QUICK ACTION ON CROOKED WORK

Race Track Jobbers Are Ruled Off the Turf by Judge Pomeroy and Other Officials.

When W. H. Gleason, secretary and chief stockholder of the Utah Jockey club, and W. W. Finn, manager, stated to the "News" a day or two ago that the first suggestion of crookedness on the local track would be dealt with promptly and those guilty of wrongdoing would be punished, they evidently meant what they said, and the crookedness came on Saturday and was promptly and effectually handled.

A glaring job was worked, a job in which the public was fleeced out of $960. The raw work was discovered in the third race of the day. In that race Rather Royal, a strong favorite, was entered. The horse finished last in a field of starters he can beat any time when conditions are square. But he finished last and the judges became suspicious, and they had grounds for suspicion. Rather Royal had been shod with such heavy shoes it was impossible for him to win, and a certain bookie, well knowing this, and alleged to be a party to the foul combination, offered odds on him as high as 4 to 1, and the bettors, suspecting nothing wrong, simply fell over each other to get a bet down on him. The book referred to was the Arkansas club, Columbus Jones, proprietor. This book took in on that race $960.

Judge Pomeroy and associate juges, Davidson and Ensign, knew something was radically wrong because the race should have been easy for Rather Royal. An investigation was started immediately and to the credit of the officials, be it said, they took prompt action when they discovered the cause. They found that the horse had been heavily shod. The bookmaker's sheet was sent for and it was found how he had been played and the amount wagered by the public. As a result, this is what happened:

John Wallace, trainer of Rather Royal, Joseph Nelson, the groom, John Hawke, blacksmith plater at the track for this meeting, and Columbus Jones, the bookmaker for the Arkansas club, were summarily ruled off the track, and not only were they ruled off, but they were ejected from the grounds under police escort in command of Capt. Forsee, the Pinkerton detective.

The betting was such, when the horses came to the post, the judges did not like the looks of things and Jockey Henry Smith was warned to ride right. It is not believed that Smith was in on the job or knew anything about it because the lad apparently did his level best and appeared puzzled at the lack of form shown by his mount. He finished last. Manager Finn went to the stable and examined the horse and found that on each forefoot was a heavy shoe. It was then the sheets were sent for, and it was found that the Arkansas club was the one most benefited and the action noted was taken. Presiding Judge P. P. Pomeroy issued the following statement:

"Trainer John Wallace, Groom Joseph Nelson and Plater John Hawke are ruled off the turf in connection with the running of the horse Rather Royal in the third race of today. The Arkansas club, operated by C. Jones, is ordered to remove its slate, and the owner thereof requested to leave the course forthwith in connection with the aforesaid race."

Following are the result of the races:

Race Horses For Sale

For sale, thoroughbred horses; sound and in training and ready to race. As business interests require my attention elsewhere, I have decided to sell my entire racing stable. The horses are all in good order and capable of winning out their purchase price before the end of the present Salt Lake City meeting, and as another meeting will probably be held at Ogden, later followed by several minor meetings, they surely look like good business investments. There are eight in number, ranging from two to six years old. Call or address Dr. H. E. Rowell, the Bransford hotel, or at the Fair Grounds track, where the horses can be seen.

THREE YOUNG STARS OF PITTSBURGS WHO ARE PLAYING SENSATIONAL GAME

Judging by the grand article of ball they have been putting up since the start, Manager Fred Clarke and his Pittsburg Pirates will have a lot to say about which team will represent the National league in the world's series next fall. Bill Absteln, whom the Pirates obtained from the Providence Eastern league team last fall, is holding down first sack, for many years Pittsburg's weak corner, in splendid style. Abstein is also hitting the ball at a great clip. J. Miller at second base is one of the finds of the season. Manager Clarke says that with a little more experience in fast company he will be the greatest second baseman in the National league. The youngster has been playing a sensational fielding and batting game since his debut in the big league. Jap Barbeau, the Pirates' new third baseman, is another one who has made good this season. This is Barbeaus' second experience with the big leaguers. In 1906 he was signed by the Cleveland Americans, but after a short trial he was sent back to the minors. He is the smallest third sacker in the major leagues today.

CARD AT ST. REGIS.

Manager Price of the St. Regis club has arranged a program of amateur boxing bouts for this evening at the Auditorium which he believes will greatly please patrons of the club. The main attraction will be a four-round go between Peanut Sinclair, one of the club champions, and Tommy Fitzgerald, said to be a most likely lad and a willing mixer. Besides this affair there will be four other four-round bouts and a battle royal.

AMATEUR BALL GAMES.

There were several good games of baseball yesterday between amateur teams of this city. The Birrell Newsboys won from the Coal Heavers, 12 to 9, and then defeated the Stars by a similar score.

The Popular Grove team was beaten by the Lucky Nine, 18 to 8, and the Sugo team defeated the Lumber company aggregation by a score of 17 to 1. The game between the Wells-Fargo Express company and the Pacific Express company was won by teh former, 41 to 12, and the Auerbach's were beaten by the Wageners, 6 to 5.

At Park City, in a city league game, the Park City Juniors won from the Ontario team by a score of 12 to 10. It was a close game all the way and lasted 10 innings.

HEBER WINS TWO.

