

LOCAL AND OTHER MATTERS.

THEATRICAL.—The comedy of "Ernestine" and the extravaganza of "Beauty and the Beast" were performed to a good house on Saturday evening. Madame Scheller's Ernestine is one of those exquisite pictures of purity and innocence, which she always portrays with so much fidelity and truth. Annette Perrot found in Miss Adams an excellent representation of Mr. Hardie as the Count. Mr. Lindsay as Jules, and Mrs. Woodman as Valentine, gave proper effect to their respective parts.

The extravaganza went off infinitely better than on the first night, in fact one would have hardly recognized it as the same piece. It is not to be expected that a company, who has been playing exclusively in comedies, tragedies and dramas should at once grasp the spirit of an extravaganza. The Theatre is rather too large for the representation of an extravaganza, the facial movements, so important in burlesques, being entirely lost to the more distant observer. Everybody was well received and applauded throughout the performance, and the public was very enthusiastic. The dialogue fairly bristled with local puns. We must say, considering that this is not a burlesque company, the performance last Saturday evening was a great success.

"Jessie Brown," Bonicault's great sensation drama, with a powerful cast, will be produced this evening.

Miss Annie Lockhart, a meritorious actress from Australia and California, will now hold receptions in our Temple of Art.

GOT THROUGH.—We understand that the "header" has been put through Miller & Patterson's 950 feet tunnel at the head of Echo. The permanent tunnel will soon follow.

BLOWING.—The wind, to-day, seems to indicate an approaching storm and one that may be a very variable wintry character.

POLICE.—John Brown and Joseph Robinson, "colored gentlemen," were arrested for gambling in a small way, and this morning were fined \$25 each.

CHANGED.—Mr. Harford who did the plastering in Hunsley & Dahler's Bank, made a mistake by putting the wrong side up as a result it fell, and the bank has had to be temporarily removed to Godbe's Drug Store in the Exchange Buildings. Mr. Harford shouldn't make such blunders. They will injure his reputation as a workman.

SUNDAY MEETINGS.—Yesterday morning Elder Charles C. Rich occupied the time, in an interesting manner, edifying the Saints.

Elder Ernestus Snow preached in the afternoon and was followed by Rev. A. M. Stewart, missionary of the Presbyterian Church, who spoke for a short time.

FOURTEENTH WARD.—Last night Rev. Mr. Stewart preached in the 14th Ward to a large and attentive congregation. He was followed in a few remarks by Elder Wilford Woodruff.

ARRIVED.—Miss Annie Lockhart, who is under engagement for our Theatre, arrived by coach this morning. The Californians speak in high terms of her abilities as an actress. She will appear soon.

LEGISLATIVE.

HOUSE.—House met at 10 a.m.

A communication from the Auditor of Public Accounts in relation to stationery, desk, etc., for the use of his office, was read and referred to the committee on Claims and Appropriations.

The committee on Roads, etc., reported in favor of inserting in the Territorial Appropriation Bill the following sums to be expended as follows:

On the road between the mouth of Baker's Canyon and the summit of Cove Creek hill, in Millard Co., under the direction of Thos. Callister, \$500.

On the road running north of Heber city, to intersect the Wasatch road at Kimball's hotel, in Summit Co., \$500.

Said committee on Roads also reported in relation to the extension of the Salt Lake City and Wasatch wagon road easterly over the Weber river, that said extension could not be made without an amendment to the charter and an arrangement with the proprietor for the use of the present bridges.

The committee reported a proposition from the proprietor of the Weber bridge. Said report and proposition were laid on the table till Wednesday next.

The committee on Petitions and Memorials, to whom was referred a memorial to Congress for a re-survey of the public lands, reported back the same with amendment and recommended its adoption. Said memorial was read and adopted.

Mr. Murdoch moved that the committee on Claims and Appropriations be instructed to insert in the Territorial Appropriation Bill the sum of \$500, to be expended on the road leading from Pine Creek to Indian Creek in Beaver Co.; referred to the committee on Roads, etc.

Mr. Young, chairman of special committee, reported a bill for "an Act for General Incorporations," which was ordered printed.

Mr. Reese, chairman of committee on Agriculture, reported back "an Act pertaining to damage done by animals," with amendments, and recommended its passage. Said bill was read, and, pending the consideration of the same, the House adjourned till Monday at 10 a.m.

COUNCIL.—Mr. Harrington presented a petition of citizens of Pleasant Grove, praying for an appropriation of \$900 to assist in making a gravel way through the low lands between said city and American Fork, which was read and referred to the committee on Roads, etc.

H. C. C. Wilson, Chief Justice of Utah Territory, acknowledged by letter the courtesy of the Council in extending to him the freedom thereof.

Mr. Haight stated he had ascertained that the financial report of Davis county was mailed to this city, by the deputy Clerk of said county, on Jan. 19th, and a letter of inquiry had been sent concerning it, but neither the report nor answer to the letter of inquiry had yet come to hand.

Council took recess till 2 p. m.

HOUSE.—House met at ten a.m.

Mr. S. S. Smith presented Memorial to Congress to amend the act relating to town sites, which was read and referred.

Mr. S. S. Smith presented Memorial to Congress asking that the net proceeds of the Internal Revenue be set aside for the erection of a Penitentiary; read and referred.

Mr. Young moved that the Superintendent of the Salt Lake City and Wasatch wagon road be requested to furnish this House with a concise report of the present condition of that road, and the necessary repairs to be made during the coming season of high water; seconded and carried.

The committee on Library reported a Memorial to Congress for an appropriation to increase the Territorial Library; read and referred.

A bill for an act pertaining to damage done by animals was taken up and referred to the Judiciary committee.

Mr. W. G. Smith reported a joint resolution changing the name of Richard Orr to Richard Orr; which was read and adopted.

The committee on Petitions and Memorials reported back the memorial to Congress asking that the net proceeds of the Internal Revenue be set aside for the erection of a penitentiary. Said committee also reported back the memorial to Congress to amend the act relating to town sites.

Said memorials were read and adopted. House adjourned till to-morrow at 10 a. m.
