GENERAL.

CHICAGO, 10:30 p.m.—Private dispatches from reliable sources indicate that Hartranft is elected in Pennsylvania by from 20,000 to 30,000; that Ohio is Republican by 10,000 to 15,000. Returns from Indiana are few, but look favorable for Republicans.

CINCINNATI.—The *Gazette* special shows 136 Democratic gain in Crawford. Three townships in Clinton Co., give a Republican gain of 57 over 1870.

In the 14th and 17th wards, Cincinnati gives Banning Liberal 23 majority. Republican loss, compared with the spring election, 203. Serious Republican losses are reported in the 15th ward. The large German vote appears to have been cast for Taft, representative for the short term, for the first district.

NEW YORK, 8:30 p.m.—Advices from Pennsylvania are to the effect that Hartranft is elected by a large majority. Philadelphia is claimed for him by over 15,000.

NEW YORK, 8:9 p.m.—Pennsylvania is given up by the Liberals, and the Republicans now claim Hartranft's election by 80,000. Scattering returns from Indiana indicate Republican gains.

SOUTH BEND, 8:45 p.m.—South Bend completes Gov. Brown's majority 206, being 23 Republican gain from October 1868, and 132 Republican gain from Oct. 1870.

CHICAGO.—A private dispatch from Indianapolis, 9 p.m., says until the vote is counted the result in that State is mere guess work on account of the extraordinarily large vote polled, and the extreme length of the ticket, which contains 140 names, makes counting so slow that it will take all night to count the vote.

A private dispatch from Columbus, O., 8:40 p.m., says the returns from about 30 towns in ten or twelve counties show a net Republican gain of 700 over the vote of 1870.

INDIANAPOLIS, Ind.—The election returns so far are very meagre, the ticket is very long and the returns have been received only from the small precincts. The vote is very close and it will be late before a correct estimate can be made. In St. Joseph county, one precinct gives Brown's majority at 207, Republican gain on the vote of 1870 105; White River township, Randolph Co., Brown 375, majority gain of 61; New Haven, Allen Co., Hendrick's majority 119, Democratic gain 21.

PHILADELPHIA.—The 11th Ward

gives Buckalew 3,350 majority. The Democrats generally concede that the Republican majority in the city will be nearly 20,000. The following Hartranft majorities are reported—1st Ward, 1,430; 2nd Ward, 117; 3rd Ward, 775; 8th Ward, 343; 10th Ward, 1,870; 15th Ward, 1,350; 16th Ward, 590; 18th Ward, 1,813; 4th Ward gives Buckalew 780 majority.

NEW YORK, 8.—It is reported that detectives have found a man supposed to be connected with the murder of Capt. Colvocoresses, at Bridgeport, Conn., about four months ago, in the person of Jno. Traynor, a canal boatman.

SAN FRANCISCO, 8.—Mrs. Isadore Georgia Shew contests the will of her mother, M. Henrietta Averill, on the ground of insanity.

A committee of the board of supervisors declares unanimously that the charges preferred against Keating, superintendent of the Alms House, are without foundation and are malicious.

In a row on Shipley street, at 12 o'clock last night, John Wallace, a teamster, had his head beaten open with a mallet. No arrests.

The medical experts who testified against Laura D. Fair demanded \$100 per day each for their services. The supervisors allowed them \$1,300 in the aggregate, half the amount they claimed.

SAN FRANCISCO, 7.—In the 4th district court the pending preliminary arrangements in the case of Laura D. Fair against Mrs. Lane, counsel for the latter stated that he had released her claim to \$8,000 of the money in dispute and paid the same over to Judge Curtis, Mrs. Fair's counsel in the murder case. The force employed at Mare Island is larger than for years past.

PORTLAND, 7.—The schooner *Rosa Perry* was driven ashore at Shoal water Bay last Wednesday, totally wrecked. The crew were all rescued by the U. S. steamer *Shubrick*.

A soldier at Vancouver, named Saunders, while trying to escape from the guard house, was shot and killed by the guard.

SALINAS, 7.—This evening Rowling, while boring an artisan well, on Main St., struck a gas jet at a depth of 70 feet, which increased in violence, and carried out earth and stones loosened by the machinery. Gas now flows from the well with a force of over 100 square inches, is inflammable, and will be of incalculable benefit for lighting purposes. It is no doubt as good as coal gas. As inflamed from the pipe, the flames reached twenty feet above the opening and were with great difficulty extinguished. One gentleman doubting the genuineness of the gas, ignited it with a match, and was only saved from suffocation before it could be extinguished.

BOSTON.—A letter received here states that the ship *Golden Hind* of this city was lost June 24, about ten miles north of Cape Gloucester, Charles Island. The crew took to the boats in charge of the captain and two mates. The boat in charge of the second mate, with six seamen, has not been heard from since, and is supposed to have been swamped soon after leaving the ship. The captain's boat capsized, the compass and all provisions and clothing being lost. They finally landed on a desolate island, where five of the crew died from starvation, and from which the remainder were rescued August 10th by the schooner *Eagle*, of Falkland Islands. When taken off, they were hardly able to stand.

