by his paying teller, Samuel Tudor. Tudor has confessed, and says he lost the money in wheat speculations.

QUEBEC, 14.—The four men suspected of causing the explosion at the Parliament buildings on Saturday, ranged in age from 40 to 21 years. They all occupied the same room, in which were two double beds. Madame Molin, landlady, not understanding English, could not make anything out of their conversation. Two of the men seemed to have all the linen they had with them on their persons. They were in the habit of paying for each meal as they partook of it, and also of paying for their beds each morning. Thursday last the youngest of the party left, taking with him a heavy valise, and did not afterwards return. All seemed well supplied with American money, which, it seems, they had some difficulty in getting exchanged for Canadian money, to pay for their board. Saturday afternoon the guardian of the Quebec Central depot at Lewis, stated he had on Friday heard men speaking in reference to an intended explosion in front of the station, and that he at once communicated what he had heard to the force of Quebec and Lewis.

CINCINNATI, 14.—A Ripley, Ohio, special says: Morris Garrison died this morning from the effects of pistol shot fired by David West during the progress of the republican procession.

This morning Henry Coleman stabbed Thomas Daniels four times, inflicting mortal wounds.

FULTON, Mo., 14.—As a ten-year-old girl, named Bennett, was walking with a younger sister past a corn field near Guthrie, ten miles east of here, yesterday noon, one of three negroes working in the field seized the oldest child and ravished her. The little sister carried the alarm home, and a posse of citizens organized immediately. All the negroes were found in the field armed with corn knives and a gun. They made a show of resistance; but finally surrendered and were taken to Guthrie, and put under guard. At 3 o'clock this morning, a party of mounted men rode to the house where the negroes were confined and fired at them through the windows. One of the negroes ran into the street and was shot dead. The others were again fired upon, and the ravisher fell down and was left for dead. The party then rode off. Investigation showed the ravisher had feigned death. The survivor was taken to jail to-day, but it is expected he will be lynched to-morrow.

COSHOCTON, O., 14.—J. Gaumer and

family, of Lenton township, drank from a spring of water which was poisoned and are now lying at the point of death.

PETERSBURG, Va., 14.—The tobacco factory of C. A. Jackson & Co., High street, the second largest in the city, was totally consumed by fire last night, with contents, involving a loss of over \$140,000; insurance, \$100,000. The fire originated in the leaf room. The burning of this factory throws out of employment over 400 colored operatives. The fire was not extinguished until an early hour this morning.

COLUMBUS, O., 14.—The fire in the Syndicate mine at Carbon Hill was extinguished to-day. The efforts to smother the fire in the mine at Sand Run is a failure, and the flames are still raging.

CINCINNATI, Ohio, 15.—Both the democratic and republican press this morning agree that yesterday's election in Cincinnati was the bloodiest ever held here. Democratic papers assert that a thousand deputy marshals were employed, mainly in intimidating honest voters; while the republican press construes the conduct of the police force and deputy sheriffs in a similar manner, comparing it to Mississippi policy.

Following is a list of those injured in yesterday's outbreak: Killed—Albert Russell, colored. Wounded—Joe Lowry shot in spine, fatal; Bridget Hughes struck in breast with a boulder, dangerous; John Murphy, shot in stomach, flesh wound; Andrew Bennett, colored, shot in side, not dangerous; Sam Taylor, colored, shot in side, serious; Mike Gorman, policeman, shot in back, dangerous; Henry Sherlock, policeman, shot in back, dangerous; Henry Brown, colored, shot in abdomen, fatal.

The last three were wounded in the affray at the corner of Sixth and Fremont Street late last night, between 50 and 100 people took part in the fight which grew out of the attempt of Gorman to arrest a negro. Gorman was shot in the back by an unknown person and a general fusillade followed, in which 100 shots were fired. The riot alarm was sounded and the disturbance quelled after two policemen and Brown had been shot.

The republicans claim 20,000 majority in the State and the democrats concede 10,000. Of congressmen, both parties concede as follows: Republicans elected in First District, Ben Butterworth; Second, General Charles E. Brown; Fourth, John F. Sines; Eighth, John Little; Ninth, W. C. Cooper; Twelfth, Alphonso Hart; Fourteenth, C. H. Grosvenor; Seventeenth, J. D. Taylor; Eighteenth, J. H. Taylor; Nineteenth, Ezra B. Taylor; Twentieth, Wm. McKinley. Democrats elected are, in the Fifth district, Ben Lefevre; Sixth, W. D. Hill; Seventh, Geo. E. Seney; Eleventh, E. F. Ellisberry; Thirteenth, Jos. Outhwaite; Fifteenth, B. H. Wilkins; Sixteenth, Geo. W. Geddes; Twenty-first, M. A. Foran. Doubtful, 3rd district close; 10th, chances favoring Jacob Romeis, republican. In Hamilton county 96 out of 108 precincts give the following republican majorities: State ticket, Secretary of State, Jas. Robinson, 2,262; Judge Supreme Court, Wm. Johnson, 2,435; member Board of Public Works, Leo Flickinger, 3,036. The congressional ticket in the 1st district, Ben. Butterworth, 1,500; 2nd district, Chas. E. Brown, 2,078. Judicial ticket, three republican candidates, Peter Swing, J. M. Smith and Jos. Cox were elected.

