The Speculation Mania.

NEW YORK, 31.—The *Evening Post*, commenting on the Pillsbury defalcation, says "wild cat" mining stocks are responsible for a great deal of misery and crime, and it is to be feared will be the cause of a great deal more. Revival of business has whetted afresh the appetite for speculation, and there are no doubt at this moment hundreds of persons who are secretly dabbling in these insecure securities, who have no moral right to risk a dollar in them. Every week new mines are introduced to the New York Market, usually with a rattling flourish of trumpets, and relays of gulls are constantly found to feather the nests of sharpers who take them in. The ruin of another bank officer was made public last evening, and is due to the fatal craze of gambling in mining stocks. A month ago he was honest. A craving to get rich quickly seized him. He saw the stock of some mine had doubled and trebled in value within a few weeks. Pillsbury, scarcely four weeks ago, invested heavily of the bank's money in mining stocks, and from that moment his fate was sealed.

"Mad Anthony's" Monument.

ERIE, Pa., 31.—The corner stone of the monument to Gen. Wayne was laid here to-day with imposing ceremonies. Gen. Wayne's remains were exhumed in 1809, the flesh was broiled from the bones and reinterred, the bones being taken to Chester County, Pa. The monument is to be on the site of the original interment and where a portion of the remains now lie.

Ice Inside a Penitentiary.

At a G. A. R. encampment today, documents were laid before the department staff by a commission from McKeesport, Pa., having reference to the petition of Eli Ice to all the Grand Army posts of the country. Ice is in Moundsville penitentiary, sentenced for life for shooting a rebel prisoner who was escaping in 1853, and for which he was honorably acquitted by a general court martial, but rearrested after serving through the war, and tried and condemned in a few days by the civil authority. It is alleged of the two lawyers who prosecuted him, that one has Ice's wife and the other his property.

In Retreat.

ST. PAUL, 31.—Gen. Terry, commanding the Military Department of Dakota, received to night a dispatch from Gen. Miles, dated camp on Rock Creek, 18 miles south of the boundary, saying that Sitting Bull's band of Sioux have fled northwest to Wood Mountain, leaving their property scattered along the line of the route for fifty miles. The Sioux are estimated to number 5,000, with 2,000 fighting men. Gen. Miles says he believes he has force enough to deal with all the Indians Sitting Bull can gather.

Changes.

CHICAGO, 31.—The mayor, to-night, announces some wholesale changes in the police department, two captains, four lieutenants and seven detectives being superseded. It is said all these dismissed members of the force are republicans.

The Labor Committee.

The congressional labor committee to-day took a large amount of testimony, which was totally contradictory as to the remedy for existing evils. One of the witnesses was a female member of a working union, who read a speech of some length, giving her views on finance, labor and capital. The general sentiment of those witnesses, not identified with the socialistic labor party and opinions, was that times are now pretty good, are growing better daily, and full of promise of a prosperous future. The opinion generally expressed here is that the work of the committee, as indicated by the testimony taken in Chicago, will be as worthless as it has been hitherto frivolous.

Horse Thief Captured.

CHEYENNE, Wyo., 31.—Doc Middleton, a notorious horse and cattle thief, for whose capture large rewards are offered by different counties of Nebraska, was taken last Sunday in his camp on Niobrara River, about 200 miles northwest of Columbus, Neb., and was brought into that town this evening. Sunday morning, detectives and soldiers from Columbus and Grand Island surrounded the house of Richardson, Middleton's father-in-law, captured Richardson and five of Middleton's gang. Richardson was compelled by threats of hanging to lead the party to Middleton's camp, which was found in a cañon near the river. The party surrounded and surprised Middleton, and he with his wife and two of his gang were captured. Middleton was found to be severely wounded, the result of his fight with the detectives, last week. It is supposed the greater number of the gang were away locating a new camp, as no stock was found with Middleton.