NEW YORK.—The *Express* says it is the general impression in the city that Wm. M. Tweed has left the city, and will not return to stand his trial on Monday in Oyer and Terminer or at the general session at a later day.

OMAHA.—The election passed off quietly. A full vote was polled and the Republican State and Congressional ticket was elected by about 5,000. Tals, Douglass, county, which may be considered the Liberal stronghold, gives a Republican majority of about 100.

WASHINGTON.—The election in the District of Columbia to-day was attended by but few disturbances. General Shipman, Republican, present delegate to Congress, was re-elected by 5,600 ma-

jority. The Republicans also elected 19 out of 22 delegates to the legislative assembly.

NEW YORK, 9.—A Philadelphia special says as many as 35,000 persons were present at the Union League House last night, to hear the news of the elections. McClure and the Liberals gave up the fight at 8 o'clock, as they saw that the Republican majority in the city alone amounted to more than they could overcome by the total Buckalew majority in the outside counties. The crowds in the streets were very enthusiastic and cheered lustily. At about half-past 11 McClure and Forney conceded 15,000 majority to Hartranft. Special dispatches indicate a majority for Hartranft in the State at from 15,000 to 25,000.

The results are awaited in this city with great interest. Last evening crowds assembled at the political headquarters and hotel to hear the returns. The Fifth Avenue hotel was thronged with politicians, who received the telegrams until a very late hour.

The *Tribune* say, We have been cheated out of Pennsylvania, but have made great gains in Ohio, though not enough to carry the State, and have nothing discouraging from Indiana.

A special to the *Sum* says the Republicans gain Congressmen in the 6th and 21st districts, and one State Senator and two legislators in Pennsylvania.

CINCINNATI, 9.—All the precincts in the first Ohio district are in, but one. Saylor, Democrat, has a majority over Eggleston of 3,974, for the short term. In the same district Dodds, Democrat, has a majority over Taft of 2,365. In the Second Ohio district two precincts give Banning, Liberal, a majority over Hayes of 1,490, which will be reduced to about 1,300, and Wiley, Democrat, and Liberal for secretary of State, a majority over Wiffoff of 5,720, which will be about 5,600, when the returns are all in.

CHICAGO, 9.—Special dispatches received here add nothing to the facts already telegraphed in regard to the election yesterday.

The *Tribune* concedes Pennsylvania and Ohio to the Republicans, but claims Indiana doubtful.

The *Times* says the results of the elections yesterday may be summarized by stating that the Republicans carried Pennsylvania, Ohio, Indiana and Nebraska, and adds that Greeley's defeat is doubly assured. There was much interest exhibited here to learn the result of the elections, and considerable crowds gathered about the newspaper offices and political headquarters where the returns were bulletined.

To-day, being the anniversary of the great fire, hundreds of individuals and firms are celebrating it by moving into new quarters in the rebuilt part of the city. The board of trade will take formal possession of their new hall to-day. The building is complete in all its parts, and not only far exceeds the old one, but is considered one of the finest in the United States.

The *Tribune* this morning is issued from its new office in its new form on eight-page paper. Both the *Times* and the *Tribune* publish sixteen pages this morning, largely devoted to a review of the past year's work in the city.

Jersey, indicted chief of police McWilliams and detective Doyle for conspiracy to rob the first national bank of Jersey in June, having burglars' tools and allowing them to be used for breaking into and entering the bank. Doyle filed bonds of \$28,000 to appear for trial. McWilliams was not arrested at the adjournment of the court.

Professor Tyndall and the Marquis of Queensburg arrived per the *Lucania*. It proves that Reddy the blacksmith did not attend the Pennsylvania election and was not arrested in Philadelphia.

This morning a Barbary coast ranger named Dowdy (white) struck King (colored) over the head with a cane and then ran into the ball room. King followed and fired two shots at Dowdy, both of which took effect and killed him instantly.

Though James Crittenden followed Mrs. Fair through the streets last night, and threatened her if she did not leave town, no application for police protection has been made. Judge Tyler, her counsel in the civil case, considers himself ample body guard for his client.

VICTORIA, 9.—Dispatches from New Westminster announce that small-pox has broken out there. The three Kit cap-lap Indians who were convicted of piracy at the last assizes, and subsequently ordered released on a ticket of leave, will be sent to Melakathia, this morning, per steamer.

The prize fight between Tom Kelly and Fred Bussey took place about twenty miles below here yesterday, and was won by Kelly in twenty-eight rounds; time, thirty-five minutes. Bussey was badly punished.

The *Republican*, this morning, in an editorial, takes by no means a discouraging view of the defeat on Thursday, and strongly urges the Democrats and Liberals to keep up the fight, and to work vigorously for success in November.

WASHINGTON.—The Secretary of State, to-day, received, by special messenger, an official copy of the decision and award of the Geneva Arbitration Board, handsomely engrossed on parchment, and bound, with the signatures of the arbitrators, enclosed in a neat wooden case, highly polished.