The two games played between Heber and Lehi were won by Heber. The first game ended with a score of 20 to 7, and the second was 16 to 12. One of the contests was witnessed by Gov. Spry and staff. Both games were played at Heber. The batteries for Heber were Jackson and Wheeler, Whipple and Jackson; for Lhei, Johnson and Nelson.

POLICE LOSE MATCH.

Went Up Against Battery Boys in Pistol Shooting Contest.

Some time ago the Salt Lake policemen agreed to enter a series of pistol shooting contests with the battery boys and Saturday evening the first contest was pulled off at the armory and resulted in defeat for the cops. The latter were beaten by a score of 325 to 318. The score follows:

SALT LAKE TAKES ANOTHER GAME

Beats Helena in Fast and Most Exciting Contest of Series on Senator Grounds.

HOW THEY STAND.

Helena	19	8	.704
Salt Lake	15	12	.556
Butte	14	13	.519
Boise	6	21	.222

By a score of 10 to 8, Salt Lake defeated Helena in yesterday's game. It was the most exciting contest of the series at Helena, first one team and then the other being in the lead. In the seventh the score was tied but in the succeeding inning Salt Lake took the lead that won the game. Johnson in the box for Helena, was guilty of poor fielding, which had much to do with the result.

At Butte the Miners played an errorless game, but in spite of that Boise won by a score of 5 to 2. Butler did fine work in the box and Petrie made the first home run of the season at Butte. The detailed score of both games follows:

BOBBY BYRNE OF THE CARDINALS PLAYING STAR GAME.

While Roger Bresnahan's St. Louis Nationals are considered to be one of the weakest teams in the older organization, still, if the hustling manager had two or more youngsters like Bobby Byrne, who holds down third sack, the Cardinals would make the stronger clubs work hard to maintain their positions in this year's race. Byrne under Bresenahan's management is playing as strong a fielding and batting game as any third baseman in the National league. He has been a member of the Cardinals since the fall of 1907 and made good from the start. Since his professional debut on the diamond he has held down every position on a team with the exception of pitcher.

CATCHER BEMIS OF THE CLEVELANDS, WHO MAY BE TRADED.

Rumors are now in circulation on Ban Johnson's circuit that Catcher Harry Bemis of the Cleveland Americans is to be traded to thte Philadelphia Athletics for one or two of Connie Mack's young pitchers. Bemis, who had been ill for many weeks, only joined his teammates the other day. He is, when in good condition, one of the hardest working backstops in the American league. Bemis has been a member of the Clevelands since 1902. His addition to the Athletics would strengthen Connie Mack's catching department.

INLAND EMPIRE EXPOSITION IS A GO

From All Over the State Come Inquiries Regarding Space for Exhibits Next October.

From all over the state and even from some of the surrounding states come inquiries of all sorts concerning the big Inland Empire exposition which is to be held in Salt Lake for two full weeks in October. Manufacturers, farmers, stockraisers, fruit growers, educators and mining men are among those who have already manifested great interest in the enterprise and with the support already assured it goes without saying that the exposition will be the biggest thing the people of this state have ever attempted.

In all there will be over 200 persons on the different committees and every section of the inter-mountain country will be represented. Secretary Ensign has sent out more than a thousand letters in the past month and the replies indicate a wide spread interest in the event. From Utah county alone it is expected that there will be more than a hundred entries of thoroughbred horses. The Utah County Horsemen's association have taken the matter in hand and will not only enter all the horses in that section but have offered to assist in getting entries from other counties. From other parts of the state similar reports have been received and it is evident that the agricultural interests of the state intend to hold up their end and keep even with the manufacturers and mining men.

Applications for space for manufacturers' exhibits have been coming in so fast that Secretary Ensign is having considerable trouble in making arrangements to provide room for them. A great many eastern manufacturers have applied for space and are willing to pay any price within reason for it.

There will be more room in the buildings than has been possible before, but even with the increased space there will not be nearly enough to accommodate those who want to exhibit. The entire inter-mountain country is to be represented and of course the western states will be given the preference. President J. G. McDonald is now negotiating with several large amusement companies and the "Desert" at the Inland Empire exposition is promised as one of the biggest and best amusement avenues ever offered at a western fair. The officials are determined to get away from the old fashioned "midway" features and are scouring the country for novelties and new things of a really meritorious character. Already more than a dozen big things that have never been seen in the west have been offered and when they are contracted for and announced to the public it will be seen that the "Desert" will contain something worth while.

The special committees for the different departments are getting ready for active work and some decidedly interesting innovations are being planned. The history of early days in Utah will be portrayed in many ways and an effort is being made to get as many features as possible showing the contrast between the days of '47 and those of 1909. The progress and development of the great inland empire will be depicted in every way possible and visitors to the exposition will be able to gain a fairly good idea of the remarkable achievements of the people of Utah and the west.

GRANITE STAKE FIELD DAY.

Preparations are under way for a big day at Wandamere Wednesday. Valuable gold medals are being made for winners of track events. The cowboy races will be intensely interesting and lovers of good, clean sport will enjoy the program from start to finish. Pain's magnificent fireworks spectacle will be given at night.

DAVIS COUNTY FIELD DAY

The district schools of Davis county this year held their field day exercises at Lagoon. Among the sports was a baseball game between teams from the north end and the south end of Davis county, as well as racing, jumping, swimming and boating contests. The "sweet girl graduates" were out in all the glory of their white graduating gowns, as the weather, for the first time in several years, permitted the wearing of summer apparel during the closing exercises.
