TO THE BISHOPS AND PRESIDING ELDERS IN ALL THE SETTLEMENTS OF THE LATTER-DAY SAINTS.

DEAR BRETHREN: It is our desire to commence again to assist the scattered poor of God's people in gathering to Zion. To aid in the accomplishment of this purpose we request the Bishops and Presiding Elders in the various settlements to give especial attention to the collection of the debts due to the Perpetual Emigration Fund from those who have been assisted in past years. In view of the near approach of the season of the year when our emigration leaves the shores of Europe, we desire that our brethren give this matter their immediate attention, that we may be enabled to do as much good as possible this present year.

It is the duty of all the Saints who have the means to assist in the gathering of those of their brethren and sisters who are still scattered in Babylon, and we should be pleased to have the local authorities solicit donations from those who are not in debt to the P. E. Fund, and who are able and willing to do their part for the gathering of scattered Israel.

Your Brethren,
BRIGHAM YOUNG,
DANIEL H. WELLS

BRIGHAM YOUNG.
DANIEL H. WELLS.

Returned.—Elder W. C. Staines returned from the east on Tuesday night.

Personal.—Mrs. L. A. Blakesley and Mr. G. W. Meachan, of Humboldt Station, C. P. R. R., called on us yesterday afternoon. They are on their way east.

Tearing Down.—The old buildings, between Dinwoodey's warerooms and the Blazzard property, are being torn down, to give place to the new ones about to be erected.

Juries.—Yesterday Judge Emerson made an order of Court, requiring the drawing of eighteen grand and thirty-six petit jurors, on Saturday, at 2 o'clock, to serve for the ensuing term, for the Third District.

Fatal Accident.—On Tuesday Mr William Russell, foreman of the Mono mine, was accidentally crushed to death, by a car, which suddenly became loosened from its fastenings. He was aged about forty years, a native of Missouri, and had lived a long time in California.

Operation.—Day before yesterday Dr. Bredemeyer had three fingers of his left hand amputated, the operation being performed by Drs. Brunschweiler and Hamilton. It will be remembered that Dr. Bredemeyer had his hand frozen during the Winter, when lost in a snow storm, in the mountains, near Alta, which was the cause of amputation becoming necessary.

Fat Beef.—The other day Mr. Jennings purchased, for his butcher, from Mr. Ford, of Centreville, three stall-fed beeves, the like of which, for size and fatness, are seldom if ever seen hereabout. When living they reminded one of moderate sized elephants. After they were slaughtered, in the vicinity of 300 pounds of fat was taken from two of them. The two kidneys in one of them, with fat attached, aggregated about 100 pounds.

Z. C. M. I.—The process of removing goods to the splendid new store of Z. C. M. I. is now in progress, having been commenced yesterday, and will continue until preparations are completed for the opening, which is expected to take place on or about April 1st. In the meantime the business will be carried on in the old quarters until the public are duly and definitely notified of the change of location.

For convenience to purchasers, wholesale and retail, the new premises will undoubtedly be all that could be desired.

More Buildings.—Four substantial buildings are about to be erected on the burned district, immediately south of the White House, East Temple Street, two of them by Mr. George Romney and the other two by Mr. John B. Hawkins. Mr Romney has the contract to build the two for Mr. Hawkins, besides erecting his own. Each building will be two stories high, with basement underneath. The basement walls will be rock up to some distance above the ground level, and above that adobie, excepting the front, which will be brick and open. Each will have a frontage of 22 feet, making an aggregate of 88 feet, and will extend rearward 70 feet. Work on those buildings is already in process. We are gratified to note such improvements, as indicating an approach of brisker times, to which such enterprises naturally contribute.

Mr. Kennicott's Concert, to-night in the Presbyterian Church, promises to be a very choice affair. The vocalists and performers comprise the very best of the entire Territory, and the programme is such as to ensure the approval of all lovers of music who may do themselves the pleasure of attending.

The concert will open with one of Bellini's overtures, by the band—first and second violin, viola, violincello, organ and piano. Then comes a duett by Mesdames Hamilton and Haydon; a solo by Mr. Black; a trio, from Gounod's Faust, piano, organ and violin; contralto solo, "Waltz Song," by Mrs. Haydon; the first part concluding with a trio—"On Thee each living soul awaits," Haydn, by Mesdames Hamilton and Haydon and Mr. Black.

The second part of the programme is equally choice, commencing with Quartetto 21, Mozart, with violins, viola, cello and piano accompaniment; soprano solo, "I love my love," Mrs. Hamilton; "Nocturne," piano and organ; "I watch for thee in starless night," tenor solo by Mr. Leaman; concluding with vocal quartette—"Good night, good night, beloved," Mrs. Haydon, Mrs. Hamilton and Messrs. Leaman and Black.

The concert commences at eight o'clock.

Resumed.—Work has been resumed upon the handsome new residence of Mayor Little. Mr. Peter Reid is there, with a force of hands, finishing the carpenter work of the interior. The structure was designed by Messrs. Folsom & Taylor, and does them excellent credit, and everything about it is of the most substantial character, and the workmanship unquestionably good.

Theatre.—On Saturday evening Mr. J. H. Vinson will present the new version of Mr. Tullidge's great five act play of Ben Israel, Mr. Vinson in the title role, Miss Walters as "Rachael," Mr. Lindsay as "Charles I," and Mr. Graham as "Gabriel."

Snow—Meetings—Schools—Parties—Co-operative—Preaching.

PARADISE, Cache Co.,
March 21st, 1876.

Editor Deseret News:

I believe it is always considered that any communication from Paradise is very acceptable to the citizens of this lower world. Therefore I take great pleasure in informing your numerous readers that all things spiritual and temporal are in a very healthy condition, although we are rejoicing with our *terra firma* very nicely covered with nearly two feet of snow, and it is still coming down daily and nightly, O!

We have enjoyed ourselves this winter in the meetings, schools, parties, and in the family circle.

In December Bro. O. Smith was appointed Bishop of this ward. We have hauled considerable rock with a view to commence building a meeting house the coming season.

We have a well ordered Sabbath school, under the superintendence of Robert Pierce, and two day schools that are taught by H. A. Shaw and R. Pierce. These are well attended, and education has its share of interest.

Our co-operative store is a great success. At a meeting of the shareholders, held on Saturday last, a dividend was declared and ordered to be paid, of twenty-five per cent There was also an election of the new board of directors. Mrs. Emma Shaw is our clerk, who, for the past five years, has discharged her duties to the entire satisfaction of the board, the shareholders and all concerned.

On Sunday last we had two excellent discourses from President S. Young, Jun., and Bishop Liljenquist. They were replete with the spirit of kindness and good counsel.

All is peace and comfort, and we are entirely free in our Paradise from all political bustle in these days of exposure.

Yours truly, P. M.
