CAN'T YOU MAKE UP YOUR MIND TO BUY NOW?

For many weeks I have talked to thou-sands of "News" readers and the results have been highly satisfactory. I am sure that at least 25 different per-I am sure that at least 25 different persons have bought a home from me through the agency of this paper.

Those 25 persons are now beyond the reach of a greedy money-or-your-life landlord and paying rent has become a thing of the past.

Why shouldn't you follow the example of those 25 homebuyers and shake off the shackels of a Renter?

Now is the most opportune time in the history of Salt Lake to invest in a piece of property.

Every dollar you invest now will show a heavy net profit by fall.

No matter how little you invest, the profit will be heavy and the gain sure.

Don't hesitate.

Don't hesitate.

Look over these special plum offers printed below and if you don't find on the list what you want, call on me Monday and secure a complete list and a free map of Salt Lake City.

MONEY TO LOAN. IT IS NOT NECESSARY TO HAVE the house built first, in order to borrow money from us. We will take the loan before the house is started, and then advance the money as the house goes along. In this way the owner can pay spot cash for everything, and thus save considerable money. The owner may make his own arrangements as to building. We don't take contracts, but are always glad to give advice or suggestions when desired. We prefer this class of loans, as the houses are new and modern, and if