COLUMBUS, Ohio, 15.—We have no additional returns to change last night's figures, will be able, this afternoon, to give a close estimate on the State. Republicans have elected Congressmen in the first, second and twentieth districts. A good deal of mystery surrounds the prohibition vote; upon this and the withholding of reports from a few counties the democrats base the hope of cutting down the republican majority below 15,000. The contest for Congress in the third district is very close.

CLEVELAND, Ohio, 15.—Full election returns show Robinson republican candidate for secretary of State received in this county 22,864 votes. Newman, democrat, 28,646; Johnson republican for supreme judge received 22,946; Martin, democrat, 20,729.

The prohibitionists cast 368 votes for E. J. Morris for secretary of State, 375 for Rosebrough for supreme judge, 297 for Kendall for Board of public works. The average prohibition vote is less than 400.

CINCINNATI, 15.—The greenback State ticket averaged 97, prohibition vote average 84.

CINCINNATI, 15.—The people are more than ordinarily arrayed in two great parties, both greenback and prohibition vote are comparatively insignificant and the vote was as distinctly marked as if the presidential ticket had been before the people. A matter of great surprise is the large vote received by the republican candidate for judge of the Supreme Court. There was a general belief that he would fall far below the rest of the ticket owing to disaffection among saloon men on account of his opinions on the Scott liquor law. On the contrary it appears that he has been carried fully up with the remainder of the ticket and here in Hamilton county his vote is greater than that for Robinson. Chark county is estimated to give 2,300 republican majority; Scioto about 700, with Judge Johnson leading the ticket. Athens county gives Grosvenor, republican, for Congress, 1,600 majority. Bellaire shows a slight democratic gain. Gallatin, Kent, Coshocton, Lancaster, Mansfield and Demorest also show small democratic gains.

TOLEDO, 15.—The result in the Tenth Congressional District is still in doubt, both parties claiming the success of their candidate. The doubt hinges upon the majority which Ottawa County will give Hurd, and this cannot now be definitely ascertained. The result will doubtless be known in a few hours.

COLUMBUS, 15.—A later report from the Fourth District shows the election of Anderson, democrat, to Congress, over Sinivies, republican.

TOLEDO, 15.—The returns come in slowly and it may take the official vote to settle it.

NEW YORK, 15.—Governor Cleveland left Albany this morning accompanied by his Private Secretary and Mayor Banks of Albany. It was the expressed wish of the Governor that no demonstration be made in his honor along the route. At Poughkeepsie, however, the crowd was so large and enthusiastic, that he was induced to show himself to the assemblage for five minutes. He shook hands with all who could reach him. At this point Senator and Mrs. Newbold boarded the train and the Governor chatted pleasantly with Mr. Newbold until Garrison's was reached. Here Hamilton Fish got on board the train and entered the car, occupied by the Governor. They greeted each other cordially and conversed together until the arrival of the train at the Grand Central depot. At about 10:30 a committee composed of Senator Gorman, of Maryland, Ex-Mayor Grace, Senator Gwin, J. W. James C. D. Campbell, H. B. Lighter, J. B. Coleman, Eugene Kelley and Messrs. Greene and Vanderpool met the Governor at the depot and after an exchange of greetings escorted him to a carriage which he entered in company with Senator Barnum and Col. Lamont.

Large crowds assembled at the depot and when Governor Cleveland made his appearance cheers were given which continued until the carriage departed. Large numbers of men rushed toward the Governor and held out their hands, which he smilingly grasped. Several times, after the carriage had started, the driver was ordered to stop his horses so that the Governor could satisfy the desires of those who wished to shake his hands. The party drove to the Fifth Avenue Hotel, where the Governor alighted and immediately proceeded to his rooms. Quite a crowd gathered outside the hall and gave hearty cheers on the arrival of the democratic candidate. The rooms of the Governor were immediately besieged by politicians and reporters, who were anxious to get a word from him or his secretary, but Cleveland remained in his private apartments, to which only a select few could gain access.