Omaha, 31.—Sheriff Killian, of Hale County, returned to Grand Island to-day from the Niobrara region, where he went in company with detectives Leech, Smith and O'Brien, last week, in search of Doc. Middleton, a noted horse thief and outlaw. Killian reports that Black Hank, of Fort Hartsuff, while reconnoitering last Sunday evening, about six miles above Upper Ferry, on the Niobrara, discovered in a cañon what he first supposed to be a large rock, but upon inspection found it was a tent, and then in company with five soldiers and Sheriff Killian and others, descended the ravine and was fired on by some one, which was returned and the party then discovered that they had found Middleton. The outlaw tried to crawl away and conceal himself, but when ordered to surrender, he did so without resistance. There were in camp, Middleton, his wife, two boys, and one who escaped. The other was captured and set at liberty. Middleton's wounds are not supposed to be dangerous, but painful. The wound is just above the groin on the left side, and probably broke his hip bone. Detectives say they saw no signs or traces of any confederates in the vicinity. Middleton's wife returned to her folks who reside near the place of his capture. Llewellyn, Smith, Leech and O'Brien are en route to Columbus with the prisoner, where they are expected to arrive to-day. Middleton is very bitter towards Llewellyn, and says he will, if set free, revenge himself on the wily detective.

Further Particulars of the Capsized Yacht.

CLAYTON VIA OSWEGO, 31.—The party which met with the accident here this morning was from Binghampton, N. Y. and vicinity, and numbered about 250 persons. They were spending a few days on the St. Lawrence and had this morning the steam yachts *Farrington* and *Josephine*, with a view to visiting Kingston, Ont., and other points. They steamed up the river from the Thousand Island Park to this place, and as the *Josephine* was a slower boat than the *Farrington*, it was proposed to lash the two boats and keep the party together. As soon as this was done they proceeded on their journey, but had not gone forty rods when it was found the stays were not properly adjusted, and the *Josephine* commenced taking water. Without lessening speed, an effort was made to loosen the stays. The bow line was let out till the *Josephine* had careened sideways, when it caught in a knot and she capsized and sunk in eighty feet of water in half a minute. As the boat tipped over everyone on board fell into the water and many were drawn down as the boat sunk. Nothing happened to the *Farrington* and many were taken out of the water by her, and others by small boats which pushed out from shore as soon as the accident occurred. Five ladies were drowned. None of the bodies have been recovered. Divers arrived to-night and efforts will be made in the morning to find the bodies and raise the *Josephine*. Great blame is attached to the captains of both boats for their mismanagement and lack of judgment.

"Sleepy Tom" Beaten

CLEVELAND, O., 31.—In the postponed pacing race, Lucy wins the fifth heat and race in 2.16, Mattie Hunter, second, Sleepy Tom, third and Rowdy Boy, fourth.

Appointed.

WASHINGTON, 31.—John Billmer is appointed internal revenue storekeeper at Sacramento.

Congressional Investigation.

CINCINNATI, 31.—The Congressional committee investigation of the charges regarding corruption in the election of Butterworth, republican, to-day, at the suggestion of lawyer Campbell called Butterworth to the stand. The latter said, although Campbell was his personal enemy, and was here to smirch his reputation, he would waive his technical right in the matter and testify. Campbell denied the accusation of personal enmity. Butterworth then testified that the campaign committee did not give him a nickel for the campaign. He received $2,500 from other sources. My friends say, if I would accept the nomination to Congress they would furnish the necessary funds; received $1,000 from Col. Robinson at Columbus, and $1,000 from the neighborhood; did not get a cent from Washington; never received moneys from Eugene Hall or Judge Gorham. Met E. L. P. Holland and asked him if he would undertake work in the fourth ward in the interest of the republicans and try to prevent repeating. He said he would do so for $800 or $400, but finally agreed to undertake it for $150. Saw him after the election, and paid him three $50 bills. He wanted $50 more. Weitzel or myself paid it afterwards at Gibson house.

STILL IT SPREADS.

A Few More Cases Reported.

MEMPHIS, 31.—Four more cases were reported to the board of health this afternoon, James Hester, Jerry Creeden, Rachel Taylor and Mary Taylor. One additional death has occurred, H. Durratt, residing six miles from the city.

At a meeting of the Howard Association this afternoon, four physicians were placed on duty to attend the indigent sick. About 100 poor people went into Camp Marks to-day. A storm from the southeast is threatened.

New Orleans, 31.—The board of health has adopted resolutions deprecating the enactment of severe quarantine regulations against this city, and expressing the opinion that there is no reason for alarm, and hoping that soon places and cities which have, through great prudence, put up quarantine bars, will feel it in their power to take them down, and allow the business of the country to proceed, where it can do so without any real danger to the public health. Dr. Choppin says there is no fear of an epidemic. One case is reported at the quarantine station, and two suspicious cases of children on Washington Street.

Cache County Convention.

A convention composed of delegates from the several precincts of Cache County, met pursuant to a notice from the county committee of the people's party in Logan City Hall, Saturday, July 26th, 1879 at 11 o'clock a. m., and in the absence of the chairman of the County Committee, the convention was called to order by Ezra D. Carpenter, secretary of County Committee. On motion of R. S. Campbell John B. Thatcher was elected temporary chairman, R. S. Campbell was elected temporary secretary. It was moved and carried that the chairman appoint a committee of three on credentials, who appointed James Mack, Fred Turner and James A. Leishman. In the absence of the committee the chairman called upon Ezra D. Carpenter to state the object of the convention, who said it would have been proper to have read the call for the convention, but not having the notice at hand stated it was called to nominate Territorial and County officers to be supported by the people's party at the coming August election; he also gave a synopsis of the organization of the People's party in the several precincts of Cache County. By request Joseph Rich gave a short political speech. The chairman of the committee on credentials reported that the following persons were entitled to seats in the convention:

Richmond—A. F. Stewart, A. C. Brower.

Millville—O'a Olsen, Geo. Pitkin.

Paradise—H. A. Shaw, W. N. Thomas.

Wellsville—W. O Poppleton, Evan Owen.

Smithfield—Geo. Barbee, James Mack.

Mendon—John Donaldson, Henry Hughes.

Hyde Park—Fred Turner, Thos. Duce.

Hyrum—J. O. Thoreson, C. C. Shaw.

Clarkston—John Jardine, O. A. Jenson.

Logan, First Ward—James A. Leishman, Ezra D Carpenter.

Second Ward—John B. Thatcher, R. S Campbell.

Third Ward—William Watterson, James Quayle.

Fourth Ward—H. K. Cranney, Eli Bell.

Fifth Ward—B. M. Raventten, John Jacobs.

The report was accepted and the committee discharged.

A committee of H. A. Shaw, A. C. Brower and H. K. Cranney was appointed on permanent organization, which committee retired and shortly after returned and reported for president, Henry Hughes; for secretary, Ezra D. Carpenter, who were unanimously sustained.

A motion was made and carried after some discussion that the chair appoint a committee of five on nominations. The chair appointed Eli Bell, H. A. Shaw, Jas. A. Leishman, John Jardine and A. C. Brower. Committee retired and soon returned and presented the following names to the convention for their approval:

Commissioners to locate university lands, John Van Cott, Lewis S. Hills, John Rowberry.

Territorial School Superintendent, John Taylor.

Auditor of Public Accounts, Nephi W. Clayton.

Councilor to the Legislature, for Cache and Rich Counties, Moses Thatcher.

Superintendent of District Schools for Cache County, Ida Ione Cook.

Sheriff, Alvin Crockett.

Selectman, Wm. H. Maughan.

Assessor and Collector, unexpired term, James A. Leishman.

These names were acted upon separately and sustained unanimously, until Ida Ione Cook's name was reached, when a motion was made and seconded to substitute in place of Miss Cook, Wm. H Apperly, which caused a warm discussion, but which resulted in sustaining Wm. H. Apperly. The names of Alvin Crockett and William H. Maughan were sustained unanimously. When the name of J. A. Leishman was reached he peremptorily resigned and Chas. W. Nibley was unanimously chosen.

The following persons were chosen members of the central committee of the people's party for Cache County for the ensuing year: Wm. B. Preston, M. W. Merrill, S. M. Molen, M. D. Hammond, O. N. Liljenquist, O. C. Ormsby and John Jardine.

A vote of thanks was passed to the President and Secretary of the convention.

Voted to publish the proceedings in the DESERET NEWS, *Salt Lake Herald, Ogden Junction*, and *Northern Light*. Adjourned *sine die*.
